Cataract Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure cataract deafness, and that is by a constitutional remedy. Cataract Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a humming sound or impaired hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal state, hearing will be destroyed forever. Many cases of deafness are caused by growth, which is an inflamed condition of the mucous lining of the tube. Hall's Cataract Cure acts through the blood on the mucous surface of the tube.

We will give One Hundred Dollars for a year of Cataract Deafness that cannot be cured by Hall's Cataract Cure. Circulars sent free. Dr. J. C. HENRY, 706 N. 1st St., St. Paul, Minn.

AT THE COLORADO HOME

Funeral of Mrs. J. Chester Matthews at Rockvale, Colorado
The Florence, Col., Journal gives the following interesting particulars of the funeral of the late Mrs. J. Chester Matthews at Rockvale, Colorado:
"The last rites over the remains of the late Mrs. J. Chester Matthews were held at the home of her father, Mr. Charles Grant, at Rockvale yesterday afternoon at 1 o'clock. Rev. H. Silkwood, of the Methodist Church, officiating.
The home was thronged with a large circle of devoted friends of the family from all parts of the county and the beautiful casket was banked with a profusion of flowers, contributions of love and respect from friends and neighbors and the church and Sunday School. It was a most impressive service. The young people's choir of the Rockvale Methodist Church rendered a number of beautiful selections and Miss Mary Price, an old schoolmate of the deceased, sang a solo entitled "Remembrance of Childhood."
Rev. Mr. Silkwood, in a comforting address to the bereaved family, spoke of the high type of Christian womanhood of Mrs. Matthews; her optimism; her unselfishness; her patience in suffering; her confidence in prayer and the splendid influence of her life. It was a message filled with hope for the future and a splendid tribute to her past.
The minister read a letter from the church at Acton, Ontario, in which it was stated that the loss of Mrs. Matthews was most keenly felt by the congregation and people in general and it also spoke of the high character of the family in general.
The remains were laid to rest in the peaceful quietude of Lakeside Cemetery at Canon City. It was an automobile funeral and one of the largest ever held in the county."

With a Grand Flourish in Bargain Giving

THE JANUARY CLEARING

Comes to a Close This Week

DURING the past three weeks, this "clearing" movement has affected all parts of this big store. Every department has been and is preparing for Spring and new merchandise. Every department is clearing out all lines of this Winter merchandise to make room for the fresh new stocks to come. In no department is it our policy to carry over one season's wearables to the next. Enormous Winter stocks are thus involved. The outclearing has so far been carried out with zeal, thoroughness and effectiveness, price cutting has been resorted to with reluctance, and thrifty people have been buying with eagerness for next Winter's wear, knowing that prices then will be still higher than their present status.

Now in this the last week—a grand finale in the January Clearing—with bargain offerings that can be exemplified by these three quotations chosen from a hundred and more:

Men's \$35 to \$25 on Overcoats
All broken lines, \$18.75
