Question -

What is pure paint?

Answer -

70% pure white lead
10% pure zinc
20% pure white zinc
100% pure pigment

Why?

Because white lead and white zinc, mixed in these proportions, produce a paint that resists the elements better than that made by any other formula. Scientific tests and practical experience extending over many years absolutely prove this to be so, and that is why

B-H "ENGLISH" PAINT

is made by this formula. It is pure paint in the truest sense of the word. A mixture of 10% white lead and 90% white zinc might be called "pure paint" but this expression would be misleading, because the compound would not fulfil all the requirements of a first-class exterior paint.

B-H "English" Paint is pure paint that works easily, penetrates deeply, spreads well, holds its color and lasts years longer than ordinary kinds.

You can get genuine B-H "English" Paint from

Women Once Invalids

Now in Good Health Through Use of Lydia E. Pinkham's Vegetable Compound. Say it is Household Necessity. Doctor Called it a Miracle.

All women ought to know the wonderful effects of taking Lydia E. Pinkham's Vegetable Compound even on those who seem hopelessly ill. Here are three actual cases:

Harrisburg, Penn.—"When I was single I suffered a great deal from female weakness because my work compelled me to stand all day. I took Lydia E. Pinkham's Vegetable Compound for that and was made stronger by its use. After I was married I took the Compound again for a female trouble and after three months I passed what the doctor called a growth. He said it was a miracle that it came away as one generally goes under the knife to have them removed. I never want to be without your Compound in the house."—Mrs. E. E. Yoer, 611 Water St., Harrisburg, Penn.

Hardly Able to Move.

Albert Lea, Minn.—"For about a year I had sharp pains across my back and hips and was hardly able to move around the house. My head would ache and I was dizzy and had no appetite. After taking Lydia E. Pinkham's Vegetable Compound and Liver Pills, I am feeling stronger than for years. I have a little boy eight months old and am doing my work all alone. I would not be without your remedies in the house as there are none like them."—Mrs. E. E. Yoer, 611 Water St., Albert Lea, Minn.

Three Doctors Gave Her Up.

Pittsburg, Penn.—"Your medicine has helped me wonderfully. When I was a girl 18 years old I was always sickly and delicate and suffered from irregularities. Three doctors gave me up and said I would go into consumption. I took Lydia E. Pinkham's Vegetable Compound and with the third bottle began to feel better. I soon became regular and I got strong and shortly after I was married. Now I have two nice stout healthy children and am able to work hard every day."—Mrs. CLAUDETTE DEANER, 24 Gardner St., Troy Hill, Pittsburg, Penn.

All women are invited to write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special advice.—It will be confidential.

GAZARIN CANNOT BE CURED

with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Gazarin is a blood disease, greatly influenced by constitutional conditions, and in order to cure it you must treat internally. Hall's Gazarin Cure is taken internally and acts through the blood on the mucous surfaces of the rectum. Hall's Gazarin Cure was prescribed by one of the best physicians in this country for years. It is composed of some of the best blood purifiers combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Gazarin Cure is what produces such wonderful results in Gazarin conditions. Read for testimonials, free F. J. CHENEY & Co., Proprietors, Toronto, Ont. All Druggists, 75c. Hall's Family Pills for constipation.

RHEUMATISM ARRESTED

Many people suffer the tortures of lame muscles and stiffened joints because of impurities in the blood. The successful attack against acute rheumatism has invaded the whole system. Rheumatism is quite as important to improve your general health as to purify your blood, and the cod liver oil in Hall's Gazarin Cure is the greatest blood-purifier, while its medicinal treatment strengthens the organs to expel the impurities and rebuild your strength. Scott's Emulsion is helping thousands every day who could not find other relief. Refuse the alcoholic substitutes.
