CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common aliments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. Por more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind: Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, alds the assimilation of Food; giving healthy and natural sleep.

Farmers Buy Force Trucks Because

they save labor, save time, save money The Ford Truck is the most generalpurpose implement on the farm.

The farmer can get his breakfast at home, take his produce to market, and be home again for dinner.

He can command the highest prices for his vegetables and fruit because he gets them to market while the dew is still on them.

He can take his hogs, sheep and other stock to market, as well as haul roots, potatoes and apples from the field. The Ford Truck brings the city to the
