THE EASY WAY

which urn is us to choose the easy way. sure, all of which could be avoided by on. J. Noshitt, to lilustrated World. a little equivocation. Half of the untruths are told, not because the speakers profer falschoods, but because they ere looking for the casy way and find it through the gateway of prevarica-

Those who are seeking the easy way cannot afford "principles." The cary way means agreeing with everybody. floating with the current. A life regulated by principle has little to do with compromise. Principle necessitates antagonism sometimes, resistance always. One whose life is controlled by the word "ought" must be prepared for conflict. There is no question but that it is easier to slip and slide along through life, agreeing, compromising, vielding. Principles are not for those who are seeking the easy way. But the easy way of living does not bring the results we desire. it One who nover pu's his muscles to hard use, ocomes a weakling One who shrinks from hard thinking and hard mental their best. work, is little better than a fool. To choose the easy way morally means a contemptible character. Life is hard, Activity of any nort is hard, and in that hardness there is health and inviscention. It is death and decay that possible as it sounds, it is a perplexing store, succeeded by Wny. White. Itis

TIME TO WIN

longer, but make it a reason for try - birthday. His parents are Mr. and John Ritchle, and others had small ing again and trying harder.

THE YOUNG MILKMAN AT THE

Wilfred Carroll, a young clergyman on his way to a Habbath appointment lost his train, at a station in the Far West. The town where he wall to preach was twelve miles distant, it in was a cold, windy evening, with threats of a storm in the air, but it was liaturday night, and the minister was young and plucky, and set off across country on foot

It was a stupld blunder, missing the train, one of those cases of careless in-They have no many grievous faults, attention, for which a naturally enerthat love could ne'er abate them, getic, wide-awake man is apt to reproach himself without mercy. Wilfred Carroll did that. As his fatigue, grew, and the wind lashed his face, he told himself that it was no more than his heedlessness deserved. When the snowfall began, the walking was harder. He was breathless, as he mounted a long hill, and looked down at a little village, sleeping in the valley. There was only one light in the village, so far as no could see, and numbed with the cold, he made his way toward it. The night watchman at the mil

scemed giad to see him, and gave him a warm seat by the stove. The former was young, scarcely more than a boy, and he talked freely about himself. The minister learned that he came apparently, a welcome relief from the farmer is more likely to be successful spoke of his father and mother and tice on. Then I watched our boys those already there spread from one sace of the village church which he the same men that I see hurrying in part of the farm to another. Weeds used to attend, and how high the old- and out of the post office and on their

amusement, drank a little, gambled a good deal, and, that same winter evening had lost fifty dollars at cards to some boon companions, in the very room where he and the minister talk ed. The debt was unpaid-o, for the matter; of that were several other maller ones and when he heard the tramp of his visitor's feet outside, he on Hower Avenue are going to be fair- use as a beverage is increasing.
