The Old and Reliable Granite and Marble Dealers

Will are manufacturers and direct importers of all kinds of Monumental and Hasistons work. We sail direct to our customers at whols sale prices, thus atving our customers to par sent. We have the heat appliances and the buly machanics in the Dominion who can operate pneumatic tools properly. We can give references from hundreds of our customers in Toronto and other places, where others have to stand law suits in order to collect. We have the largest and beel sinck of firstlife in the Dominion, or more than any three dealers in the West. We are legitimate dealers and employ no agents, and do not annoy or pertensional towars by sending out ignorant agents to solicit orders—we employ inschaules only and defy exempetition.

THE COST OF IT

经经验的

ToT did not get into the papers-Lucille father is a prominent merchant and a profitable advertisar-but the next morning after Benjamin Putney's big touring car ran into a fullen tree and was ditched on a lonely road ten miles out every tongue in the community was wagging with the nows and every pair of carwas listening eagerly to what every other pair had heard. Each man, woman, and child in town knew that Lucille Reland was in the car ; that she was supposed to he spending the night with her Aunt Emma in the city ; that Mr. Roland had put her on the sarly train for the junction and tale. phoned that fact to her aunt from the drug store. Worse, they knew that Lucille had

been obligred to spent most of the night on that dark hillaids, because no house was near and Putney was disabled, having broken lag and many bruless. Just before dawn the driver of a passing milk wagon had carried a message to the nearest doctor and Putney had been hurried to a city hospital. Lucille had been taken home, to her amazed parents. To what everyone knew they added what they thought. Lucille was sighteen, Putney was a married man of thirty-fire, reputed a lauder in the "last set." When I heard about it I was just finish.

ing tay second cup of colles, and I rose from my chair and was making my way to the door in the time it took to sat the our down. A lifelong, intimate friend, I did not wait for a summons to the home which trouble had forced an estrance. I hurried along the street, I kept thinking Where on earth thit Lucille meet that man Y' Putney and his gay wife-partioularly the gay wife-had furdished considscalle material for goodp in that goodploving town. Bhe spent most of her time in the city or at various resorts, her interest apportioned among her clother, her success at "auction," and lier Pomeranian. She talked glibly of "affinities." He was rich, good-looking and forceful; a clubman, a politician, a player for high stakes. The man called him an "all round sport a" the woman of our conventional suburban town said he was "terribly common." surtains I found a harrowed mother.

Lylag on a coach in the shade of drawn "Please talk with Lucilla," she said "Her father and I are terribly shocked, and we thought best to wait until we had calmad down before being severe with har. We cannot understand this deceptionthis ranklessness ! We have always bean to careful with Lucille. Where in the world could she have mee this man? said : "I am groing to tall you something Burely, none of her friends know him wall that I knew you will not balieve, now This accident is the best thing that could

enough to introduce them !" I sought Lucille. When she responded to my knock I opened the door of her pinkand-white room to find her packing, her things scattered everywhere. No tears there ! Lucille is of the high-strung, effervorcent type. Just then she seemed electrified. Her black eyes were like stare. Her orinson checks made her amouth skin seem startlingly white.

"I suppose you despise me ! Have you come to soold " Hhe threw her words at "No Lucille, I do nob despise you, and I

lid not come to sould. I have loved you ever since you were a baby, child, and I am sorry for you. Tell me how this wretched affeir started-but first, were you hurt at all? And why are you packing !" "I am not hurs a bit physically. I am nacking to go away."

"Where ?" "First, I shall go to Aunt Emma's. I thought it all out last night-all those hours-on that dark road. I can't stay WARREN to do-I must be doing something. You know, buts are my hobby, and I have made

same again."

however, who refused to accept this con- martyrdom. clusion, and that was sighteen-year-old Pros. who had been her grendmother's particular chum. Under her tumbled. ed-brown hair Prue was thinking hard. It was a long time before she had an West Orange, N. J., on his sixty-ninth opportunity to put her conclusions into upon a morning when everybody else was out. Prue went into grandmother's room and parched upon the arm of her chair.

"Grandma," she said, "I want some real old-fashioned, putty molosses cookies." Grandmother looked startled, then halffrightened, then excited. "Prus," she oried, "do you think I could-" "Come down to the kitchen this minute."

I'vue commanded, "and you needn't wear a shoulder shawl, either." It was a glorious hour that followed. Grandmother made the cookies and Prus ate three hot and gave some to the grocer's boy. And just as they took out the last ones Mrs. Kennady returned. "Why mother," she cried in constarus-

Grandmother looked up triumphantly. "They're the best I ever made," she declared. "I'm not on the shelf yet, Clara."

Cheapast of All Olls.-Considering the ourative qualities of Dr. Thomas' Eclastric Oil it is the cheapest of all preparations offered to the public. It is to be found in then a week she was home to find ont every drug store in Canada from coast to what it was that had been going on that coast and all country merchants keen it her bushand did not want her to know for sale. So, being easily procurable and about. extremely moderate in price, no one should be without a bottle of it.

all medicines, and when easy to take are recently said : the most socspiable of preparations. But

TO SLEIGH-RIDING ROMEOS

Whon you've tucked the dainty creature Spring that speech you wish to feature, If you would be sure of her ; For there's nothing like the sleigh bells And the moonlight on the snew To convince your Pourly and May belies

When her eyes bogin to filter. And her nose gots good and red And hor heart seems out of kilter After all that you have said, Then just trust the reins to Cupld-He's been driving all his life !-

That alcohol is a habit forming drug is denied by no one but its devotees. It's day. After some little difficulty he was dealed would be useless because every one knows men who have become the victims Contracts have been let for a new brick of the alcohol, habit that cannot break residence for H. P. Moore on the old family away from it. Nothing is more pathetic homestead, corner Church and Frederick than to see some of these men trying to Streets. Mr. John Cameron has the break off the habit, suffering untold torcarpenter work, and Mr. Henry Hill, who tures and failing time after time until they

Morphine is also a habit-forming drug.

various sicoholio liquore, because it is not Mrs. H. P. Moore went to Palmerston on pleasant to the taste and because the habit become popular. It's action is very simifar to that of whickey or brandy. In moderate doses it dulls the sensibility to pain and in large doses causes a stupor resembling profound sleep. Like alcohol, once the habit is fully formed, it is almost impossible to break off. Men who make a spec-Miss Tenn Blair, of Paris, visited her lalty of treating the drug and alcohol habit, tell me that it is easier to ours permanently a morphine flend than an alcohol habit many have formed of urging their friends to drink. The day is not long passed when some would take it as an insult if you refused to drink their dope. Both these drugs have the effect of blighting the moral sensibility so that a drinking man will do or say with perfect indifference what he would have shrank from son of Hugh McLaughlin, to Mary, with horror before he acquired the habit daughter of Hobt. Akins, all of Nassa-Examples of this we have had in plenty of late, when men atoop to the most deeploable acts, utterly indifferent to the need or fate of their country. Anyone who has Boylk-At Brampton, on February 27th, studied the question knows that much of Rev. Robert Boyle, D. D., in his 71st this moral degredation has had its origin in drink on the part of the person or his

poisonous druge and both have the tendency o affect the higher moral centres first. It is dreadful to contemplate the power which the traffic has acquired. In England France and Germany they have defied the rovernment and the War Office to do more than slightly curtail their business. In Sweden the people voted a hundred to one in favor of Prohibition, but they did not get it. In Ontario people have voted by large majorities on three different occasions gay as a child's, and an infinnite variety in favor of prohibiting the treffic. Nos of most desirable accomplishments, from only that, but resolutions and patitions the making of delicious "cocked-hats" ples | almost without number, have poured in to and marvellous gowns for tableaux to the the Government, begging that the bare be closed. On the other hand, no one but a quiet deputation of liquor dealers have asked that the business be allowed to conof them that grandmother could ever tinus. But that deputation seems to have change and when one winter she nearly more influence with Governments than the slipped from them, the family could not do votes of the people, the resolutions of the shough to show their devotion. They stoot important bodies and all the patitions

H. ARNOTT, M.B., M.C.P.S. THE AOR ONE OL ARREST CINTS

There are many girls who try to shun all household duties and, Leyond making Yet in spite of it all, although she was | themselver nest and attractive, are utterly always grataful, grandmother was not useless. Every girl ought to be sager to happy. Her old sparkle and saucinose lift some of the burden of household found her broading, with a look that went on to her own ; but unfortunately some of them are so averes to labor that they walk "What more can we do?" Constance to be asked to do things, instead of below asked sadly of her mother. "There len't a constantly on the lookout for little duties thing she can possibly want that we don't which they are capable of doing. If girls try to discover before she does, and By to would be of any real use in the home they must be quick to notice what is wanted-"It's just - that grandmother's old, the room that needs dusting, the flowers dear," Mrs. Kannedy answered. "We which require rearranging, the curtain never realized it before, but this illness has which has lost a ring, and is therefore shown us. We can't expect her to be the drooping. And then they must not only be willing to do it pleasantly, but without There was one member of the family, making people feel that they are suffering
