Guelph in negotiating for a motor ambulance. Sunday was a delightful, spring-like, sunny day. Shipments of nut and stove coals continue to arrive here. Oh yes, before we begin our winter yet, before spring comes. This is February. Have you renewed your Press subscription? Communion services will be held in the Methodist Church next Sunday. Georgetown Board of Trade is negotiating for earlier trains to Toronto and Hamilton. The D. E. G. M. will officially visit Walker Lodge, A. F. & A. M., next Monday evening. Norman Lehman, of the Station Hotel, Kitchener, has been fined \$400 for violation of the Ontario Temperance Act. Theorid has decided to observe Friday of each week as a day of prayer for the soldiers returning during the previous seven years. Acton Council has decided to ask for tenders for the position of Clerk and Treasurer for their village. A very foolish thing to do—Georgetown Herald. Old brain had plenty of opportunity for seeing his shadow on Candlemas Day. Well, six weeks more of winter such as we've had so far will not be objected to. After an illness which lasted a month, J. W. Stark, the Peel County representative of the Department of Agriculture died of tuberculosis at Brampton on Monday. Acton council proposes to receive tenders for the position of Clerk and Treasurer, an unusual thing to do at such an appointment. Will the lowest tender get the plum?—Champion. The County Council made a grant of \$5000 to the Salvation Army Fund for assisting returning soldiers and their families at the various ports and centres of demobilization and discharge. Conventions of Halton and Wentworth Teachers' Institute will be held at Georgetown on Saturday, 16th inst. and at Oakville on Saturday, 22nd inst. Sessions will be held at 10 a.m. and 1:30 p.m. In Guelph the city whistles blow to advise the citizens whenever an incoming train is bearing returned soldiers there. There is consequently always a group of citizens present to welcome them. The was old groundhog, so quick and wary came out on the second of February; he looked around him all ready to run, for high in the heavens he saw the bright sun; then rung out his telephone under the larch, saying: "Don't call me up till the middle of March." The regular monthly meeting of the Women's Institute will be held at three o'clock on Friday afternoon, February 7, at the home of Mrs. Alex. Bell, Knox Avenue. The Banquet Committee will be our guests and give the programme. Refreshments will be served. Everybody welcome.

ROY HINDLEY'S LIST OF SALES

February 13—T. Parkinson, Ermaoos, February 18—Robt. Young, Jr., Ospringe, February 27—Jos. Stewart, Ospringe, March 5—Provincial Pure Bred Sales, Guelph, March 6—Estate of the late Daniel Talbot, Everton.

NABBAQAWEYA

Next Sunday a representative of Victoria College, Toronto, will preach at Ebenezer, Corwin and Abetoyla. The home of the late Duncan Holmes Moffat, continues to be afflicted. Last Friday, Charlie, the youngest of a four-year-old son, died from influenza. An older brother was very ill, but is now improving. Communion services were held at Ebenezer on Sunday morning. The bright spring like weather induced a large congregation to assemble. Corwin united with Ebenezer for the communion.

OSPRINGE

Mr. Wesley McLean, of Guelph, visited Sunday with his mother, Mrs. Alex. Ferguson, of Guelph, visiting Ospringe friends last week. Mr. W. A. Curtis has disposed of his team of roadsters to a Guelph purchaser. Mr. Henry Mitchell, of the West, visited his sister, Mrs. Matthew West, Corwin. Mr. Archie Sinclair has purchased the Cunningham farm on the first line. Mr. and Mrs. Duncan McDougall, of Toronto, are visiting Mrs. McDougall's parents, Mr. and Mrs. H. H. McCutcheon. Mr. Harry Knight, after spending two years in the army, has returned home. Mr. Knight looks well notwithstanding his experiences at the front. He enlisted with the 153rd Battalion and was twice wounded.

OSPRINGE

Last Wednesday night the busy ten Guild held their meeting in the church. The Rev. Mr. Wilson gave a very instructive address on "Christian Patriotism." He also pointed out the great evil of intemperance and the liquor traffic. The programme was varied and the business of the Guild was gone into. The Misses Dennis gave two vocal duets which were very much enjoyed by the audience. Miss Nora Withford gave a very good recitation which was much applauded. Through the absence of the leader, the debate on "Town Life versus Country Life" had to be postponed. A vote of thanks to Mr. Wilson and the Misses Dennis was proposed by Miss Laura Brown. The attendance was very good and a number of the older and younger members were doing a good work. A number of new members were enlisted. If with a big (r) sleighing is good a party is to be held this (Thursday) night to Glenora, where the next regular meeting is to be held, leaving Mr. Perry Martin's home at 8:30 p.m.

News of Local Import.

A Bright Acton Student Miss Nellie Anderson has been advised by the Principal that she was the winner of the Fourth Prize prize for highest standing at Guelph Collegiate Institute last year. Miss Anderson won this prize the previous year also, and a scholarship of \$100 cash. The Maple Sugar Harvest Chairman Thomson of the Canada Food Board is calling for the greatest possible production of maple sugar and maple syrup this coming spring. Farmers with maple groves might well prepare to tap an unusual number of trees. In the opinion of those in the expert business there will be a profitable market for maple syrup and maple sugar.

Burlington's Radial Glaze Won out.

The results of the elections at Burlington disclosed the fact that the people there favour the return of a mayor and councillors who are moderately inclined to a better arrangement of the radial company. Those elected were: Max C. Smith, Mayor; J. H. Jarvis, Kenneth Allan, J. J. Hobson, W. Tufar, Councillors. Mayor-elect Smith's majority was only 43, however. Can't Do Without Home Paper "Enclosed you will find postal note for \$2.00 for the Free Press for another year. Mrs. Cockburn says she cannot do without it, and is certainly enjoying reading of Acton's doings. We are having very mild weather. The grass is green and it is like spring. We are thankful to have all escaped the "flu," though it has been very bad here."—L. B. Cockburn, Wyandotte, Mich.

Wellington Prohibits Killing Squirrels

In order to prevent the extinction of grey and black squirrels in the county of Wellington an order-in-council has been passed by the Ontario Government providing for a closed season in the county for three years ending October 30th. This action was taken in Halton several years ago and the squirrels are still protected. The black squirrels are becoming more plentiful.

More Red Cross Shipments

Acton Red Cross Society has shipped to the Army Medical Corps, Toronto, a box of supplies containing 46 pyjamas suits and 4 personal property bags. A box was also sent last week to Queen Mary's Hospital, Guelph, Ontario, containing 26 pairs of socks, 18 lbs. of yarn, 10 pyjama suits and other articles of value to the hospital. This box was valued at \$115.00. 24 pairs of socks were sent to Epitaph Military Hospital for its soldiers.

Grain Prices Rapidly Declining

Prices falling to-day are very discouraging to grain growers and farmers. Of course the price of wheat is fixed by the Government, but those of the lower grains are dropping rapidly. Barley, which brought \$1.70 last year ago is now quoted at \$1.60; oats were \$1.00, but now only 90c, peas, which were sought after at \$1.50 a year ago are now only \$1.10. Buckwheat was \$1.40 and is now \$1.10. Potatoes are being bought here this week at 80c.

Might Have Been a Conflagration

A couple of lads of about twelve years amused themselves on Sunday afternoon by setting fire to a pile of paper on the street, using a piece of heavy convex glass and the bright rays of the sun. Trying to do this they directed the rays through a side window of Cooper's tailoring shop. They succeeded in setting fire to the paper on the street and a piece of twisted which was cut out for a suit. This accomplished their purpose but they were unfortunately persons passing noticed the smoke and flame and hurried to inform Mr. Cooper. Mr. Cooper without detection and serious results would have followed the thoughtless pranks of the boys. Justice in action without delay a fire watchery counsel on Tuesday afternoon.

A Pretty Evening Wedding

A pretty but quiet wedding was solemnized by the Rev. J. C. Wilson, in the Methodist Church, Acton, on January 22nd, at the family residence, sixth line, Esquemaque, when Barbara Rose, youngest daughter of the late Thomas Cook and Mrs. Margaret Ann Cook, was united in marriage to Mr. Bruce Gibson, son of Mr. Bruce Gibson, of Gundersen, Sask. The bride who was very prettily attired in a dress of crepe de chine and georgette dress entered the drawing room on the arm of her brother, Mr. Herbert Cook, to the strains of the wedding march played by her cousin, Miss Louise Cook, of Toronto. The bride carried a lovely bridal bouquet of pink roses and the groom wore a tuxedo with a gold watch. After the ceremony a luncheon was served from a table which was very prettily decorated with pink and white. The happy couple left for their future home near Swift Current, Saskatchewan.

Great Lawyers who Practised in Acton

It may not be generally known here that thirty years ago or more E. F. Johnston, K. C., the eminent lawyer who practised in Toronto, had a law office in Acton. For several years the windows of that section of the town hall now occupied by Alton New Brigade, was his office and the windows bore the sign "Johnstone & McLean, Solicitors." Both members of this legal firm have passed away. By the way Acton has been honored with having been the birthplace of a number of young lawyers who became eminent in the practice of their profession: E. F. Johnston, W. A. McLean, who later confined his practice to Guelph; Nathan Cowan, who finally became counsel for Canadian Pacific Railway; John Carson of Salem, Oregon, who was a great constitutional lawyer and employed on commissions for the United States government, and the late A. J. Mackintosh, B. A. Unfortunately all these have passed away.

Celebrated Their Diamond Wedding

Mr. and Mrs. Hugh McDougall celebrated their sixtieth wedding anniversary at their old residence on Frederick Street on Monday. Hugh McDougall, son of the late John McDougall, who came from Italy, Scotland, and Italy (Currie), daughter of the late David Currie, were married in Guelph on February 3, 1859. Rev. Hugh Reid, Baptist Minister, father of Mr. Robert H. Reid, Esq., performed the ceremony, using the double service. They remained in Guelph until 1885, when they came to Acton, settling on the Cunningham farm, just north of the town. Fifteen years ago they retired and came to their present residence. Their family consisted of three sons and four daughters, all of whom they have survived, except Miss Sara, who ministers to their comfort in the home. They have fifteen grandchildren and eight great grandchildren and have many friends wherever they have been. Being to recent and the anniversary the day was spent quietly. Mr. and Mrs. McDougall and a few close friends called during the day to extend their congratulations. Both these esteemed elderly citizens are enjoying their faculties and a fair measure of health.

GOVERNMENT BUYS TORONTO SUBURBAN

Will Double the Service as soon as Cars Can be Secured

The Dominion Government, through the Canadian National Railways, has acquired the Toronto Suburban Hall, including not only the line to Guelph, but the other lines on the outskirts and within Toronto. For the present, the Guelph-Toronto line, which runs into West Toronto, will be operated over the existing tracks into the city. It is to be on a paying basis, despite the shortage of rolling stock, and it is understood to be the intention of the Government to double the service on this radial line as soon as cars can be secured.

Yes, Madam, your favorite sugar, as much as you want.

One of the most satisfactory material pleasures of Peace is that we may again have plenty of Lantic Sugar

UNDER war conditions we were unable to supply anywhere near the demand for Canada's favorite sugar. Few ships were available for bringing raw sugar from the tropics and a large part of the product of our refinery was needed for our soldiers overseas.

Happily, Peace has changed the whole sugar situation. Unless unforeseen circumstances should arise the Lantic Red Ball will again brighten the shelves of stores throughout the country and housewives may have as much as they need of the famous Lantic "FINE" granulated, the perfect sugar for baking and the table; also there will be plenty of the Lantic delicious Old-fashioned Brown Sugars for the many dishes in which flavor is indispensable to success.

You may again buy Lantic Sugar in the larger original packages, the 10, 20 and 100 lb. sacks, as well as in the 2 1/2 and 5 lb. cans. The accurate weight and perfect protection of the contents of Lantic packages make them the best.

Ask your grocer for Lantic Sugar, the sugar with the Red Ball on every Carton or Bag.
