THURSDAY, MARCH 22, 1917

EDITORIAL NOTES

DURING THE COURSE OF THE DEBATE on the Department of Agriculture in the Legislature last week Mr. Rowell offered on behalf of the Opposition that if the Government would appoint the ablest and most outstanding man available as Minister of Agriculture and with him an equally suitable man for Deputy Minister, they would not oppose such a minister in a by-election, but would allow him to take his seat without a contest. The Prime Minister in his reply made no reference to this offer.

THIS HAS BEEN an eventful week in world events. The revolution in Russia, by which the Czar was deposed; the cabinet crises in France; the declaration of war against Germany by the United States and China, and the mighty chase of the Germans by the Allies from France homeward, form a series of gigantic events in such rapid succession as history has seldom, if ever before, recorded. The Allies have won from the Germans over a thousand square miles of French territory within the week.

A QUESTION which is rapidly becoming one of paramount importance in the educational world is Medical Inspection of school children. Mr. J. M. Denyes, Public School Inspector, refers to this quite impressively in his annual report. He says: The health of the children in our schools must be safeguarded. Through the co-operation of the Provincial Board of Health and the Provincial Women's Institute demonstrations have already been held in several centres of the Province revealing the astonishing fact that of 3216 pupils examined from 60 to 80 per cent. and even as high as 90 per cent. were found requiring medical and dental treatment. Enlarged tonsils, defective vision, adenoids, defective hearing, and bad teeth showed what a handicap the majority of pupils are carrying in their education. A system of medical inspection would locate these drawbacks and prepare the way to the removal of the hindrances by proper attention. Bad teeth alone are responsible for a very large proportion of the diseases which afflict children. In the estimation of the ablest medical experts the attack and progress not only of tuberculosis, but also of indigestion, tonsilitis and anemia are due to decayed teeth and resulting bad mouth conditions."

OCCASIONALLY the farmers in the Legislature get a real field day when they have the floor practically to themselves, and when at any rate nothing is talked of for hour after hour but problems affecting the farms. Such a debate was the very interesting one on the government's proposed re-organization of the Department of Agriculture. The talk encircled all sorts of matters interesting to the farming community, —potatoes, hogs, wheat, fruit, poultry, silos, horses, butter and cream. The Legislature for that day at any rate became a huge Farmers' Institute. Nelson Parliament, Liberal farmer from Prince Edward county, led the Opposition forces in the introduction of a resolution calling for efficient leadership in the Department of Agriculture, especially owing to the conditions created by the war, the appointment of a Minister of Agriculture to succeed the late Hon. Mr. Duff, who would be able to give his whole time to the work and who by practical training would be able to give leadership in agricultural matters, and the appointment of a Deputy Minister fitted by technical and practical knowledge of agriculture to fill this most important post. The resolution was rejected by the government who persisted in their own scheme for the re-organization of the Department including a Minister, a Commissioner, an Assistant Commissioner and two Deputy Ministers.

TERRA COTTA

The box social, in aid of the Red Cross Fund, held on Tuesday evening under the auspices of the Mountain View School, and their teacher, Miss Binnie, was a grand success. The proceeds were $75.00.

Mr. R. McCauley, has purchased another lot adjoining his on Terrace Ave., from Mr. J. McNally. Real estate seems to be on the move this spring.

Mr. and Mrs. Jones and family, of Cheltenham, have moved to our village. We welcome them.

Our genial Postmaster, Mr. J. Coulter, is laid up with a grippe.

The Rev. Mr. Ferguson, of Norval, will exchange pulpits with the Rev. Mr. Hunt, and will preach in the Methodist Church, Terra Cotta, next Sabbath at 3 p. m. Rev. Mr. Hunt will preach at 11 a. m.

Mr. and Mrs. J. McLean, Erin, were the guests of Mr. and Mrs. E. Townsend and family on Saturday.

CATARRH CANNOT BE CURED with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrh is a local disease, greatly influenced by constitutional conditions, and in order to cure it you must take an internal remedy. Hall's Catarrh Cure is taken internally and acts through the blood on the mucous surfaces of the system. Hall's Catarrh Cure was prescribed by one of the best physicians in this country for years. It is composed of some of the best tonics known, combined with some of the best blood purifiers. The perfect combination of the ingredients in Hall's Catarrh Cure is what produces such wonderful results in catarrh conditions. Send for testimonials, free.

Hall's Family Pills for constipation.

CAPT. J. FIRSTBROOK RECOVERING

His Father and Mother with Him at Berne, Switzerland

A letter from Mrs. John Firstbrook to Mrs. Thomas McElroy, of the Trout Ponds, gives interesting information respecting the present condition of Capt. Jack Firstbrook who was last summer wounded and taken prisoner by the Germans.

Mr. and Mrs. Firstbrook left early in January for Berne, Switzerland, whence their son had been transferred for convalescence.

Mrs. Firstbrook says: "We have reached here safely though we were chased on the Atlantic by a submarine. The Captain did not leave his post for three days. We got into Liverpool to find that harbor closed to outgoing boats as raiders were loose on the seas.

We found our boy much better than we expected. He was not shot through the lung as the German doctors diagnosed. A clever doctor here took hold of him and discovered two splinters of ribs pressing on the pleural cavity, which caused him great trouble. These he extracted and, with care we hope he will be quite well again."

He says he was well treated in Germany, though he was without milk or sugar. When he reached Gottingen he was able to buy one a glass of milk a day, and eggs and fruit, but of course the prices were very high. He later received all his parcels and had enough for himself, and others, especially the Russian doctors who had been so kind to him.

When Jack came here, the nurse tell me, he was best almost double, and looked like an old man of seventy. He had lost 56 pounds. Yesterday we visited the French and English soldiers in the hospitals. Many of them are in a good deal worse shape than Jack. Jack is game and says if he were free he'd be in the fight again to-morrow. To-day he is having another slight operation; a piece of shot or wood is being taken out of his leg. After that is healed we will go up in the mountains."

OBITUARY

MRS. THOMAS LINKLATER

Much sympathy is felt here for Mrs. Neil McNabb, in the death of her mother at Wingham on the 9th inst. The Wingham Times says: Christina McKenzie, relict of the late Thomas Linklater, passed away at the home of her daughter, Mrs. Dave Dinsley, on Friday last, aged 73 years. She was born in the township of Ashfield and prior to moving to Wingham had resided with her husband in Colbourne, East, Wawanosh and Ashfield. Mr. Linklater passed away nearly thirty years ago. The deceased lady was highly esteemed by a large circle of friends and had for many years been a member of St. Andrew's Presbyterian Church. She is survived by five daughters and two sons, viz: Mrs. Thos. M. Henderson, White Bear, Sask.; Mrs. A. Nichol, and Mrs. Dave Dinsley, Wingham; Mrs. Plourde, Guelph; Mrs. Neil McNabb, Acton; John Linklater, Duluth; Kenneth Linklater, Milwaukee. The funeral was held on Tuesday afternoon to Wingham cemetery; the service at the house and grave being conducted by Rev. D. Perrie."

NASSAGAWEYA

A party of about 30 met at the home of Mrs. Geo. Currie, last week to say good-bye to Mrs. Harry McMaster who was leaving for her home in the west after visiting her mother, Mrs. Geo. Currie.

The many Nassagaweya friends of Dr. and Mrs. Coxe extend deepest sympathy in the death of their little son.

Mr. and Mrs. Wm. Abrey Chapman, Milton, visited at the home of her sister, Mrs. T. B. Wallace, last week.

Mr. Charles Mableson and family have moved to Hamilton.

Mr. David Shearer left for his home in Lawrence, Mass., last week, after spending a month at his uncle's, Mr. Kenneth MacLeod.

Mrs. John Bell has left her home in Nassagaweya and is visiting her friends before leaving for her new home in Kitchener, where she will live with her sister, Mrs. Wood.

Tena, the little daughter of Mr. and Mrs. T. B. Wallace, is recovering after illness of about three weeks.

The Nassagaweya Women's Institute held a box social in the hall at Brooksville on Monday evening. Proceeds in aid of the Red Cross fund.

Mr. Daniel Whitley held a very successful auction sale on Monday. Mr. R. J. Kerr was the auctioneer. Good prices were realized throughout.

A meeting of those interested in "Wool growers" and "Sheep raising" was held in the Township Hall, Brooksville, yesterday. The meeting was under the direction of the District Representive, Mr. W. F. Strong, and the Sheep Breeders' Association.

Wood sawing bees are the order of the day. Farmers are preparing for spring.

ERIN

Corp. Hill, who enlisted here in the 71st Battalion, has been seriously wounded in the left shoulder by a gun shot.

Mr. and Mrs. Jas. McCaig and son, Ransom, and Mr. and Mrs. A. W. McCarty, have returned to their home at Scotsguard, Sask.

Mr. Clarence Blackwood, of Edmonton, Alta., is visiting his parents, Mr. and Mrs. G. J. Blackwood.

There were 95 ladies present at the March meeting of the Women's Institute at Cooperly.

Mrs. Thomas J. Bush, mother of J. P. Bush, died at the home of her daughter in Buffalo, on the 8th inst. She was a native of Caledon and was in her 81st year. The remains were interred at Bellountain.

Mr. George Hardy, of the 4th line, Erin, spent last week with friends in Toronto. He has sold the farm he purchased last fall to Mr. Smart, of Milton, and has bought the well known, Thompson Farm from Thomas Fryer, who went out it last fall. Mr. Fryer has bought 100 acres from F. A. Haddall, of Nassagaweya.

FROZEN TO DEATH IN ROCKWOOD

Clarence Stull Found Dead In His Chair, Where He Had Been Several Days

On Tuesday morning John Stull, of Guelph, who had been in the west for several months, went to Rockwood to visit his brother, Clarence, who was living there alone. About noon when he entered the house he was amazed to find his brother sitting in a chair beside the stove frozen stiff. He had evidently been dead several days.

Deceased was a single man about fifty years of age. He kept himself much aloof from his neighbours and this accounts for the fact that he was not sooner discovered.

MR. COLEMAN HAS RESIGNED

The Very Efficient School Janitor for Nine Years Leaving Acton

The resignation of J. S. Coleman, janitor of the Public and High Schools for the past nine years, has resigned, the resignation to take effect in a month. Mr. Coleman has decided to remove to Hamilton, Mass.

The Chairman called a meeting of the Board of Education on Tuesday evening to take action on the matter.

The Secretary read the resignation, in which Mr. Coleman gratefully acknowledges the kindness and forbearance of the successive Boards during his term of service.

Moved by John Kenney, seconded by Robt. McPherson, and resolved that this Board has received with much regret the resignation of Mr. John S. Coleman, who has fulfilled the duties of janitor of the school for nearly nine years. Very reluctantly we accept this resignation, as we are well aware in the removal of Mr. Coleman we are losing a most efficient, conscientious and satisfactory officer of the School. We appreciate very fully the splendid services Mr. Coleman has rendered during his long term in office and we wish him every success and comfort in the new home to which he proposes removing.

Moved by John H. Kennedy, seconded by John Kenney, and resolved that the Secretary be and is hereby instructed to advertise for applications for the position of janitor at the salary of $600 per year, duties to commence April 16th, 1917, applications to be received up to March 30th.

The Board adjourned to meet on Monday evening, 2nd April, to consider the applications that may be received.

PRICES FIFTY YEARS AGO

Some Higher, But Many Lower, Than Family Provisions Cost To-day

" 17—	" 1 bar Soap	.20
" 17—	" 2 pairs boy's Boots	3.35
" 17—	" 31 Eggs	.23
" 17—	" 1 Broom	.40
" 17—	" 1 oz. Lemon Peel	.02½
		$7.36½

Received Payment,
CHARLES T. HILL.

Women Once Invalids

Now in Good Health Through Use of Lydia E. Pinkham's Vegetable Compound. Say it is Household Necessity. Doctor Called it a Miracle.

All women ought to know the wonderful effects of taking Lydia E. Pinkham's Vegetable Compound even on those who seem hopelessly ill. Here are three actual cases:

Harrisburg, Penn.—"When I was single I suffered a great deal from female weakness because my work compelled me to stand all day. I took Lydia E. Pinkham's Vegetable Compound for that and was made stronger by its use. After I was married I took the Compound again for a female trouble and after three months I passed what the doctor called a growth. He said it was a miracle that it came away as one generally goes under the knife to have them removed. I never want to be without your Compound in the house."—Mrs. FRANK KNOBL, 1642 Fulton St., Harrisburg, Penn.

Hardly Able to Move.

Albert Lea, Minn.—"For about a year I had sharp pains across my back and hips and was hardly able to move around the house. My head would ache and I was dizzy and had no appetite. After taking Lydia E. Pinkham's Vegetable Compound and Liver Pills, I am feeling stronger than for years. I have a little boy eight months old and am doing my work all alone. I would not be without your remedies in the house as there are none like them."—Mrs. F. E. YOST, 611 Water St., Albert Lea, Minn.

Three Doctors Gave Her Up.

Pittsburg, Penn.—"Your medicine has helped me wonderfully. When I was a girl 18 years old I was always sickly and delicate and suffered from irregularities. Three doctors gave me up and said I would go into consumption. I took Lydia E. Pinkham's Vegetable Compound and with the third bottle began to feel better. I soon became regular and I got strong and shortly after I was married. Now I have two nice stout healthy children and am able to work hard every day."—Mrs. CLEMENTINA DURRANNO, 34 Gardner St., Troy Hill, Pittsburg, Penn.

All women are invited to write to the Lydia E. Pinkham Medicine Co., Lynn, Mass., for special advice.—It will be confidential.

"MAPLEHURST"

Now on The Market

Halton Teachers and Their Salaries

The Inspector's report just issued shows that there were 113 teachers in this inspectorate which includes a part of Wentworth County. Of these only 7 were male teachers. All teachers were fully qualified, 7 holding First class certificates and the remainder Second Class. The enrolment shows a decrease of 182 pupils in Halton as compared with 1916, the total being 4331. The average attendance is correspondingly decreased. The chief factor in this reduced numbers is the removal from the county of families of soldiers and munition-workers. Salaries are slightly increased, the figures being: for male teachers in rural schools $625, an increase of $25, for female teachers in rural schools $500, an increase of $34, for male teachers in urban schools $1000, an increase of $25, for female teachers in urban schools $390 an increase of $13. Throughout the inspectorate the average salary to male teachers was $874, and for female teachers $601. Considerable new equipment has been added, largely made up of library additions, the total value in Halton being $505.

It will cost you Nothing
