FOR SUNDAY, OCTOBER 5, 1919

BY JESSE E. HURLBURT

PETER AND JOHN BECOME DISCIPLES OF JESUS—John 1, 29-42.

Common Scripture Passage

29. (In the morning he saith unto John, who was standing, and saith, Behold, the Lamb of God, that taketh away the sin of the world!)

30. This is he of whom I said, After me cometh a man who is become before me: for he was before me.

31. And I knew him not; but that he should be made manifest to Israel, for this cause came I baptizing in water.

32. And John bare witness, saying, I have beheld the Spirit descending as a dove out of heaven; and it abode upon him.

33. And I knew him not; but he that sent me to baptize in water, he said unto me, Upon whomsoever thou shalt see the Spirit descending and abiding upon him, the same is he that baptizeth in the Holy Spirit.

34. And I have seen, and have borne witness that this is the Son of God.

35. Again on the morrow John was standing, and two of his disciples;

36. And he looked upon Jesus as he walked, and saith, Behold the Lamb of God!

37. And the two disciples heard him say, and they followed him.

38. And Jesus turned, and beheld them following, and saith unto them, What seek ye? And they said unto him, Rabbi (which is to say, being interpreted, Teacher), where abidest thou?

39. He saith unto them, Come, and ye shall see. They came therefore and abode with him that day: and they abode with him that day: it was about the tenth hour.

40. One of the two that heard John speak, and followed him, was Andrew, Simon Peter's brother.

41. He first findeth his own brother Simon, and saith unto him, We have found the Messiah (which is, being interpreted, Christ).

42. He brought him unto Jesus, and Jesus looked upon him, and said, Thou art Simon the son of John; thou shalt be called Cephas (which is by interpretation, Peter).

43. And Jesus saith unto him, Follow me—John 1, 43.

LOOKING UPON JESUS LEARNING FROM JESUS LEADING TO JESUS

Lesson Thoughts

This lesson takes us back to the first day in the history of the Christian church and shows us three of the men who were first to follow Christ.

1. We see here men looking upon Jesus. John the Baptist and two of his followers are standing by the Jordan, and they see a stranger walking up the road. It is Jesus, fresh from the mountain of temptation and his triumph. The prophet of the wilderness gazes upon him and then says, "Behold the Lamb of God!" Here is the first step in the salvation of every soul—looking to Jesus.

2. Next we see those men learning from Jesus. After such an introduction it is no wonder that they left their former teacher and sought this new Master. They sat by his side all day. What Jesus said we know not. Would that we knew! But when the sun went down two men believed in Jesus as their Redeemer and their King. And everyone who will come face to face with Christ, will study him, will listen to him with an open mind, will give to Christ his heart as these men gave theirs.

3. But if believing in Christ had been all, the church would never have arisen, that day of its beginning would have been its end. Each of these two believers in Jesus went forth to find another man—his brother. That is the way that the church has been growing through the nineteen centuries since—one follower telling another soul and leading him to Jesus.

Good-bye to Asthma. Persons suffering from that extremely trying trouble known as asthma know what it is to long with all their hearts for escape from a tyrant. Never do they know when an attack may come and they know that to struggle against it will only bring Dr. J. D. Kellogg's Asthma Remedy at hand, however, they can say good-bye to their enemy and enjoy life again. It helps at once.

TEN RULES OF POLITENESS

1. To be polite is to have a kind regard for the feelings and rights of others.

2. To be polite to your parents, teachers, sisters and schoolmates as you are to strangers.

3. Look people fairly in the eyes when you speak to them, or they speak to you.

4. Do not blurt out contradictions.

5. It is not courteous to refuse to do wrong.

6. Whispering, laughing, sneezing, yawning or eating at lectures, in school or out of place, is unbecomingly rude and vulgar.

7. Be doubly careful to avoid any rudeness to strangers, such as sneering out to them, laughing or making remarks about them. Do not stare at strangers.

8. In passing pen, pencil, knife or pointer, hand the blunt end toward the one who receives it.

9. When a classmate is reciting do not raise your hand until after he has finished.

10. When you pass directly in front of anyone or accidentally annoy him, say, "Excuse me," and never fall to say, "Thank you," for the smallest favor. On no account say, "Thanks!"

Notes on Rules of Saints Barbara, Cal.

Many children die from the assaults of worms, and the first care of mothers should be to see that their infants are free from these pests. A vermifuge that can be depended on is the Miller's Worm Powders. They will not only expel worms from the system, but act as a health-giving medicine and a remedy for many of the ailments that beset infants, soothing them and safeguarding their lives.
