A Great Opportunity for Men to Save Money

In order to turn over our stock as quickly as possible and effect an immediate reduction, we are featuring this big Reduction Event, reducing in price our entire stock of three-piece suits, two thousand models in the line-up in the opening days of the event last week.

Late Shipments

That tells the story. Many shipments that were due away back months ago, have come in now within the past season. In fact, stocks are larger now after all the season's selling than they were at the beginning of the season.

If we were interested in our profits alone, we could hold these clothes for another season and sell them at much higher figures. But that isn't our way of doing business. Our policy is to sell a season's stocks during that season, even at price sacrifices, rather than hold them over for another season.

A quick turn-over is, therefore, necessary, and these are the price reductions bringing it about.

All the Regular $75.00 Suits Reduced to $67.50
All the $60.00 and $65.00 Suits Reduced to $53.75
All the $50.00 and $55.00 Suits Reduced to $44.85
All the $40.00 and $45.00 Suits Reduced to $36.75
All the $32.50 and $35.00 Suits Reduced to $29.75
All the Regular $30.00 Suits Reduced to $26.50
All the Regular $25.00 Suits Reduced to $21.75

Six hundred blue serge suits in the gathering, no line of three-piece suits whatsoever being reserved.

The Reduced Event ends SATURDAY, JULY 10. It will pay to make the trip to Guelph right away.

The New Electric Line

The poles and wiring for the electric line to Flynn's spring are being erected. They will convey power for operating the electric pumps for the waterworks system located there.

Song Service at Soldiers' Home

On Sunday evening next, immediately after the church services, a song service will be held on the lawn of the Soldiers' Memorial Home. Comrade Rev. J. Johnston, M. M., will be in charge. Everybody is invited to spend a pleasant half hour.

Fine Position for Mr. Rollit

Lieut. A. A. Rollit, who was manager of the Bank of Nova Scotia here before the war, has now received the appointment of manager of the Home Bank at Barnia. This is an important branch and the managership is a splendid position.

Acton Teaching Staff Re-Engaged

The Board of Trustees has engaged Miss M. Knapp, of Galt, as assistant teacher for the Continuation School at a salary of $1,200 per annum. Mr. J. M. Russell, the Principal, has been re-engaged at a salary of $1,900. All the teachers of the public school have been re-engaged, and received liberal increases in salary.

St. Alban's Church Garden Party

St. Alban's Church garden party is to be held on Thursday evening, July 29, in the park. Excellent outside talent has been secured in Miss Mildred Walker, entertainer, and Fred J. Firth, comedian. Miss Walker occupies a leading place among Canadian artists. Of Mr. Perrin it is said, "His face is funnier than a barrel of monkeys."

The Dominion Day Holiday

There was splendid weather on the first of July and this national holiday was greatly enjoyed. There were numerous private pic-nics in shady forest nooks and down the mountain side. Georgetown and Ebenezer celebrations took large numbers, and many others visited at other points. An extra at the Wonderland attracted large crowds. "Silver Threads Among the Gold," was a film of much merit. There were numerous home-comings and other outsiders visited Acton friends.

By Electric to Centre of Toronto

It is said the Hydro-Electric Commission is negotiating for the purchase of the Toronto Suburban Electric Railway from the Dominion Government. If the Ontario Government endorses the Commission's recommendation, the Hydro will abandon the proposed Port Credit-Guelph line. The Toronto Suburban Radial through Acton and Georgetown will take its place. This line will enter the city from Lambton across the Dundas bridge and down over the old Bolt Line to the harbor front, thence eastward to the centre of the city.

Brought from Wisconsin to Fairview

The body of Mrs. Samuel Green, who died at Lacrosse, Wis., on Saturday, was brought to Acton by her daughter and her husband, Mr. and Mrs. Wheeler, on Tuesday for interment in Fairview Cemetery. Mrs. Green was a sister of Mrs. Adam Cook and Mr. William Mullin. With her husband and family she lived in Acton about thirty years ago. Her husband died in 1896 and his body was brought from Two Harbors, Minnesota, for interment here. The funeral on Tuesday afternoon was conducted by Rev. W. L. Findlay, B. A.

Able Sermons by Rev. Dr. Cook

Although he has spent forty-five years in the ministry Rev. Dr. Charles A. Cook, of Butte, Montana, has lost none of his old-time energy. Dr. Cook preached in the Baptist Church in the morning and in the Methodist Church in the evening on Sunday. His sermons were fervent, gospel messages and appealed strongly to the congregations who listened to them. Dr. Cook's reminiscences of his boyhood days in Acton were full of interest. His father was pastor of the Baptist Church here for many years. He told the story of his decision for Christ in the old Methodist Church during a series of revival services held by the late Rev. Robert Phillips, in March, 1873. Dr. and Mrs. Cook greatly enjoyed their visit to the old town. This was the occasion of their fortieth wedding anniversary.

Guelph G. W. V. A. Leases Building

Guelph City Council has leased to the G. W. V. A. for $1.00 per year, as long as they have a paid membership of 250, a building at the corner of Waterloo Avenue and Dublin Street, for a club house.

Fined $10 and Costs

Two young men, who were arrested last night by the police, were charged before Magistrate Watt this morning with drunkenness. Both pleaded guilty, and as it was their initial offence they were allowed off with a fine of $10. The police learned where they secured the liquor, and a prosecution will likely follow.—Guelph Mercury.

The Funeral of William Cutting

The funeral of William Cutting, the victim of the fatal accident last week, was held on Dominion Day afternoon and was largely attended. Rev. I. M. Moyer conducted the service. The pall bearers were: Messrs. Thomas Lanham, John Mellon, Albert White, J. H. Reid, Ben Symons and John McHardy.

Acton Girl Married in Toronto Theatre

The Toronto papers supply this information: "Emma May Barnes, an Acton girl, and Benjamin Hrudwick, a returned soldier, were married on the stage of the Allen Theatre, Toronto, last Wednesday night. The couple won a free license, free minister, and free bridal set of dishes which went with the ceremony, as they were picked out as the most handsome pair of some 20 applicants."

Diamond Robbery at Guelph

A thief who gave his name as Ross, and said he came from Buffalo, smashed the plate glass window of Savage & Co.; Guelph, on Saturday morning about 3.30 and secured about $700 worth of diamonds and jewellery. Two policemen, who heard the breaking glass, gave chase and caught Moss and secured the plunder he had abstracted from the window. It is believed that Moss is a member of a gang of thieves who are operating at various points in Western Ontario with headquarters at Toronto.

A Big Boy Who Helps Little Brothers

In the last issue of the Niagator News, published weekly in the interests of the Niagator Class, of Howard Park Sunday School, Toronto, of which Frank Chamberlain is Editor-in-Chief, the following interesting paragraph appears: "From the Editor's own pen-nib: Maybe this is a personal matter, but I would like all you fellows to know what a great scout E. J. Moore, our chief, is. As some of you know, your editor has literary aspirations, and has written stuff for the Star Weekly, Sunday World, Toy Builder, Canadian Mentor, Christian Guardian, etc. But what I wanted to tell you way that I couldn't even have started writing any acceptable dope had it not been for E. J., who put me through the mill, and explained the art. And I'm not the only one he has helped—there's many a fellow who owes the position he holds to E. J. And there's many a fellow who has been put on the right line of work by E. J. I cannot help but think of Jack Cairns who was "put straight" by his teachings. And, I was just wondering if we all appreciate him enough."

An Actonian in an Earthquake Area

A letter received a few days ago by Mrs. John C. Nelson from her father, Mr. James Brown, who resides at Los Angeles, Cal., gives the following particulars of a somewhat alarming earthquake which affected that part of California the week the letter was written: "The earthquake occurred about a quarter to seven on Monday evening. I was sitting reading and Mrs. Brown was standing beside the table. The house began to rock and tip over one way and then the other. The walls appeared to be on the slant, we ran out and everybody seemed to be on the street. One street below a chimney fell down on Dr. Towler's place. On Forty-seventh Street nearly all the chimneys in the block went down. But the worst was at Inglewood. The brick walls fell out on the street. A $40,000 school house was wrecked. Some of the monuments in the cemetery went over. Thousands drove out to see the havoc wrought by the quake." Mr. Brown further wrote that fruits of all kinds were now in, but very dear. Peaches, 5 lbs. for 25c, strawberries 18c, blackberries 10c, red berries 14c, logan berries 14c, red currants, gooseberries, apples, prunes 10c. Oranges are very dear. Potatoes, 3 lbs. for 25c.

League Games and the Results Growing in Interest

Acton, Georgetown and Milton the Winners in Saturday's Games

BIG GAME STAGED FOR NEXT SATURDAY AT GEORGETOWN

The base ball game on Saturday afternoon between Glenwilliams and Acton was one of the kind that ought to please the "Old Man of the Big Clock Tower" in the matter of high scores. It was, however, far from an interesting contest, as a score of 21 to 3 would indicate. The Glenwilliams boys were a little out-classed but they took their beating pluckily after they had an umpire to their liking. In the matter of an umpire they seemed difficult to please. Jack Clarke tried to satisfy them for a couple of innings, but failed and retired. Neil McNabb was then called upon but one of his decisions made them gather up their belongings and get ready for home. Then Acton decided to allow them to have both umpires from their own town. This permitted the game to run along smoothly until the seventh innings, when the game was called with a score of 21 to 3 in favor of Acton. What the score might have been if allowed to run to nine innings is difficult to say.

The line-up was as follows:

GLENWILLIAMS

	A.B.	R.	B.H.	E.
Halpin, r. f.	4	0	0	0
Beaumont, c. f.	4	0	0	1
R. Graham, l. f.	4	0	0	0
Pottinghorne, c.	4	1	1	0
Wayne, 3 b.	3	0	0	3
P. Graham, 2 b.	3	0	0	0
R. McMenemy, 1 b.	3	1	1	0
H. Norton, s. s.	3	0	0	3
G. Smith, p.	3	1	0	0
	31	3	3	6

ACTON

	A.B.	R.	B.H.	E.
Tate, c. f.	6	3	3	0
Brown, 1 b.	6	3	2	0
Moxon, s.	5	3	3	0
Grey, p.	5	2	1	0
Woods, s. s.	5	1	1	0
Ryder, 3 b.	5	2	0	0
Hynds, l. f.	5	2	0	0
Kennedy, r. f.	5	3	2	0
Fields, 2 b.	5	2	2	1
	47	21	13	1

The score by innings:

Glenwilliams	0	0	0	0	3	1	0	—	—	3
Acton	1	4	0	3	6	7	—	—	—	21

Saturday was evidently a day of high scores throughout the entire league as in every game the scores ran into two figures. At Georgetown the Limehouse boys are reported to have acquitted themselves with good ball but were out of luck and a couple of mishaps maimed two of their men and Georgetown won with a score of 14 to 11. At Milton the Brampton nine either ran up against a strong team or they were considerably weaker than when the Brampton boys played here. We understand the latter was really the case. The score was 17 to 11 in favor of Milton.

At the meeting of the executive last week re the protest on the Brampton-Georgetown game it was decided to play the game over again in Brampton at a date set by the managers of the teams. The dispute was over a pitcher whom it is claimed was not a resident of Georgetown. This pitcher is barred from playing in the league in the future.

Limehouse tried a protest against Acton for playing non-residents which came too late; was not in the proper form and was backed by practically no evidence that Acton did have any non-residents playing on the local nine. It was evidently an idle rumor that "a fellow" told one of the Limehouse boys. Some one must have been "kidding" him.

TIER LEAGUE STANDING

	Won	Lost
Georgetown	4	0
Acton	3	1
Milton	3	1
Brampton	2	3
Limehouse	1	4
Glenwilliams	0	5

Next Saturday afternoon the Acton nine will journey to Georgetown for a contest with that town.
