A HARBINGER With yellow plume that note and bends In every breeze the routh winds sends. Bright Coldoured, a spendthrift fair, Shakes out her gold upon the air. When summer days are almost o'er. From out proud Autumn's toquitous store This harbinger fares forth to blaze In fields and woollands and highways.

What blushing roses are to June To Autumn Goldenrod a boon Bocomes. 'After with all her glow, Perchance because we love her so, This bumble flower her brightness lands To show the dying year has friends, And though the summer bloom is o'er Beauty for us is still in store.

SUFFERED WITH HACKING COUGH

The constant backing cough that sticks to you in spite of everything you have done to relieve it, is a source of danger." The longer the cough stays, the more

serious menace it is to your health. It is easy to check a cough at the outeet with Dr. Wood's Norway Pine Syrup. If you have let it run though, it takes a while longer to cure, but Dr. Wood's Norway Pine Syrup will cure it even then after other remedies have failed.

Mr. J. Henry Landry, South River, Burgeois, N.S., writes:—"I received such great benefit from Dr. Wood's Norway Pine Syrup that I cannot help expressing my thanks. I suffered with a hacking cough for over a month, and could not sleep at night. I used many kinds of remedies, but they didn't do me any good, until I used 'Dr. Wood's,' and found great relief right from the start.

I only used two bottles, and was com-

pletely cured. I will never be without it as long as I live." There are a number of substitutes on the market for Dr. Wood's Norway Pine Syrup, so when you ask for it see that it is put up in a yellow wrapper; three pine trees the trade mark; price 25c. and 50c., and that it bears the name, The T.
