A PROCLAMATION has been issued calling the relected men under the Military Service Act to the colors on January 3rd. It was eriginally hoped to call the first draft or active service by December 10th. It would probably be possible, it is pointed out here to make the call about December 24th o December 25th, but it is felt that the mem bers of the draft should be accorded the opportunity of spending the Christman sesson with their families and friends. Mn. Justica Durr's first judgment ren

dered as Central Appeal Judge for Canada on Docomber 7th, makes it quite clear that farm workers are entitled to exemption on the grounds that production must be maintained in order to sustain the military power of the Allies. This judgment o the appeal judge is binding as law upon appeal tribunals and local tribunals throughout the whole country. Another judgment by Justice Duff shows that exemption is favored for mon with all brothers already at the front or in service.

THE MILTON REPORMEN has been investi ating the potatoscarcity (!) in the vicinity of the county town and says : "We learn on good authority that farmors in this immediate section have tons of potatoes stored away and refuse to sell them at any price. Day after day the farmers appear before the Exemption Trillunal ion behalf of their sons and point out the great necess ity of producing, and argue that if their boys are taken production will be at standatill. Splendld Address by the Unionist Candidate-Interesting Meeting

of the Ladles LIBERAL UNIONISTS ON PLATFORM and two meetlogs here on Tuesday. It

Dr. Auderson, the Unionist candidate, the alternoon there was a gathering of the ladies of the town in the town hall whe were addressed by Mrs. Ormsby and Miss ang, of Toronto. The women's relation to the hauer before the electorate were interestingly presented.

The lady voters were carefully instructed n the details of marking the ballob and polling ramo. An organization was effected with a view to getting out the women's

The ovening moeting was well attended. Thoro was a long list of speakers which included two Liberal Unionists, Mosers. G. Tower Forguson, Tofonto, and Wardon Readboad, of Halton.

Dr. Andorson, in a clear, dispassionate addreges gaye a recume of the incidents which led up to his being in the position o Union candidate. He had been nominated by the Conservative Association of the county, but upon the formation of the Union Government had tendered his reely nation with a view to facilitating the election of a supporter of the Union Government in Halton by acclamation. He had favored the nemination and election of Hon. N. W. Rowell, K. C. President of the Cabinet, without a contest. His on ponent refused to rotire and the Liberal executive of the county had decided upon a hare majority, not to enter into the negoout for the single purpose of keeping faith with our soldiers in the field and of winning the war. He was receiving the support of leading Icherals throughout the county and had no doubt the Union Governmen would be sustained in Halton next Monday The doctor then proceeded in a clear an succinct manner to define the policy of the Union Government and the great need for prompt action in the securing of reinforce

Warden Roadhoad made a brief speech He said be had been a Liberal all his lil but felt that at the present crisis there was no other course for any conscientious elector to take but to vote for the candidates supporting the Union Government

Mr. George Tower Forgusson, of Toronte gave a capital address. In the past, he said, he had always been a Liberal and was a supporter of Sir Wilfrid Laurier. It this contest, however, he felt it to be ab solutely Ticcostary to drop party affiliations and give united support to the Union Government. Like many of those present members of his household are serving in the army. He has three sons there, and daughter, a nursing eleter, as well . As member of the executive which had the appervision of the Victory Loan subscriptions in Ontario he felt that it was imperi tive that the Union Government which had planned for the Victory Loan-in which Halton had done so splendidlyshould be returned to power, to use it is carrying out the plans for which it had been raised for aggressive measures i

winning the war. Major R. J. Hewton, of Sherbrooks Que., who was one of the defenders of the Unionist speakers in the recent attack in that city, created quite a stir when introduced by Roove Hynde, the chairman He came out of the melee with a broken nose and two black eyes; but said that the disturbers of the peace were finally subdued and that a quiet and orderly meeting was held by Unionist speakers the following evening. Major Hewton, who was born in the city of Quebec and has lived for many years in Sherbrooke, spoke strongly for the Union Government and said I would be a deplorable thing for Canada Quebec should succood in the present campaign in getting control of affairs at

Mr. J. R. Howitt, of Guelph, was the last speaker. He exhorted the audience in strong terms to stand by the soldiers at the front, and by voting for the Union Government ensure the prompt securing of the reinforcements so seriously peeded.

MR. GREGORY'S MEETING HERR Strong Addresses by the Laurier Liboral Candidate and Mr. R. T. Harding K. C.

A. J. MACKINNON ALSO SPOKE VERY EFFECTIVELY

It was unfortunate for the political mosting in Mr. Gregory's interests in the town hall on Monday evening that the Hydro power was off. The streets and the town ball were left in Jarkapes. A few coal oil lamps and lanterns were requisitioned, and those cast a dim light from the platform, Naturally the outhusiasm was damped by the dreary surroundings.

Mr. Gregory, who made a splendid speech was given a very respectful hearing as he presented his view of the questions of the day and presented his ples for election as a member of the House of Commons. He scored the Union Government right and left, and made generous promises as to what he would aim to accomplish when elected. He himself has a son at the front and, he says, is most anxious to win the

Mr. R. T. Harding, K. C., Toronto, made a rousing speech. He champiened the platform of Sir Wilfred Laurier and made a strong appeal for support for Mr.

The speech of the evening was, however, made by our own A. J. Mackinson, B. A. the chairman. In torse, effective phrases behalf of the members of the I. O. D. E. I he supported Mr. Gregory, made complimentary references to Bir Wilfrid Laurier, and declared he was quite satisfied that his attitude in the prosent contest is the surest course to maintain to win the war.
