PUBLISHED WEEKLY  
CLOTHIERS' CORNER  
A sign over the door of the "Hats and Caps" store in the window "Hats and Caps" reads "Hats and Caps—They won't let you get that price."

There is but little change in most of the things in the window. The "Hats and Caps" store is in the same block, and the sign over the door is the same. The "Hats and Caps" store is in the same block, and the sign over the door is the same.

W. W. Pook says: "There is but little change in most of the things in the window. The 'Hats and Caps' store is in the same block, and the sign over the door is the same. The 'Hats and Caps' store is in the same block, and the sign over the door is the same."

**TWENTY YEARS AGO**  
From the issue of the Free Press of Thursday, September 27, 1900.

The old platform between the tracks at the G. T. C. station, 120 feet long, has been removed. It was a platform that was used for many years.

Mr. W. J. Campbell is building a new frame house at the corner of Brook and Victoria streets. The site of the new building which was burned last winter.

Acton streets have shown a good deal of the old time activity when the grain was moving. Fifty loads of grain were in a day in some places.

Worms in children, if they be not attended to, cause convulsions, and often death. "Mother's Own" Worm Expeller will protect the children from these distressing afflictions.

**DON'T WEAR THE LOOK OF A MARTYR**  
Do not make the mistake of trying to make your appearance really young by assuming weary airs. The young girl who sighs frequently at the end of a hard day's work, and in the intervals weaves the expression of a martyr, does not succeed in conveying the idea to her employer that she has a price on her head.

**GIFTS TO MEDICAL SCHOOLS GREATER THAN ANTICIPATED**  
Some time ago a gift to the medical departments of Columbia, Johns Hopkins and Harvard Universities from the estate of the late Captain Joseph R. DeLaurier was made public. At that time the amount of the contribution was not known. Now it is announced that each school is to receive \$25,000, a sum much larger than was anticipated.

# A Series of Talks on Music

By Prof. G. C. Langhorne, Mus. Inst., Hamiltonville

**NO. 1—MUSICAL IMPRESSIONS**  
A vocalist writes to a music editor asking to know how long it is possible for a man to hold a note. The editor replies that he has never known a man to hold a note for more than six years.

The Scotch have a proverb "Where McGregor sits, there is the head of the table." This is a proverb that is often used to describe a person who is very successful in business.

**After Sickness**  
When the body is weakened, the best restorative is an easily assimilated tonic food. Scott's Emulsion is the favorite nutrient recommended by physicians as a means of re-establishing strength and vitality.

# SUN DANCE LODGE AT TORONTO

Toronto can always count on the C. P. R. to provide a unique and attractive exhibit for the Toronto Fair and this year if anything the C. P. R. exhibit has surpassed all previous ones for originality and artistic conception. In order to visualize the romance as well as the majestic beauty of the Canadian Pacific Rockies, the Sun Dance Lodge has been reconstructed in Indian style and is a masterpiece of architecture.

On each side of the entrance, office accommodations have been worked into the setting whose information of every description can be obtained and telegraph service is also included. This is the only place in the West for the purpose of the Sun Dance. The Sun Dance Lodge is a masterpiece of architecture and is a masterpiece of architecture.

## Children Cry for Fletcher's CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are especially prepared for babies. A baby's medicine is even more essential for baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

GENUINE CASTORIA ALWAYS Bears the Signature of **Chas. H. Fletcher** In Use For Over 30 Years
