(Tune-"Tipperary:") It's a short, short way to Prohibition;

It's a sure way to go; It's the only way to bring salvation To the dearest land I know. Let us all pull together, And this is our song-It's a short, short way to Prohibition

And Australia's going strong. It's a short, short way to Prohibition It's the best way to go; It's the only way to save o from the nation's greatest foe; Good-bye, gloom and sorrow, Farewell and despair; It's a short way to Prohibition,

And Australia's going there. It's a bright, bright way to Prohibitic It's the right way to go To save our noble manhood.

And lay the oppressor low. Let us all vote together-And this is our prayer; It's a bright bright way to Prohibi And Australia's right there. -"Scottish Reformer."

## How Stephen Wright Won Out

boasting that there had been no frills on his no frills on his education. By you may make." dint of thrift and industry he had become the owner of a great and I will tell you frankly that this machine shop and was a wealthy man, means a great deal more to me just at but all the knowledge of books he this particular moment than at any possessed had been acquired in a little other time, for it will result in making red school-house on top of a bleak it possible for me to secure one of the New England hill. Tired Nervous Mothers Should Profit by the Experience

of These Two Women Buffalo, N. Y.-"I am the mother of four children, and for nearly three years I suffered from a female trouble with pains in my back and side, and a general weakness. I had professional attendance most of that time but did not seem to get well. As a last resort I decided to try Lydia R. Pinkham's Vegetable Compound which I had seen advertised in the newspapers, and in two weeks noticed a marked improvement. I continued its use and am now free from pain and able to do all my housework."- Mrs. B. B. ZIELINERA, 202 Weiss Street, Buffalo, N. Y.

Portland, Ind. "I had a displacement and suffered so badly from it at times I could not be on my feet at all. I was all run down and so weak I could not do my housework, was nervous and could not lie down at night. I took treatments from a physician but they did not help me. My Aunt recommended Lydla E. Pinkham's Vegetable Compound. 1 tried it and now I am strong and well again and do my own work and I give Lydia E. Pinkham's Compound the credit."— Mrs. Josephine Kneel, 935 West Race Street, Portland, Ind.

Every Sick-Woman Should Try LYDIA E. PINKHAM'S VEGETABLE COMPOUND

## Printing

The Strong Right Arm of Business

Canadian business supremacy is the result of fine ideals, energy and Printer's Ink. Advertising is the twin of salesmanship. Never are they separated. Every business, profession, or vocation, uses them in some form.

The main-spring of all business is advertising--and Printing is the voice that carries the message to its market. Youcall upon Printing to establish confidence and good will; to create desire to buy.

Indeed your Printing is yourself, multiplied to the quantity necessary to reach the vast number you can not possibly reach in person.

National advertising is a wonderful force to exert when your-distribution is country-wide, but first of all--and always-must you employ the more intimate appeal of DIRECT ADVERTISING .-- The Strong Right Arm of Business.

Let your Printed message impress its importance and your personality by its quality---the work of the FREE PRESS.

HELP TO PREVENT FIRES-FOL. The Bond Hardware Co. LOW THESE RULES

Matcheu-Bo sure your match is out: Pinch it before you throw it 2. Tobacco-Throw pipe ashes and cigar or eignrette atumps in the dust of the road and stamp or pinch out the fire before leaving them. Don't throw them into brush, leaves, or

3. Making Camp-Build a small campure. Build it in the open, not against a tree or log or near-brush. Scrape away the triet from all around

4. Leaving Chap-Nover leave camplire, even for a short time, with out quenching it with water and then covering it with earth. 5. Honfires-Nover build bonfires in windy weather or where there is the slightent danger of their escuping from

control. Don't make them larger than you nend. 6. Fighting Fires-if you find a fire try to put it out. If you can't get word of it to the nearest forest ranger at

The above rules for the prevention of fires, prepared by the United States Forest Service, are equally applicable to Canada. Their observance would to far towards lessoning the tremend. oun toll tiken each year by the fprest tire flend.

· SUGAR IN VEGETABLES

An article under the title of "Sugar in the Vegetable Kingdom" affords nome food for thought. After premising that much of the more valuable properties of our popular table vegetubles are lost in nearly all cases through taulty cooking, this is particularly the case with the sugar which nearly all of them contain, though not to so great an extent us the sugar cane or the augur beet. Among the vegetables which may be mentioned as being particularly rich in this valuable food constituent may be mentiond'onions, turnips-of various kindscarrots, paranips, Jerusalem artichokes, peas, beans, and other leguminous seeds. Cerouis, potatoes and groon vogetables are not so rich in sugar. but possous other valuable constituents
