"CLEAR THE WAY" Mon of thought; be up and stirring Night and day: How the seed-withdraw the curtain-Clear the way! Mon of action, ald and cheer them

An yo may! Chore's a fount about to stream. There's a light about to beam, There's a warmth about to glow, There's a .flower about to blow; There's midnight blackness changing Into gray; Men of thought and men of action,

Clear the way! Once the welcome light has broken, Who shall may What the unimagined glories Of the day? What the ovil that shall perish

In its ray? d the dawning, tongue;and pen Ald It, hopes of honest men; Ald it, paper-aid it, type-Aid It, for the hour is ripe. And our carnest must not slacken

Into play. Men of thought and men of action, Clear the way!

Lol a cloud's about to vanish ' From the day; And a brazen wrong to crumble Into clay; Lot the right's about to conquer, Clear the way! With the Right shall many more Enter smiling at the door: With the giant Wrong shall fall Many others, great and small,

That for ages long have held un For their prey. Mon of thought and men of action.

dear!" and the next mement, discov- this over, anyway. ering that the little one was clinging to her friend's hand she exclaimed in

DRAINAGE LESSENS THE LIKELI-HOOD OF DAMAGE CAUSED BY HEAVING

so dispatrously affects clover and al- slushy, but we're not half as bad off as to pay for necessities owing to tariff covering a distance of ninety kilofalfa crops, is caused by the presence of an excess of water in the soil. Procesing water inevitably expands. Its expansive power is almost infinite. It bursts the most solid rock asunder. If I will always be sorry for. If I had the self is full of water it cannot expand thought that six people in Acton would either downwards or sidewise. Boll, read what I might have been writing crops, everything "heaven" as a result for years. I would have started long leasness, grinding of the teeth, picking provided the soil is a close textured ago. I'm not getting a bump on myone and large pore spaces afford no soft of "tickles" me to think that some the best remedy that can be got is lee melts, the soil settles back faster function than do the roots of the ro than do the roots, so that the plants This often breaks the roots and kills seemed to drop from the clouds right away in the evacuations. The little the plant. Now the water does not in the limelight. Queer what a fellow aufferer will be imagediately eased and stand near the surface of well drained placer, and consequently little or have been experiencing is that I have likely. no heaving occurs.
