**THURSDAY, APRIL 3, 1919**

**Brief Local Items**

—Fourth month—April.

—Maple syrup is coming in now.

—This is the 22nd day of 1919.

—Spring plowing has commenced.

—Houses are still in great demand.

—The roads are drying up very nicely.

—Guelph has adopted Daylight Saving again.

—We'll have to get up early to catch the train now.

—Put your money into War Savings Stamps and let it work.

—War Savings Stamps pay 4 1/2 per cent compounded half-yearly.

—March got belated as usual but before saying goodbye for another year.

—March has earned the old Greek almanac term of "Windurst" the past week.

—Guelph has adopted the aster as its flower and will hereafter be known as the Aster City.

—The dust on the streets has been most annoying with malaria and chicken pox the past week.

—Two of the properties advertised in the Star for sale last week have been sold already.

—A branch of the G.W.V.A. has been organized at Oakville. Rev. Captain Woodcock is president.

—Georgetown's memorial for fallen heroes will be announced by a \$10,000 skating and curling rink.

—At the request of the employees of the mills and factories Georgetown has adopted Daylight Saving time.

—Now friends be thoughtful and neighborly; gardening has commenced. Shut up the chickens for the summer.

—The autos which have been out of commission during the winter months are now peeping out again on warm days.

—Time tables of both the G. T. R. and Toronto Suburban Railways must now be read an hour in advance of standard time.

—A joint meeting of the Greenock and Ballinad Farmers' Clubs will be held here on Saturday afternoon to consider matters.

—Quite a number of farmers were plowing this week and until yesterday's storm preparations for seedling were in progress—Oakville Star.

—Messrs. G. J. Ryan & Co., Guelph, will make a tour of the town from their room next Devereux's on Monday afternoon and evening and on Tuesday.

—An Order-in-Council has been passed for the payment of \$2,567.94 to the County of Halton for the subsidy for expenditure on good roads in 1918.

—At two o'clock on Sunday morning hockey at the rink was introduced by the G. T. R. Engineers must calculate an hour ahead of local time to make their train.

—The quarterly review services in the Sunday schools last Sunday were most interesting and impressed the minds of the twelve leaders who studied this year very effectively.

—When the winter snow covering went off the fall wheat looked unusually promising. Also the yield of the heavy frosts of the past week will mean a harvest anxiously awaited.

—Writing from Nings, Man., to the Star on March 22, Mr. Joseph Arthur says: "No work is being done on the land yet this spring. There is still quite a lot of snow in place."

—Three boys were whipped by Guelph policemen on Saturday on the order of the magistrate for stealing goods from a vacant house where some furniture and other articles were stored.

—Mr. R. F. Johnston, of Stratford, Ont., says: "I am greatly surprised at the increased size and improvement in the Star's news. It certainly is a credit to Acton. Spring is opening up nicely here."

—Hert College is re-organizing the Holy Mounts, the brigade having become rather dormant through want of a leader. The boys are anxious for the formation and are planning for an interesting summer.

—L. Robinson, of the Acton Creamery, who has been taking a special course in butter making at the Ontario Agricultural College, Guelph, has completed his course and is now a graduate of the Dairy Department.

—By public notice in another column the heavy notices all citizens to promptly have their premises put into sanitary condition. In readiness for the annual inspection of the Sanitary Inspector which commences about May 10.

—Charles Hall, Township Clerk of Trafalgar, has resigned on account of falling health, greatly to the regret of the usually efficient and busy friends. He had done the best of service. He will retain the position of Treasurer. H. L. Robertson succeeds him as Clerk.
