DUBLIN

The new short-horn bull calf, "Royal Diamond," which "Hazel" and "Roy" & Son purchased at the recent sale at the Guelph Fat Stock Show, is much admired by those who have seen his fine animal. He was a year old in January and was raised by J. Black, the well-known and successful breeder of Aberfoyle. The measure was taken to insure for him a good and well-satisfied herd of short-horn.

Some of the fall wheat where the snow has gone off looks pretty brown. If last season's experience is repeated the crop will recover as the spring advances. The prospect now, however, are not reassuring.

MILTON

The union services continue in the Methodist Church, Inva. Draper and McKay preached alternately.

Pte. L. H. White, of the 154th Battalion, writing from England, says some of the soldiers have been out planting potatoes.

The heavy thaw of Tuesday caused the sixteen cows to go on the rampage again, flooding the hollow and again causing two or three families to leave their homes.

Lieut. Basil Morris Watson, son of Mr. H. M. Watson of Toronto, former manager of the bank of Hamilton, Milton, has been killed in action at the front.

ERIN

Contingency has sent in \$7.75 for the Halifax school for the 17th.
