TO TELL OR TO WED OR BOTH

Don't think that you are a poet. A poem is a thing that comes to you...

I got a magazine to-day. It brought me news and news from your pen in my letter...

I thought you'd be a fisherman. The best that comes your way...

Just say you like the facial soap. You've made your choice...

Let's quit the job and marry. You have a husband now...

BY SPECIAL DELIVERY

By Harriet Lummis Smith

MIS DANIE was the postmistress at Turf's Corner...

It was impossible for Rose to think of the post office without Miss Dano...

Miss Dano was very kind of her official position...

There's a patient medicine circolar for Loom Briggs...

But if Miss Dano had good news for Murrice Amos...

But for ten days in succession, Miss Dano had driven into town...

Mr. Amos, with all his skills as an engineer...

Mr. Amos, with all his skills as an engineer...

Mr. Amos, with all his skills as an engineer...

Mr. Amos, with all his skills as an engineer...

Mr. Amos, with all his skills as an engineer...

Mr. Amos, with all his skills as an engineer...

Mr. Amos, with all his skills as an engineer...

Mr. Amos, with all his skills as an engineer...

It wouldn't be much to wish it had even written to me...

"Perhaps," suggested Rose, following her out to the door...

"Yes, I agree with you," said Mrs. Coale...

Assuring Your Business

A policy of advertising is a policy of life assurance, and the protection thus secured is well worth its annual cost.

Old customers die or move away--they must be replaced.

Old customers are subject to the influence of temptation--they may be induced to divide their custom--to do some of their shopping at a competitor's.

New comers to this community will shop with you--become regular customers--if they are invited to do so.

Your competitor's advertising is an influence which must be offset if you are to maintain your trade.

Not to advertise regularly to the readers of the ACTON FREE PRESS is to leave your business unprotected.

A WORD TO THE PUBLIC

It is no sign of weakness to follow the lead of advertising. You owe it to yourself to get all you can for your money, the best goods and the best service.

And if you find that your inclination is to shop where you are invited to shop rather than to continue being a customer of a shop which never solicits your goodwill, you need have no compunctions of conscience.

Shop where you are invited to shop
