SHAWWING DEAD

O little mother of mine!

An Irish soldier, writing home from France, says :

M -- and I were sent off on a listening patrol to reconnoitre a house close by the enemy patrol lines. We didn't know whether they were in the house or not, but -thought they were, so off we went, just M - and I. The house had been blown up by artillery fire and not much remained but the shell ; still it made good corer for an observer's party.

We crept to the door and from room room upstairs and down with the moon shining through in portholes here and glory of God and Jesus at His right there. But we found only two dead Germans at the foot of the stair, lying huddled and with the contorted faces that we thought dead men only wear.

which we found. - was a dishellover. than now in these awful days of the "Why didn't you prick the dead men with European conflict, and this very morna knife ?" These we carry, of course, for Ing (May 8, 1916), as the papers anclose quarters, so we could only pleud nounce the sinking of the Lusitania guilty to a breach of discretion. "Come yesterday by torpodoes near Queensback," said he, "both of you." He back we went with him. The two Germans were lying as we left them ; oue with his bead over his arm, the face hidden; the destroyer and murderer, so manifest, other on his back, with bared testh, and a there can be no peace of mind unless look of horror in his fixed eyes.

"They're ours," said -. "I thought Man on the right hand of God and sa." And the two came to life -but three hear Ilim say, "Ro still and know that desperate men are a big argument against I am Ged; I will be exalted in the earth," and remember that He slone two who have been playing silly without can make wars to cease on earth (Pa. arms. So the night's bag paid for the zivi, 0-11). Stephon's discourse began with "the God of glory" and ended

litters has done for me. Last winter my face was covered with pimples. I tried different kinds of medicine, and all seemed to fail. I was one day to a friend's house, and there they advised me "If a man hasn't got horse sense, he' better leave horses alone; and if hean't got store sense, he'd better get something nearer the size of his brain pow

was getting better. I got two more, and when they were finished I was completely cured. I find it is a great blood purifier, and I recommend it to all." Only the uninformed ondure the agony of corns. The knowing oses apply Holloway's Corn Cure and get relief.

Lesson X .- First Quarter, For March 5, 1916.

THE INTERNATIONAL SERIES.

Text of the Lesson, Acts vil, 54, to vill 3-Memory Verses, 50, 60-Golden Yest, Rev. II, 10-Commentary Prepared by Rev. D. M. Stearns.

Stephen scome to have remained at tent before his necessers until the high priest asked, "Are these things so?" Then, beginning with the appearing of the God of glory to Abraham, he traced the listery of Iarnel down to the time of Bolomon and the building of the temple, passing from that to Him who spoke of Himself as the Tomple, which He said if they destroyed the would raise it up the third day (verses 51-63; John II, ID, 21) He referred to the delay to the fulfillment of the promise to Abraham, the sufferings and deliver nace of Joseph, the people's refusal of Moses, but God's choice of him as de liverer, and their accused them of con summating all the iniquity of their fathers by murdering the Just One. who had been promised to Abraham and Moses and foreshadowed in Isaac and Joseph and Moses and Salomon Although Joseph and Moses were refused for a time, God used them when the time came, and so He will use the rejected, crucified and risen Christ at the appointed time. As truly as Joseph came to the place of power and Moses delivered ismet, so surely shall Jesus

Christ come to the throne of David and be king over a redeemed faruel when the fullness of time shall have come. As usual, the acco ation of being the murderers of their Messiah cut then to the heart (chapter v. 83) and made them angry enough to kill Stephen. which they succeeded in doing. As they grashed on him with their teeth (verse 64) he was seemingly oblivious to it all, for he saw Jestis in glory. The expression "guashing of teeth" was used just seven different times by our Lord concerning the torment of the lost and always concerning those who were professedly religious, but not really Ille (Matt. vill, 12; xill, 42, 50;

ity, backache, headaches, dragging sensations, all point to female derange-2811, 13; xxiv, 51; xxv, 50; Luke xiii, 28) ments which may be overcome by Lydia Stephen was filled with the lipirit to E. Pinkham's Vegetable Compound. serve tables, to work miracles, to bear This famous remedy, the medicinal testimony, and now in his great hour ingredients of which are derived from of need to see Jesus Christ in glory and native roots and herbs, has for forty die triumphantly IVI, 3, 6, 8, 10; vil, 65, years proved to be a most valuable tonic 60). DANGER IN GASOLINE.

This Substance is Seven Times More Powerful Than Dynamite. Do you know that gasoline gas is seven times more powerful than dynamate? nake the National Cash Register News in an article on the use of gaseline with safety in the home. Gasoline is a thin, water white liquid which evaporates rapidly and throws off vast

A Booteli gardener was beinmering away quantities of vapor very inflammable and explosive when mixed with air. Bulmiances like cotion, linen, silk, especially when unwashed and undyed, become more or less electrified when rubbed or moved quickly in a bath of gasoline, the gasoline becoming negatlyely charged. Caseline being a bad gravoline and causing fire and explosion, Weather conditions affect the results more dangerous than molat summer

> often brought about by static electric lly, a fact definitely proved, In case of the tight cans are liable to explode, throwing the burning gasoline all over the premises, thereby augmenting the fire. For this reason gasoline should be stored outside the house, proferably in wafety type cans (cans with fine wire gause in neck and

(pout). Guadine used for cleaning should be West Danby, N. Y .- "I have had used outdoors, at least tifty feet from nervous trouble all my life until I took any tire, light or burning substance, never in an inclosed room. The heavy n Lydia E. Pinkham's vapors travel long distances and are lifghly explosive. Nover clean gloves on the hands. The rubbing or agitating of clothing in gasoline should be accomplished by means of a dry stick. Gasoline stoves should never be filled with a light or fire within fifty feet of the stove.

One of the World's Dark Spots. Even today inland New Guines to one of the world's dark spots. The country is a nightmare of gigantic precipices, buge ravines, great swemps and socking forests. In 1001 the Danlals explorer Peterson, with three companions, dived deep into the heart of this unknown country. They were captured by a tribe of savages, who killed their carriers and made them prisoners. For long they were be lleved to be dead. Then, to every one's amaxement, a lotter in l'eterson's writ ing was brought by a native to the coast. It told of bis miserable plight, and an expedition was at once sent intand to bring him home .- London Speciator.

Influence of College Mon. As educated men filter through the community reforms are obtained that twenty years ago seemed millennist. The separation of local from state sources of revenue, the separation of local from national elections, the treatment of a franchise os valuable propsrty, the discriminating between or dinary industry and natural monopoly. the practice of scientific charity and penology, the concentration of responsibility in government-these and a score of other good things which once seemed as for above popular compresension as four dimensional space lave come to pass, thanks chiefly to the radiations from the classrooms .-Century Magazine

The Ywelve Jurymen. A prisoner is tried by twolve of fellow countrymen. This custom is thousand years old, and we get it from the vikings. The vikings divided their country up into cantons, which were subdivided into twelve portions, each under a chieftain. When a malefactor was brought to justice it was usual for each chieftain to select a man from the district over which he ruled and compet him to try the prisoner, the verdict of theus twelve men holng de clared by the judge to be final.

Pelson In Young Hattlesnakes. Observations on live rattlesunker show that the polson glands become functionally active as soon as the anakes begin to abift for themselves. which must be very soon after birth Experiments on the young once six days after birth proved the presence of venom in small quantities. Experiments made three months after birth showed that considerable venom to secreted, as a pigeon insculated at this time died in two hours with the usual symptoms of polsoning.

Mohammad's Carpet. Once a year a strange custom to ob served in Cairo. A piece of carpet or which, according to tradition, Moham med once sat and which is the most famous excred relie of Islam is car ried through the streets, and the kinedive and his troops all receive it in review order and sainte it us they pass. The relic is guarded most carefully at ordinary times, and the officer to charge of it each morning must saidte it with his sword raised, while
