THE FLOWERS' SPRING " PROCESSION

At first the Showdrop's bells are seen. Then close against the sheltering

The Tulip's horn of dunky green, The Peony's dark unfolding ball.

The golden-challeed Creeus burns. The long Narcissus blades appear; The cone-beaked Hyacinth returns To light her blue-flamed chandeller

The Willow's whistling lashes wrung By the wild winds of gunty March, With nallow leaflets lightly strung, Are awaying by the tufted larch. See the proud Tulip's flaunting cup.

Behold it withering, then look up-How meek the forest-monarche flower. . .. When wake the Violets, Winter dies; When aprout the clar buds, Spring 1

That flamel on glory for an hour-

When Lily's blossom, Summer cries Bud, little Roger, Horing is here -Lillian March.

----TWENTY YEARS AGO

From the leave of the Free Press Thursday, April 6, 1839

The last day's sleighing last year lasted nearly a month longer. Mr. James Russell advertises the "Clebe Farm" for sale. He intends moving down town shortly.

G. W. Hill, Indian doctor, of Brantford, who has been making regular all its branches may be learned by a by them with a plate of tice either note showed that she was quite unnew tailoring system. Open daily for one month at Mrs. Thomas Brunt's,

Jr., Lake Avenue. . . The Ladice' Aid gave an enjoyable social in the Methodist Church last Wednesday evening. Refresaments allow the steam freely to escape. Thus Cure be used. were served at small tables after which the rice softens without bursting the a good local programme was given. Concluding that prohibtion of the liquor traffic will be impossible to so- heat of the fire the grains of rice open cure in Canada until the women of and swell, forming flowers, white inside A meeting of the ladies in town was served thus to infants and invalids. request of the Dominion W.C.T.U. are in water and then use this liquid as a distributing literature in Acton and

The drained with a handsome teachers' bible rice is eaten cold in salads. and neighbors presented Mrs. Monat and Misses Mamie and Jennie with a handsome upholstered rocking chair a writing deak from the local band.

THE LILAC-SCENTED SHOE BLACKING

Take a man that's bound and posacesed to be contrary," commented Calob Peasice, sagely, "and it ain't much use to waste your time on him. He'll study up ways to be opposite fastern you can plan to agree with him. Now, take Cy, Kilgore." "Cy Kilgore's wuss'n most," objected

Mr. Belcher. "Why not take some reasonin' human bein' ? Take somebody. Cy Kilgore ain't ever right, so far's I it is as white as snow, and much light-

"I'm usin' Kilgore to illustrate," re-plied Mr. Pealce, firmly. "I know as well's you do that he ain't over right of the Turks. They serve it chiefly That's jest the pint; he'd ruther be with stowed meat or poultry, and call wrong and on the off side than be right the dish "Pilau." They also prepare and agree with anyone else. Ain't you it for eating with certain vegetables. ever noticed it?" said Caleb, with such as tomatoes and cabbage. placid enjoyment.

"I have more'n forty times," assented Mr. Blencher, heartly, "Well, you just missed another time," got a box of some newfangled shoe is rice prepared with meat juice, grated pollab down to the post office, and after cheese and butter, to which they some I'd bought it I sot there with it in my times add slices of truffles. This suchands, twistin' of it round, and some culent dish is well-known under the way or other the kiver came off. Well, name of "Risotto a la Plementaise." sir's I'd no more'n got that kiver off before the whole building seems if, was stew (or pot-au-fou) consisting of filled full to overflowin' with the smell beef, mutton, and chicken, to which of lilacs. You'd a' thought it was the they add before the reat is cooked fust day of June, if you'd been there! completely, about 4 ozs. o frice and a "Wal, we all sniffed at it several pinch of saffron. They let it then simtimes, and every man agreed that he never smelt any lilacs that smelt any must be thick and the rice well cooked. more's they ought to-shet your eyes.

"I was just goin' to fit the kiver back onto the box when Dan'l Siggers halted Rice-water is one of the bost drinks me. Lemme see that box a minute, for allaying irritation in the digestive Kellup, says he. I want to try a little organs. It makes excellent soups, both experiment with it.' Bo I handed the thick and clear. box to him. Just then Cy Kilgoro

and walked over to where Kilgore was lobster, salmon, anchovies and other -standin, and shoved the box right up kinds of fish, also cucumbers, tomatoes, under his nose, so kilgore couldn't help peas and several other vegetables.

"'Jest take a sniff of that, Cy,' says Dan'l, real hearty, and tell us what it rice, both cold and hot cakes, puddings opinion about it, and we'd like to know whether wo're right or whother It's ped cream. our mistaken notion. Snuff bard, says he, and he held it right up close to Kilgore's nose.

"Kilgore was backin' away as fast so he could and lookin' down at the kiver Dan'l was holdin' in his hand. Blamby he fetched up again the wall, and couldn't get no further, and 'bout that time he made out what was printed on the kiver.

"Take that stuff away from my face, Dan Singers,' he snarls, 'fore you smooth me all over! Course I know privilege to have a back yard, even if what it smells like-it don't smell like nothin' but shoe blackin'. You've probably got some fool notion inter your head that smells somethin' like lilaca! Well, it don't,' says he. "There ain" one single hint of a lillac smell to it. so far as I can make out!"

"And," concluded Calch, with a satisfied smile, "there hadn't one single pusson meationed lilacs in his hearin . He was so anxious to be on the off side that he forgot, and gave himself right gardens and little breathing spaces in away. Ain't ho the beatenest?"

simple, cheap and effective medicine is streets will indicate pretty well what something to be desired. There is no in the condition of the back yards, and medicine so effective a regulator of the these will let the observer know with digestive system as l'armelee's Vege- reference to, the intelligence of the table Pills.
