MANSEWOOD

The final hockey match of the season was staged in Milton rink on Saturday, April 6, Dublin vs. Mansewood. The ice was firm, but slushy in spots. The game was very well played considering the condition of the ice. The score was 8-0 in favor of Mansewood, but the score was no indication of the playing, which was very evenly contested and exciting all the way through. Cunningham was the star performer of the winners, while Kennedy performed wonderfully for Dublin and saved the situation time after time when the defence was being attacked. The following line up: Dublin—A. Stuart, C. Well, J. Creamer, W. Coxe, C. McLeod, P. Kennedy, J. Stewart, C. Mann, J. Joyce, A. Scott, E. Barnett, W. Law, J. Cunningham, H. Marsh. Mansewood—J. Stewart, C. Mann, Goal Umpire—Martin and White.

ERIN

Mr. and Mrs. J. Cheeman have taken possession of their new home below the village. Mr. J. Long has eleven barred Plymouth Rock hens which produced from March 1 to 21, 250 eggs. Who can beat this record? John Watson, of Caledon, had the top of three fine birds of his kind taken off while cutting wood with a circular saw. Mr. W. Hurd has purchased the McAllister home near the station. Mr. Weatherston, the Guelph stage driver, has purchased the old Mr. Brown's home, and Mr. H. Wilkinson has secured Mr. J. Morris' house on Main Street. Mrs. McLean was attending the funeral of her little niece, Margaret Mann, of Acton, on Saturday. Mrs. Mann, the little girl who was carrying a lantern in her father's store and by some means upset it into a tin of paint which caught fire and burned her severely from the effects of which she died at Lord Dufferin Hospital—Advocate.

ROCKWOOD

Thomas Harris, who was born in the Harris homestead here in June, 1859, and was one of the founders of the Harris (Woolen Mills), which is today the leading industry of the community, in 1886, died at the home of his son on Moreau Island, near Victoria, B. C., on March 27, Mr. Harris supervised the manufactory for ten or eleven years. Ten years ago he moved to British Columbia. Last June he and Mrs. Harris, who survived him, celebrated their golden wedding. There are two sons and three daughters also surviving. Rockwood's Horticultural Society had a successful year in 1918. The annual exhibition this year will be held on Saturday, August 23. The officers for this year are: President, William Harris; Secretary, James Oldham; Treasurer, A. L. Balfour; Directors, Mrs. J. Gray, Mrs. McLean, M. P. Harry, A. J. McAlister, Mrs. W. Harris, Mrs. Toland, J. Henderson, H. E. Tate, Mrs. Lindsay, Miss Milroy, H. Richardson, J. Osburn.

A local branch of the Halton-Peel Children's Aid Society has been organized in Georgetown with the following officers: President, Rev. J. Travers; Vice President, C. B. Dayfoot; Secretary, Dr. Watson—Herald.

CREWSON'S CORNERS
One day last week while Mr. John Aldrich was assisting in sawing wood at the residence of Mr. J. Travers, the young couple from Mr. Lambert's home here, he had the misfortune to get two of his fingers caught and severed. Mr. John Lambert was united in the bonds of holy matrimony to Miss Annie Mack daughter of Thomas Mack, Opeongo, on Wednesday, March 28. The best wishes for many years of prosperity and happiness are extended to the young couple from Mr. Lambert's many friends here. They will reside at Acton.

The wisdom of cutting down the small cedars at the intersection of the first and town lines was exemplified last Tuesday when Mr. J. Holmes was driving up the first line in his auto and was unable to see a horse and buggy on the town line until it was almost in front of him. The horse became frightened and bolted and threw Mr. John Holmes and his wife out of the buggy and upset some maple syrup. Mr. Holmes was badly bruised and shaken up. Mr. Holmes immediately stopped his auto and went to his assistance, helped him into his car and took him to his home here where he is still feeling the effects of the accident. It was at first feared that his shoulder had been fractured, but it was later ascertained that such was not the case. Mr. and Mrs. Fred Denny and children, Acton, spent Sunday at Mrs. L. J. Kingsbury's.

Help the Needy Children
The Children's Aid Society of Halton County is most desirous of securing the co-operation of the citizens of this community in their effort to establish a home for neglected children of Peel and Halton Counties. A very suitable site has been purchased at Milton and funds are urgently needed to furnish this home. Think of it! 16 children needing care. The children of to-day are the citizens of to-morrow. Surely it is worthy of our best efforts to do our share in helping these little ones.
