In accordance with the provisions of Sub-sections 18 and 20 of Beetlan 56 of the Bank Act, we report to the Ehareholders as follows:

We have examined the alsave Balance Sheet with the books and vouchers at Head Office and with the certified returns from the Branches, and we have obtained all the information and explanations we have required, and in our opinion the transactions which have come under our notice have been within the powers of the bank. We have checked the cash and verified the securities of the Bank at the Chief Office and at several of the principal Branches during the twelve months covered by this statement, as well as on February 28th, 1918, and have found that they agreed with the entries in the books of the Bank with regard thereto.

In our colubion, the Balance Bheet is properly drawn up so as to exhibit a true add covered view of the state. In our opinion the liaises libert is properly drawn up so as to exhibit a true and correct view of the state of the liank's affairs according to the best of our information and the explanations given us, and as shown by the books of the liank.
