Advance Autumn Modes

ITH the arrival of September, interest arrival and display of New Fall Garments. Fresh chic styles are replacing the lighter Summer fashions and the store is gradually assuming a decided "Fall-time" air.

Many lovely new fashions have been produced for the coming season and the best of them will be shown

. In spite of extraordinary conditions the styles prepared for Fall give promise of being more attractive than those of any season within memory.

Garments will be youthful and chic, conforming to conservation which is the spirit of the times.

Coats are generally built on stan-. dard lines, concealing rather than revealing the figure.

Suits are shown in a variety of attractive styles. The keynote is straight, youthful lines, novel belts and partial belts make some of the models doubly attractive.

Pockets are used extensively, and many new effects are obtained. Furs and braid are featured as trimming.

In fact, there are so many new features to the new garments that they are sure to win approval.

For your style information be sure

to visit MACDONALD'S these early weeks of Fall. For your purse benefit you cannot do better than to make your selections
