With presence of mind she threw off the burning garment and, though severely burned, escaped more serious injury. The house caught fire and the fire brigade had to be called to extinguish the flames.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts thru the Blood on the Mucous Surfaces of the System. One Hundred Dollars reward is offered for any case that Hall's Catarrh Cure fails to cure. Send for circulars and testimonials.

NEWS OF LOCAL IMPORT

Ensilage Corn—10 feet, 3 inches

A very fine sample of ensilage corn was brought to this office last Saturday by Mr. Thomas Rogerson of lot 24, con. 4, Esquesing. The cornstalk measured 10 feet, 3 inches, and was well eared. It is of the No. 7 Wisconsin variety.

$546.70 for Y. M. C. A. Military Service

Mr. L. B. Sherry, manager Merchants Bank, local treasurer, has just received a letter from the Military Service Department of the Young Men's Christian Association acknowledging receipt of $546.70 as Acton's latest contribution to this important fund.

Hardly Loyal to the Local Man

Because the Erin Advocate asked necessary war prices for the printing for the coming Fall Fair the directors sought for an outside printer who would cut the price under the Advocate's estimate. That printer was found in Orangeville and naturally the Advocate man feels sorely. The directors can hardly expect the local paper this year to give the usual generous support of the fair week after week until it is over and then devote a page of space to publishing the prize list.

Stewarttown Chopping Mill Burned

Shortly after midnight on Friday morning the chopping mill of Walter Lawson at Stewarttown was discovered to be on fire. The building, machinery and contents included all the machinery, a car load of oats delivered a few days before, a quantity of flour and feed. The planning mill in connection, run with same water power, was also destroyed. Unfortunately Mr. Lawson carried no insurance on the building or contents. The original mill was destroyed by fire nine or ten years ago.

Sunday School Pic-nic at the Park

The Methodist Sunday School pic-nic will be held to-morrow afternoon, leaving the church lawn at two o'clock. Owing to difficulty in making satisfactory arrangements for electric cars the pic-nic will be held in the park. Last year's pic-nic there will be remembered as most enjoyable and largely attended. There will be games and races, and automobiles will give the kiddies pleasure on the park driveway. The invitation extended by the school is broad, the only requirement being that adults take baskets of good things.

Another County By-law Defective

The solicitors for the purchasers of the $74,000 of County of Halton good roads debentures, advised the County Council that they could not approve of By-Law No. 423, authorizing the issue of the debentures, in the form in which it was passed. The difficulty arose from the exemption of the townships of Nassagaweya and Esquesing and towns of Milton and Oakville from the levy on the by-law. The County Council decided to instruct Barrister Dick to make the application to the Ontario Railway and Municipal Board to validate the By-law.

An American Soldier's Visit

A splendidly-built soldier in American Sergeant's uniform was seen on our streets last week. He was admired for his stalwart appearance and soldierly bearing. Few of his boyhood's friends recognized him as the lad Sydney Smith, who a few years ago spent his summers with his grandmother, Mrs. C. S. Smith at Fairview. He is now Sergt. C. H. S. C. Smith, of F. Co., 107th Regiment, of Texas, of the United States Army. Sergt. Smith spent a few days with Mrs. Smith, and then returned to his training camp in Texas. He hopes shortly to go overseas to participate in the great contest.

Minister Ordered to Leave Canada

Rev. Frederick Heddon, pastor of the Disciples Church at Erin Village, was charged in the Police Court at Guelph on Saturday with using seditious language. Mr. Heddon's counsel and the lawyer for the prosecution had a lengthy conference before the case was called and the defendant's counsel guaranteed if the charge was dropped that his client would leave the country within a week. This was agreed to and the Magistrate dismissed the case. A number of prominent citizens of Erin were in the court and stated that the feeling in Erin against Mr. Heddon is very bitter.

Brampton Won From Acton

A hotly contested baseball match was played on Saturday afternoon between Brampton and Acton. At the eighth innings Acton was three runs ahead, but through one or two unfortunate errors the home team fell down at this point and Brampton took the lead and maintained it. The score was 16-15. The players were: Brampton,— Kanow, Walrick, Gill, Sweeney, Davis, Warr, Byrns, Beecham and Furlong. Gill, Furlong and Warr composed the Battery. The Acton line-up was:—S. Edmonds, C. Lalahman, R. M. McDonall, B. Clark, F. Wilds, H. Kennedy, R. McLeod, G. Agnew and G. Hynds. G. Hynds was pitcher and H. Kennedy and G. Agnew, catchers. Mr. Ed. Ryder umpired the game.

Good Citizens Removing to Galt

Business interests have developed which render it desirable for Mr. D. M. Henderson that he locate in Galt. He has disposed of his fine residence on Bower Avenue to Dr. J. A. McNiven and will shortly remove with his family to the Canadian Manchester. The removal of Mr. and Mrs. Henderson will be keenly felt by many friends. Acton was Mr. Henderson's birthplace and here he has spent his active life. His business activities have given him a wide acquaintance and he has always been one of our most popular citizens. Both Mr. and Mrs. Henderson have been active workers in Knox Church and in our patriotic and Red Cross enterprises and their removal will create a distinct loss in this community. Kenneth and David will also be missed by their companions.

Quietly Wedded Last Week

A quiet wedding was celebrated on Wednesday of last week when Miss Sadie Louise Turton, daughter of late William and Sarah Turton, became the wife of Pte. Isaac Brock Weadge, of the Officers Mess, Camp Borden. The ceremony was conducted by Rev. R. H. E. Largo, B.A., at the home of the bride, Willow Street. Owing to the recent decease of the mother of the home there were no outside friends invited. The bride wore the orange blossoms which were worn by her mother at her wedding in 1869. A unique present to the bride from the groom was the gold sovereign presented to Pte. Weadge recently by Nassagaweya Township where he had enlisted. Pte. and Mrs. Weadge went on a short motor tour after the ceremony. The soldier groom returned to his duties at Camp Borden on Monday.

REV. DR. McCOBBIE'S SON KILLED

Met Violent Death at Hamilton where he was in Medical Practice

Dr. McRobbie, of Hamilton, son of Rev. Dr. McRobbie, Presbyterian minister at Tansley, in Nelson township, was found lead at the plant of the Crescent Oil, Co., Hamilton, on Sunday night.

When found Dr. McRobbie was lying flat on his back on the floor, his head resting on two long stool bars, and blood was in profusion about the body.

Three men, Smith, McAuliffe and Scott, who were taken into custody by Detective Hayer early Monday morning, are held as material witnesses. They appeared before Magistrate Jelfs Tuesday morning, and were remanded for one week without bail.

Dr. McRobbie was 43 years of age and leaves a widow and two small children. He was born at Victoria Harbor. He graduated in arts in 1896 and in medicine in 1899. He had resided in Hamilton for nine years and was one of the most prominent of the city's younger physicians. His father, is Rev. Dr. McRobbie, of Nelson Presbyterian Church, and a sister is Mrs. J. W. Garrett, Westmount Avenue, Toronto.

CREWSONS CORNERS

The Ladies Aid will meet at the home of Mrs. W. Dennis, the last Thursday in the month.

Miss Robie McDowell, Toronto, visited her cousin, Miss Isabella Watkins, last week.

Miss Ethel Kingsbury, Eden Mills, visited at her brother's, Mr. E. J. Kingsbury's, last week.

Mr. and Mrs. M. Lambert, Acton, visited friends here on Sunday.

Mrs. S. Cordiner and Dorothy, Acton, visited at Mr. T. P. Watkins' one day last week.

Alvena Kingsbury, Eden Mills, spent a few days at her uncle's, Mr. Edward Kingsbury's last week.

Since the news of the exploiting of oil wells at Rockwood by the Standard Oil Co. a renewed interest in the Crewsons Corners oil well is manifest.

Boy Scouts Invited to the Exhibition

Acton Troup of Boy Scouts with their bugle band have been invited to parade before the Governor General, the Duke of Devonshire, at Toronto Exhibition next Tuesday, 28th inst. They expect to attend. The Troop will be in charge of Scoutmaster Harwood and Assist. Scoutmaster Savage, and the bugle band will be in charge of Scoutmaster N. F. Moore.

Smith Trophy Tournament To-day

The annual tournament in which Acton, Brampton, Erin and Georgetown Bowling Clubs compete for the Smith trophy, will take place to-day on Acton Bowling Green. The trophy has been won the past two years by R. Elliott's rink, of Brampton, and inasmuch as the rules governing the trophy make it the permanent property of the rink which succeeds in winning three years in succession, the contest today will be unusually keen.

Thunderstorm at Milton Last Week

The town was visited Tuesday afternoon with an electric storm of unusual violence. The rain that accompanied it was of a torrential character and quickly flooded the streets, the water backing up and flooding the cellars of two or three stores opposite the post office. The water soon got away and things speedily resumed their normal condition. In one terrific crash a bolt of lightning struck the corner of Mr. F. J. Martin's house and ripped off some of the cornice. The transformer at the carpet factory was set on fire during the storm.—Reformer.

Happy Family Re-Union

A delightful family gathering was held at the home of Mr. and Mrs. N. F. Lindsay on Monday when Mrs. Lindsay's father and mother, Mr. and Mrs. Richard Graham, Ex.-Warden, of Georgetown, and all their sons and daughters and their children participated in the happy event. The company numbered thirty-two and included: Mr. and Mrs. Edward Huffman and daughter, Ashgrove; Mr. and Mrs. N. F. Lindsay and five sons and daughters, Acton; Mr. and Mrs. John Graham and three daughters, Ashgrove; Mr. and Mrs. J. E. Haines, and three children, Toronto; Mr. and Mrs. G. W. C. Graham and one son, Toronto; Dr. and Mrs. W. J. Graham, Brooklyn, N. Y.; Mr. and Mrs. R. J. Graham and two children, Ashgrove. It is a matter of interest that there has never been a break in the family of Mr. and Mrs. Graham and all are enjoying health and prosperity. A feature of the day's pleasures was the securing of a family group picture.

Reception to Mr. and Mrs. Graham

On Wednesday of last week Mr. W. K. Graham Manager of the Bank of Nova Scotia was united in holy wedlock to Miss W. Ada Gardiner, daughter of Mr. Alex. Gardiner, of Walton. The wedding was a quiet one and took place at the home of the bride's parents. The ceremony was performed by Rev. Dr. Marsh, of Toronto, brother-in-law of the bride. The bride and groom were unaccompanied. After a brief honeymoon trip to Toronto, Mr. and Mrs. Graham arrived in Acton on Saturday. They will be at home in the pretty bungalow now being completed by Mr. Frank Sayers, on Knox Avenue, in about a month. On Monday evening the members of Walker Lodge A. F. & A. M. and their ladies tendered a very cordial reception to Mr. and Mrs. Graham. W. Bro. W. Mullin, W. M. was director of ceremonies. After Mr. and Mrs. Graham had been presented to those present brief addresses of congratulation and welcome to Acton were made by Bro. Rev. J. C. Wilson, B. A., Bro. H. P. Moore, J. P., W. Bro. D. M. Henderson, W. Bro. John R. Kennedy, W. Bro. Dr. J. A. McNiven, and Bro. J. W. L. Hampshire. Felicitous words were spoken and best wishes to the bride and groom expressed. Bro. Harold Wildgust sang several appropriate solos, Mrs. A. T. Brown gave a splendid reading, Miss May Wildgust contributed a well-rendered piano number, and W. Bro. John Wood gave enjoyable gramophone selections. A dainty luncheon was served by the ladies of the Masonic brethren.

NOT ENOUGH CHILDREN

ever receive the proper balance of food to sufficiently nourish both body and brain during the growing period. This is shown in so many pale faces, lean bodies, frequent colds and lack of ambition.

All such children need Scott's Emulsion, and need it now. It possesses in concentrated form the very food elements to enrich their blood. It changes weakness to strength; it makes them sturdy and strong.

"INTOLERANCE" AT TORONTO

During the period of the Toronto Exhibition D. W. Griffith's great $2,000,000 film play "Intolerance" will be shown daily at Massey Hall. This is said to be the world's greatest film picture. The colossal spectacle has achieved a triumph of art which is magnificent. 125,000 people fill its scenes, 7,000 horses, 1,500 chariots and backgrounds of such cities as Babylon, Jerusalem, Paris, and others of America. The fact that W. Cranston, manager of Griffith's "Birth of a Nation," now offers this great spectular attraction, is sufficient guarantee of its excellence.

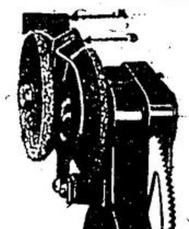
What About Your Knives and Shears?



If you use knives and shears about the house at all, (and what housewife does not?) they must be looked after the same as other tools. A mechanic wouldn't think of working with a dull tool, or a surgeon attempted an operation, without first seeing that his instruments are in shape. Why should you lose time and temper with a dull kitchen knife, or any other kind of knife, when you can keep them in order YOURSELF with one of our Quickedge Sharpeners?

What does it cost you to have just one pair of shears and a couple of knives sharpened—say, a butcher knife and a common table knife? Or, maybe you have a big cumbersome grindstone at the back, where you try to put a keen edge on your household tools, and wonder why you can't make a good job of it.

The Quickedge Sharpener fastens tight, by a thumbscrew, to the table, or may be clamped to a ledge in some out-of-the-way place. It is not only simple, it is virtually automatic. Just move the knife back and forth between the guides, and you do not need to even look at the machine while turning the crank. Hold your knife in the machine—not ten minutes, but ten seconds—and you have a perfectly sharp edge. Both sides of the edge are ground at once—automatically drawing blade to proper bevel for daily household use. Could anything be more convincing? Is talking needed?

The frame of the machine is of tough, indestructible gray iron casting, designed to provide strength and stability wherever needed, but with all unnecessary weight avoided, so that the machine is light and easily handled by a woman or child. The complete weight of the machine is just slightly less than two pounds. The grinding wheels are practically indestructible, and are guaranteed to wear for ten years. All pinions, driving gears, front enclosing plate, bearing shafts, crank shaft, crank, shear and knife guides, etc., are of finest cold rolled steel throughout—a description that needs no further argument. The entire machine, excepting the grinding wheels, is finished in high grade enamel, oven baked, and presents a handsome appearance.

The price of the machine is only a dollar and fifty cents, and is worth its weight in gold. If you don't think so, simply return it and get your money back. Our many satisfied customers is proof of what we say, and we know that after you have enjoyed its pleasure, its quality, its efficiency, its economy and durability, you will endorse as they.
