QUALITY IN OUR FIELD CROPS

The attainment of quality in the "worth while" of forming. Live stock, the best of their breed, well fed and thrifty; fruit, large of size, rich in color and flavor; crops, vigorous, free from weeds, productive and pure of variety, thene things represent "quality," and its attainment should be the goal of our farming ambitions. An applied to field crops, it has to he considered in two ways, first the

BENEFIT OF CLERGY

A clergyman who was not disinclined toward taking an occasional glass, hired an Irishman to clean out his cellar. He brought out a number of empty whiskey bottles and as he lifted each one looked to men if there was anything in it.

The clergyman, who was walking on the lawn, noticed him and said, "They are all dead ones, Mike." "They are," answered Mike, "But they passed away."
