### NEWS TOPICS OF THE WEEK

O, to have dwelt in Bethlehem  
Where the stars and shepherds shone bright!  
To have sheltered the holy wanderers  
On that blessed Christmas night!

To have kissed the tender, way-worn feet  
Of the mother-dearest, and gentlest,  
And to have seen the love and delight,  
To have tended the Holy Child.

Hush! I wish a glory was not for me!  
But that cave may still be thine!  
For are there no little ones left to aid  
The poor? And the old? And the blind?  
Are there no wandering Pilgrims now?  
They thy heart and thy home to take?  
And are there no mothers whose sons  
To have known in the form that Jesus  
wore?

The Lord's Life and Light!  
Hush! I wish He dwelt among us still,  
And a grace can yet be thine,  
Which the scouler and doubt can never  
know!

The presence of the Divine.  
Jesus is with his children yet,  
For His word can never deceive;  
O where His lovely altars rise,  
And worship, and believe.

### WHOOPING COUGH The Infant's Most Dangerous Disease.

Whooping Cough, although specially a disease of childhood, is by no means confined to that period but may occur at any time of life. It is one of the most dangerous diseases of infancy, and yearly causes more deaths than scarlet fever, typhoid or diphtheria, and it's more common in female than in male children.

Whooping Cough starts with sneezing, watering of the eyes, irritation of the throat, feverishness and chills. The coughing attacks come frequently but not necessarily more severe at night.

At the first sign of a "cough," Dr. Wood's Norway Pine Syrup should be administered, and weeks of suffering may be avoided. As it helps to clear the bronchial tubes of the colored mucus and phlegm.

Mrs. Nellie Barber, Amherst, N.B., writes: "I have much pleasure in saying that Dr. Wood's Norway Pine Syrup has been a great blessing to my little girl who has since died with it. I tried all sorts of things but Dr. Wood's helped to make the disease relieved, and she is now better."

My young brother is also taking the cough, and I am getting 'Dr. Wood's' to work on him.

Dr. Wood's Norway Pine Syrup is put up in a yellow wrapper; 1½ pint tins the trade-mark; price 25c. and 50c. Retailer substituted.

Manufactured only by T. M. Wood Co., Kincardine, Ontario, Ont.

### WINE AND OTHERWISE

A Christmas gone? The Turkey that's not been eaten because he escaped death at Thanksgiving time.

My great composer has never set the Christmas shopping rush to music. Here is an opportunity for some bewailing genies to achieve either fame or the foisted home.

Be patient with the merchant, and don't start the holidays and do not do your Christmas shopping early.

Perhaps St. Nicholas will need another stand this year, if we can't find time for him to have a little dash.

When money talks there are lots of people who are plenty of cents in what is money.

A Xmas tree pays taxes on 30 days. Most of his money is going to the dogs.

Germany one sheet in any direction now without fear of hitting a friend.

While the millionaire's wife remains or high one might be excuse for going over spilt milk.

They are working on an odorless celo, and when produced how will we know it is as odorous? A trivial question that.

Nature is said to be infallible, yet she gave the rooster a comb but no hair.

### Children Cry for Fletcher's CASTORIA

No babies have deep-colded the bone of winter yet, but it's hard to hold them off if you want to do so.

### WAS TROUBLED WITH HER LIVER FOR FIVE YEARS.

When the trouble became aggravated the stomach gets out of order, the liver does not work properly, and then follows the persistent sick headache, the aches and pains, the tooth-aches, the ear-aches, the heart-aches, water-brains, biliousness, etc.

Keep your bowels regular by using Milder's Eau de Cologne Pills. They will remove the offensive wastes which collects in the system and thus do away with constipation and all its allied troubles.

Mr. John Fitzgerald, British Columbia, writes: "I have been troubled with my stomach and liver for the past five years. I have had constipation and headaches, tooth-aches, ear-aches, and sometimes I would almost fall down. I tried all kinds of remedies without success. I used to take Milder's Eau de Cologne Pills. They will remove the offensive wastes which collects in the system and thus do away with constipation and all its allied troubles."

Mr. John Fitzgerald, British Columbia, writes: "I have been troubled with my stomach and liver for the past five years. I have had constipation and headaches, tooth-aches, ear-aches, and sometimes I would almost fall down. I tried all kinds of remedies without success. I used to take Milder's Eau de Cologne Pills. They will remove the offensive wastes which collects in the system and thus do away with constipation and all its allied troubles."

### UNSIGHTLY PIMPLES COVERED HIS FACE.

B. B. B. Cured Him.

All discolored blisters of the skin are caused by the blood being in an impure condition.

The best blood cleansing medicine on the market is Burdock Blood Bitter, a medicine that has been used for over 40 years; so you do not expect me to tell you what Indian Path, N.B., writes: "I am writing to you to tell you what Burdock Blood Bitter has done for me. My face was covered with unsightly pimplies and all seemed to fail. I was out day to a friend's house, and when they advised me to use B. B. B. B. I followed their advice. I found I was getting rid of the pimplies, and when they were completely cured I was able to go about without any fear of being laughed at."

Mr. John Fitzgerald, British Columbia, writes: "I have been troubled with my stomach and liver for the past five years. I have had constipation and headaches, tooth-aches, ear-aches, and sometimes I would almost fall down. I tried all kinds of remedies without success. I used to take Milder's Eau de Cologne Pills. They will remove the offensive wastes which collects in the system and thus do away with constipation and all its allied troubles."
