The Ceremonies Attended by a beroes: Multitude of Citizens and

COLONEL BOAK UNVEILED THE MONUMENT Abeniation , Day-last Thursdaydawned with the first bright sunshine

November, had produced for about a work, and, though the weather was rather raw for comfort at a ceremony in the open air, the day was dry and pleataint. The unveiling ceremonie in correction with the handsome and sub-

stantial monument erected as Actor's tribute to her soldier heroes who fell during the great war, commenced at 2.30 in the afternoon. '

The 300 or 400 pupils of Acton High and Public Schools were paraded from the school grounds by Acton Citizens Band. On arrival at, the monument the band played an appropriate selection and the school pupils, sang' "O Canada" and "The Maple Loaf."

Before delivering the chairman's ddress Capt. Torrance Heardmarg ead letters of regret from Premier brury and Judge Elliott. The Premier stated that he had used every effort concede to the wishes of the Cummittee to be present, especially us the unvolling was ut an important point in his own constituency/but imperative omelal duties had come upon him which' rendered his presence here im-

In commencing his address Mr Seardmore referred to the event transpiring in London, England, where the sedy of an unknown warrior, perhaps a Camadian, perhaps a son of one of the bereft purents before him, was being interred in Westminster Abbey with impressive ceremonies. We have mesembled this afternoon, he silled, to do similar honor to the memory of the brave mem of our community who gave their lives in defence of our king and country. Our tribute to their memory may fall to fully express our great carem for them and our unqualified-admiration for their courage and virtues, but this monument . gladly contributed with grateful hearts

by the people of this community. We weave our chaplet of flowers and strow these beauties of nature about this memorial; we would It we could console the sore hearts of those before us who gave their sons, and brothers, and husbands, to the hereic enterprise of maintaining the principles for which our fathers fought, but we know they are cheered, even when sudness hovers over them, by the thought so expres-
