EDITORIAL NOTES

THE PUBLICATION of the King's Proclamation calling up Class One under the Military Service Act, which appears in this and all other newspapers in Canada this week, brings Canada to the serious business of enforcing the selective draft. Cheerful and ready compliance with the conditions of the call is a duty upon all Canadians affected. In this testing time of national character our men at the front have nobly upheld Canada's fair name, spreading far and wide new impressions of their virility. The young men in Class One, are of the same breed as the men at the front. That they will exhibit as true a loyalty and as high a sense of responsibility as Canada's army overseas there is every reason to expect. The national honor requires adequate reinforcements for our men at the front, and the selective draft is the fairest, quickest way to secure it.

BESIDES the military organization our Dominion maintains overseas, Canada keeps up a considerable establishment at home. Coast defences have to be looked after at Halifax, Sydney, Quebec, St. John, and Esquimault. Again, Canada has the duty of guarding at home internment camps, railway bridges, etc., requiring a large number of men, besides hospitals and camps. In addition to this, there is in home waters the Canadian Naval Service, which since war began has absorbed 5,300 Canadians as officers and men, with its associated services all under direct Canadian control. Although far removed from the central seat of war, Canada is under the necessity of keeping up a healthy military organization at home because this is a world war and, in its many ramifications, may raise its horrid head from any point of the compass. The first guarantee of efficient activity at the front is efficient organization and perfect order at home.

CANADA has a Liberal-Conservative government now in fact as well as in name. The new Union Government is a far-flung stride in the effort of our country to effectively do her full quota in winning the work. We have now a government representing the country, the whole country, and with a mandate from the country to consolidate and conserve all interests and resources for a definite and distinct aim. Politics, political influences and party interests have at last been shoved to the background and the undivided attention of our representatives in parliament will now be expected to be given to the momentous matter of transacting the business of the country and advancing the interests of our military necessities without any consideration of party supporters and their profits and preferments. Canada has entered upon a new era. The strong personnel of the Union Government is a splendid assurance that there will be a vigorous and intelligent handling of the many-sided problems of the war and of the country's public issues.

CANADA and the United States will probably be able to provide for the Allies' requirements of cereals other than wheat, during the next twelve months. The Allied peoples themselves have been economizing with wheat and wheat flour. As Lord Northcliffe said in Montreal, "There is no such thing as white bread in the Old Country, from the king's table downwards." Other cereals are being used but they cannot be used alone for bread. The Allies must add them to wheat flour to make the war bread now in universal use in European countries. The Allies must have a wheat flour basis for their war loaf. Unless the people of Canada and the United States are willing to substitute other cereals for part of the wheat flour which they normally consume, they will be denying even war bread to many thousands of people. Substitution of at least one pound of other cereals for one pound of wheat flour weekly, per-person, would save a very large quantity of wheat for export. It would still be far short of meeting the normal consumption requirements of the Allies but it would save the situation.

NASSAGAWEYA

It is passing strange, many people here think, that the Milton Game Warden should nab two or three amateur nimrods from Acton, when there were at least a score of Milton sports shooting over the mountain from Speyside around to Campbellville the same day. An examination of the contents of some of their motor cars would have revealed several surprising bags of game—and not all of it shot in open season either.

Messrs. Smith B. Nellis, and his brother, W. J. Nellis, Guelph, have bought Mr. John O'Connor's $10,000, 150 acre farm in Eramosa, near Oustic.

Mr. Frank P. Sayers will shortly remove with his family to Toronto. An auction sale of his household effects will be held on Wednesday afternoon, 24th inst. The removal of this estimable family from Nassagaweya is regretted by all.

CREWSONS CORNERS

The farmers are busy attending threshings and taking up their roots. Potatoes are an excellent crop this year.

Toronto people surely have the back-to-the-land idea, as Mr. W. Johnson, Toronto, has purchased Mr. Smith B. Nellis' farm. This is the third property purchased in this neighborhood recently by Toronto parties.

Mr. John McLean, Ballinafad, visited at Mr. John Burnside's last week.

DR. ANDERSON IS CHOSEN

As Conservative Nominee for the House of Commons

At the Conservative Convention at Milton on Tuesday, Dr. Anderson, of Milton, was given the nomination.

Max C. Smith, Burlington, and J. A. Willoughby, Georgetown, received liberal support.

Dr. Nixon would not accept a nomination under any conditions.

MILITARY NOTES

Mr. Ed. Ross received notice on Saturday that his son Pte. Ross had been wounded in action in France.

Pte. Augustus Large, who has been overseas since the spring of 1915, has been invalided home and will probably reach Acton in a few days.

Lieut. J. G. Kennedy, son of Mr. L. Kennedy, Georgetown, was severely wounded by gunshot in shoulder and neck. He is now in hospital in France.

Capt. Wm. Kenney, R. V. S., son of W. R. Kenney, J. P. is now in Palestine and expects shortly to reach Jerusalem with the British forces now in the far east.

A letter from Bugler Bobby Stewart on Monday, from Witley Camp said that Pte. Kipling Puffer, who went overseas with the 234th Batt., is now in France and is a bomb thrower.

Lieut. J. A. MacKay, of the Royal Flying Corps, son of Mr. J. MacKay, Oakville, has been reported killed in action. His brother, Capt. D. R. MacKay, was killed in November, 1915. A third son is overseas with the Flying Corps.

A letter from Mrs. Thos. Alger, Toronto, says: Pte W. Alger, who was wounded some time ago and spent several months in English hospitals, is back at the front in France. Pte. Charles, brother of Mrs. Alger, has been seriously wounded at the front.

Pte. Joe Fry, a Glen hero, was given a royal reception last Friday on his return home from the trenches. He was met by the Glen band and hundreds of citizens who escorted him to his home where Dr. A. W. Nixon, M. P. P., in a splendid address welcomed the returned soldier.—Herald.

Mrs. Thomas Marsh received a letter on Monday from her brother, Pte. George Green, who is in the Duchess of Connaught Hospital at Taplow, Eng. Pte. Green was gassed by the same shell as affected Pte. Fred Wright. It is remarkable that both of these brave boys enlisted together in Acton, have been together in the same company overseas, and in the trenches, and in all their experiences. This is their first serious casualty.

"THE BIRTH OF A NATION"

A few years ago the wildest dream of the most enthusiastic optimist would have scorned nothing short of lunacy if it predicted regular theatre prices, $1.00, 75c. 50c. for any picture show. But that is the scale set for "The Birth of a Nation", D. W. Griffith's massive spectacle, coming to the Town Hall, Acton, on Monday, 22nd inst. What is more, people clamour for tickets, and seem quite satisfied that this mightiest spectacle is worth much more than the price charged.

"The Birth of a Nation" has made such phenomenal records in London, New York, Chicago, Boston, Montreal and Toronto, that it surely has conspicuous merit. The newspapers have printed columns of laudatory notices such as have never before been given to any performance on the stage or otherwise. The Toronto Daily News of September 21st says:—"The Birth of a Nation" is, in simple truth and without qualification, "the most stupendous spectacle the mind of man has conceived." It is ten times bigger than the biggest circus. It has many times more tense dramatic action than "Ben Hur." It shows, as no other medium of expression can show, the fierce heats of war, political ambition and revenge.

The theme is the fortunes of the Stonemans of the North and the Camerons of the South, during the American Civil War, and the more terrible aftermath of the period of Reconstruction. Thomas Dixon's novel, "The Clansmen," is the basis of the story.

From the beginning the film battle scenes appear. In vigor, in numbers, in conception, they are nothing short of amazing. Some glimpses of the devilteries of war appear, and the whole thing seems so earnest that one cannot believe that it is only a pageant. It unfolds in 18,000 feet of film the thrilling romance of the War between the States and the Reconstruction of the Southland. Some idea of its magnitude may be had from the facts that 18,000 actors and 3,000 horses took part and that the staging of this great "outdoor" drama cost half a million dollars.

BALLINAFAD

Anniversary services were held in the Presbyterian Church last Sunday. Rev. R. F. Cameron, of Georgetown, conducted the services both morning and evening. Miss Hawkins, of Toronto, assisted the choir and in the evening she sang two solos.

Miss Lillian Campbell, of Toronto, visited her parental home over the week-end.

Miss Myra Vanatter, of Toronto, spent a couple of weeks at the old home here.

Miss Luella Nickell, of Limehouse, is spending a few days with Miss Jean Rozzel.

CANADA

GEORGE the FIFTH, by the Grace of God, of the United Kingdom of Great Britain and Ireland and of the British Dominions beyond the Seas, King, Defender of the Faith, Emperor of India.

To all to whom these presents shall come, or whom the same may in anywise concern—GREETING:

A Proclamation calling out the men comprised in Class 1 as described by the Military Service Act, 1917.

E. L. Newcombe.

The Deputy Minister of Justice, Canada

WHEREAS it is provided by our Militia Act of Canada, Revised Statutes of Canada, 1906, chapter 41, Section 69, that our Governor-General of Canada in Council may place our Militia of Canada, or any part thereof, on active service anywhere in Canada, and also beyond Canada for the defence thereof, at any time when it appears advisable so to do by reason of emergency;

And Whereas that part of our militia of Canada known as the Canadian Expeditionary Force is now engaged in active service overseas for the defence and security of Canada, the preservation of our Empire and of human liberty; and it is necessary owing to the emergencies of the war to provide reinforcements for our said Expeditionary Force in addition to those whose inclination or circumstances have permitted them to volunteer;

And Whereas by reason of the large number of men who have already left agricultural and industrial pursuits in our Dominion of Canada in order to join our Expeditionary Force as volunteers, and by reason of the necessity of maintaining under these conditions the productiveness or output of agriculture and industry in our said Dominion, we have determined by and with the advice and consent of our Senate and House of Commons of Canada that it is expedient to secure the men so required, not by ballot as provided by our said Militia Act, but by selective draft; such re-enforcement, under the provisions of the Military Service Act, 1917, hereinafter referred to, not to exceed one hundred thousand men;

And Whereas it is accordingly enacted in and by the provisions of an Act of our Parliament of Canada, holden in the 7th and 8th years of our reign, and known as the Military Service Act, 1917, that every one of our male subjects who comes within one of the classes described and intended by the said Act shall be liable to be called out on active service in our Canadian Expeditionary Force for the defence of Canada, either within or beyond Canada; and that his service shall be for the duration of the present war and demobilization after the conclusion of the war;

And Whereas the men who are, under the provisions of the said last mentioned Act, liable to be called out, are comprised in six classes of which Class 1 is, by the provisions of the said Act, defined to consist of all our male subjects, ordinarily, or at any time since the 4th day of August, 1914, resident in Canada, who have attained the age of twenty years, who were born not earlier than the year 1883, and were on the 6th day of July, 1917, unmarried, or are widowers but have no child, and who are not within any of the following enumerated

EXCEPTIONS:—

1. Members of our regular, or reserve, or auxiliary forces, as defined by our Army Act.
2. Members of our military forces raised by the Governments of any of our other dominions or by our Government of India.
3. Men serving in our Royal Navy, or in our Royal Marines, or in our Naval Service of Canada, and members of our Canadian Expeditionary Force.
4. Men who have since August 4th, 1914, served in our Military or Naval Forces, or in those of our allies, in any theatre of actual war, and have been honourably discharged therefrom.
5. Clergy, including members of any recognised order of an exclusively religious character, and ministers of all religious denominations existing in Canada at the date of the passing of our said Military Service Act.
6. Those persons exempted from military service by Order in Council of August 13th, 1873, and by Order in Council of December 6th, 1898;

And Whereas it is moreover provided by our said Military Service Act that our Governor-General of Canada in Council may from time to time by proclamation call out on active service as aforesaid any class of men in the said Act described, and that all men within the class so called out shall, from the date of such proclamation, be deemed to be soldiers enlisted in the military service of Canada and subject to military law, save as in the said Act otherwise provided; and that the men so called out shall report and shall be placed on active service in the Canadian Expeditionary Force as may be set out in such proclamation or in regulations; but that they shall, until so placed on active service, be deemed to be on leave of absence without pay;

And Whereas it is also provided by the said Act that at any time before a date to be fixed by proclamation an application may be made, by or in respect of any man in the class to be called out, to one of our local tribunals established in the manner provided by the said Act in the province in which such man ordinarily resides, for a certificate of exemption from service upon any of the following

GROUNDS OF EXEMPTION:—

(a) That it is expedient in the national interest that the man should, instead of being employed in military service, be engaged in other work in which he is habitually engaged;

(b) That it is expedient in the national interest that the man should, instead of being employed in military service, be engaged in other work in which he wishes to be engaged and for which he has special qualifications;

(c) That it is expedient in the national interest that, instead of being employed in military service, he should continue to be educated or trained for any work for which he is then being educated or trained;

(d) That serious hardship would ensue, if the man were placed on active service, owing to his exceptional financial or business obligations or domestic position;

(e) Ill health or infirmity;

(f) That he conscientiously objects to the undertaking of combatant service, and is prohibited from so doing by the tenets and articles of faith in effect on the sixth day of July, 1917, of any organized religious denomination existing and well recognized in Canada at such date, and to which he in good faith belongs;

And that if any of the grounds of such application be established, a certificate of exemption shall be granted to such man.

And Whereas moreover it is enacted in and by the provisions of an Act of our Parliament of Canada holden in the 7th and 8th years of our reign and known as the War Time Elections Act that certain persons thereby disqualified from voting with such of their sons as on polling day are not of legal age, shall be exempt from combatant military and naval service;

And Whereas it is further provided by our said Military Service Act that applications for exemption from service shall be determined by our said local tribunals, subject to appeal as in the said Act provided, and that any man, by or in respect of whom an application for exemption from service is made, shall, so long as such application or any appeal in connection therewith is pending, and during the currency of any exemption granted him, be deemed to be on leave of absence without pay;

And Whereas our Governor-General of Canada in Council has determined to call out upon active service as aforesaid the men included in Class I, as in the said Act and hereinbefore defined or described;

Now Therefore Know Ye that we do hereby call out the said Class I, comprising the men in our said Military Service Act, 1917, and hereinbefore defined or described as to the said class belonging, on active service in our Canadian Expeditionary Force for the defence of Canada, either within or beyond Canada, as we may, in the command or direction of our Military Forces, hereafter order or direct.

And we do hereby strictly command, require and enjoin that each man who is a member of the said class shall, on or before the 10th day of November, 1917, in the prescribed form and manner, report himself for military service, unless application for his exemption shall then have been made by him or by another person entitled to apply on his behalf; wherein our loving subjects, members of the said class, are especially charged not to fail since not only do their loyalty and allegiance require and impose the obligation of careful and implicit obedience to these our strict commands and injunctions, but moreover, lest our loving subjects should be ignorant of the consequences which will ensue if they fail to report within the time limited as aforesaid, we do hereby forewarn and admonish them that any one who is hereby called out, and who without reasonable excuse fails to report as aforesaid, shall thereby commit an offence, for which he shall be liable on summary conviction to imprisonment for any term not exceeding five years with hard labour, and he shall nevertheless, if we so require, be compelled to serve immediately in our said Expeditionary Force.

And we do hereby proclaim and announce that for the greater convenience of our subjects, we have directed that prescribed forms, for reporting for service, and for application for exemption from service, may, at any time on or before the said 10th day of November, 1917, be obtained at any post office in our Dominion of Canada; and that reports for service and applications for exemption from service, if obtained at any of our said post offices and properly executed, shall be forwarded by our postmaster at the post office from which the same are obtained to their proper destinations as by our regulations prescribed, free of postage or any other charge.

And we do further inform and notify our loving subjects that local tribunals have been established in convenient localities throughout our Dominion of Canada for the hearing of applications for exemption from service upon any of the statutory grounds, as hereinbefore set out; that those our local tribunals so established will begin to sit in the discharge of their duties on the 8th day of November, 1917, and that they will continue to sit from day to day thereafter, as may be necessary or convenient, at such times and places as shall be duly notified, until all applications for exemption from service shall have been heard and disposed of; also that men belonging to the class hereby called out who have not previously to the said 8th day of November, 1917, reported for service, or forwarded applications for exemption through any of our post offices as aforesaid, may make applications in person for exemption from service to any of our said tribunals on the 8th, 9th or 10th day of November, 1917.

And we do hereby moreover notify and inform our loving subjects who are within the class hereby called out, that if, on or before the 10th day of November, 1917, they report themselves for military service, or if, on or before that day, application for exemption from service be made by them or on their behalf, they will not be required to report for duty, or be placed upon active service as aforesaid, until a day, not earlier than the 10th day of December, 1917, which will by our registrar for the province in which they reported or applied be notified to them in writing by registered post at their respective addresses as given in their reports for service, or applications for exemption from service, or at such substituted addresses as they may have respectively signified to our said registrar; and we do hereby inform, forewarn and admonish the men belonging to the class hereby called out that if any of them shall, without just and sufficient cause, fail to report for duty at the time and place required by notice in writing so posted, or shall fail to report for duty as otherwise by law required, he shall be subject to the procedure, pains and penalties by law prescribed as against military deserters.

Of all of which our loving subjects, and all others whom these presents may concern, are hereby required to take notice, rendering strict obedience to and compliance with all these our commands, directions and requirements, and governing themselves accordingly.

In Testimony Whereof We have caused these Our Letters to be made Patent, and the Great Seal of Canada to be hereunto affixed. WITNESS: Our Right Trusty and Right Entirely Beloved Cousin and Counsellor, Victor Christian William, Duke of Devonshire, Marquess of Hartington, Earl of Devonshire, Earl of Burlington, Baron Cavendish of Hardwicke, Baron Cavendish of Keighley, Knight of Our Most Noble Order of the Garter; One of Our Most Honourable Privy Council, Knight Grand Cross of Our Most Distinguished Order of Saint Michael and Saint George; Knight Grand Cross of Our Royal Victorian Order; Governor-General and Commander-in-Chief of Our Dominion of Canada.

At Our Government House, in Our City of OTTAWA, this TWELFTH day of OCTOBER, in the year of Our Lord one thousand nine hundred and seventeen, and in the eighth year of Our Reign.

By Command,

Under-Secretary of State.
