PROHIBITION

Our country is inspired with cheer regarding prohibition.

The liquor traffic is being fought with fear, and the lighting exhibition, which was made to square their trade, is fast vanishing.

The world is moved as never before. To see the devastation of the trade has wrought from shore to shore.

Drying up the supply of liquor in every land, on every hand, is the result of the prohibition.

Revised with conviction, the cause of such a world-wide triumph of men with vile habits.

That fill the world with deeds of wrong and fraudulent collisions.

The traffic is being stopped.

The world's abomination is being destroyed.

In loss and devastation.

Of mortal sin such passing year by year.

A famous prohibitionist.

Of blackest sin.

Yet arrested by legislation.

A land one hundred years ago will war with unauthorized coinage.

Against the traffic and far, in spite of opposition.

Peace and love.
