> The farmers of this county, in a largely attended bitlous to be of use in the world. But convention last week, chose Mr. John F. Ford, a successful farmer of Trafalgar township, as candidate for the next election of the Provincial Legislature. The convention comprised electors from both the good people who lack friends because old parties. The fact that men are willing to set aside their former political preferences in order to do their part in ensuring the success of a candidate of their own business class, shows that they are in carnest in the institution of this new order of affairs There is no tenable reason why Halton County, which is largely a rural constituency, should not be represented by the predominating class. There is no reason either, why the representative should be expected to give allegiance to either of the old political

> A land of almost limitless possibilities is of little potential worth unless its natural resources are de veloped. The period of reconstruction is here. Each man and woman must realize now their duty as citi zens, and, having realized, must strive to their utmost to co-operate each with his neighbor, in making Canada the best in this western hemisphere. The need is for clean, healthy men and women; therefore be healthy. Strive your utmost to maintain the best of ment, but to the fact that there haphealth. Make your home, your workshop, your office and the children's school healthy, not forgetting that preposes, and none has since been prothe unit of the town or city is the home; and, as we each make our home and its environment healthy, we are each doing our bit to improve the health of the community in which we live and the country generally. The great advance cannot be made certain with- adversary some kind of rood. out the co-operation of individuals. Make Canada's success a sure thing by joining in the effort at ones. was a rosat vent.
