The products will be sole at auction ; and the returns of full acres of wheat, corn, cats or other crops will represent a very high average of contribution for these Minnesota farmers.

"Each contributor was furnished with a large card bearing the Red Cross in the center and these words :

" 'We are growing crops to be denated to the American Red Cross. Member o Washington County l'atriotic Longue." "These cards I saw posted on the road in front of many farms, giving striking visual evidence of the interest aroused."

## Milburn's Laxa-Liver Pills.

A free motion of the bowels daily should be the rule of everyone, for if they do not move regularly constipation is sure to follow, and bring in its train many other troubles when the bowels become clogged up.

Miss Emma E. I tried all the old fashioned remedies, castor oil, cascara, etc., with only temporary relief until my eister-inlaw gave me come of Milburn's Laxa-Liver Pills. From the first they seemed beneficial, and I gave them a fair trial. This was two years ago, and with an occasional dose I have kept entirely free from constipation for the period men-
