HIS FIRST PUPPY-LOVE

Come, wake up, mother—listen! Don't crack the bed! Don't peep! For our boy's room door is open, and he's talking in his sleep. "I used to have that habit as a little chap, you know; but we thought he'd long out-grown it, for that's many years ago. Did I hear him saying 'Hiss!'? I presume one of the girls. What, that little one of Bentley's, with the freckles and the curls? Ah, now he's talking plainly—why, we'll have to get the rope, for he's talking of a cottage and of dropping out of school!"

"A job in Bingham's Hardware—twenty-five a month he pays—we can live on that much, Hazel, and I've found to get a mink—we can rent a furnished cottage for eighteen a month or so—that leaves seven for coal and groceries—we can easily make it go—we won't take our trip till summer, for I'll have my raise by then—now don't talk of waiting longer—now don't put it off again!"

Did you catch his meaning, mother? Yes, it's puppy-love; I know! It's no fatal to the kiddie—boys have always had it; but I'm thinking of him, mother, when he had his little bed-sit where dad could reach his hand out to the curly little head. One night, don't you remember, when he'd eaten too much pie? "It's a pie to love 'oo, daddy, and 'oo, mummy, till I die, and we'll allus live together!" No, we shouldn't make a fuss; but to-night 'twas all for Hazel—not a single word for us! Try to sleep again now, mother; let us not become so sad; this must always be expected by the mother and the dad!

Children Cry FOR FLETCHER'S CASTORIA

It Will Cure a Cold.—Colds are the commonest ailments of mankind and if neglected may lead to serious conditions. Dr. Thomas' Electric Oil will relieve the bronchial passages of inflammation speedily and thoroughly and will strengthen them against subsequent attack. And as it eases the inflammation it will stop the cough because it allays all irritation in the throat. Try it and prove it.

SOURCE OF AFFECTION

The sympathetic visitor to the jail saw that one of the prisoners had a rat in his possession. "Ah, you have a rat, I see," he said blandly.

"Yes sir," said the prisoner. "I feed him every day. I think more of that rat than any other living creature."

That reply pleased the visitor immensely. "In every man," he said, "there is something of the angel left if one can only find it. How came you to take such a fancy to a rat?"

"Cos he bit the jailer."

YOU CAN CURE CONSTIPATION
BY THE USE OF **Milburn's Laxa-Liver Pills.**

A free motion of the bowels daily should be the rule of everyone, for if they do not move regularly constipation is sure to follow, and bring in its train many other troubles when the bowels become clogged up.

Mrs. Emma E. McLansan, Halifax, N.S., writes: "I am now 20 years of age, and since I was 10 I have been greatly troubled with constipation, so much so that at times I would be in bed 3 or 4 days a month. I tried all the old-fashioned remedies, castor oil, cascara, etc., with only temporary relief until my sister-in-law gave me some of Milburn's Laxa-Liver Pills. From the first they seemed beneficial, and I gave them a fair trial. This was two years ago, and with an occasional dose I have kept entirely free from constipation for the period mentioned."

Milburn's Laxa-Liver Pills are 25c a vial at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

PRAYER.
Communication with his Maker by prayer is the highest function in which man can be engaged because it exercises the highest faculties of the soul with the intellect and the will. It is the channel of heavenly choicest blessings. It excludes no one. It embraces all in the circle of its beneficence. It gives us access to our Heavenly Father at all times, in all places, and in all circumstances. It is our spiritual bread and our spiritual life. It is the key to the gates of heaven and the door to the throne of God. It is the life of the soul and the power of the world.
—Cardinal Gibbons.

Lydia E. Pinkham's Vegetable Compound Helped Her.

West Danby, N. Y.—"I have had nervous trouble all my life until I took Lydia E. Pinkham's Vegetable Compound. It cured me of all my troubles and made me out in good shape. I work nearly all the time, as I live on a farm and I have four girls. I do all my sewing and take care of my household. Their help, so it shows that I stand it real well. I took the Compound when my ten year old daughter came and it helped me a lot. I have also had my oldest girl take it and it did her lots of good. I keep it in the house all the time and recommend it."

So Bad With Kidneys Would Faint Away.
DOAN'S KIDNEY PILLS CURED HER.

Mrs. Albert Williams, Adam, Sask., writes: "I have the greatest pleasure in telling you what Doan's Kidney Pills did for me."

Ten years ago I was so bad with my kidneys that I would faint away and could not stand to do anything. I had been that way for two years, and had done all I could, but did not get any better until one day some one put a little book in our door, and I saw how another young girl had suffered like I was then, so I thought I would try them. I saw plainly that after taking four bottles I have never had the same thing again, thanks to Doan's.

Doan's Kidney Pills are the original for all kidney troubles. They are put up in an oblong grey box, and bear the trade mark of a "Maple Leaf." See that you get "Doan's" when you ask for them.
