

THE WINNER OF LIFE'S PRIZE

If you think you are beaten, you are. If you think you are not, you are not.

If you think you will lose, you will. If you think you will win, you will.

Success begins with a follower. It is all in the state of mind.

If you think you are not, you are not. If you think you are, you are.

You've got the sure of yourself before you can ever win a prize.

Life's struggle don't always go to the stronger or faster man.

But soon or late the day will come when the boy wins the prize.

HE-KNEW

A very little boy was once in the room where young lady was practicing on the piano.

She was counting about "one, two, three, four." The little fellow seemed quite surprised, and after a while he went to her and said quite earnestly, "The next is five!"—Youth's Companion.
