The report was adopted.  
Mr. J. B. Mackenzie, contractor, re-  
ported that the shoe factory building  
had been completed and ready for the  
Council to take over.

The Council decided to appoint a  
committee to inspect the building and  
take the property over from Mr. Mac-  
kenzie.  
A letter from the Gourlay Shoe Co.,  
of Montreal, Quebec, to the Council,  
stating that the company would have  
the machinery out of the building here  
by the 15th inst.  
Another letter from the liquidator  
advised the Council that Mr. Gourlay  
had paid the necessary money and  
could receive the building.  
Mr. Cassidy, of Georgetown, who is  
manufacturing garage supplies in that  
town, requested the Council to allow  
business and wishes to rent a section  
of the shoe factory. He could use only  
the first floor at present but expected  
to use the whole building eventually.  
No definite answer could be given Mr.  
Cassidy and the Council explained that  
they desired to dispose of the building  
outright.  
Mr. Earl Marshall complained that  
the Council had not taken up the matter  
since the waterworks main had been  
laid on River Street. The Council  
assured Mr. Marshall that the drain  
had been obtained in the morning  
and Chief O'Connell and a helper would  
finish it up.  
Action was deferred.  
Moved by E. J. Haasard, seconded  
by Wm. Arnold, that the charge for  
the waterworks main be paid by the  
children for their property on Decem-  
ber 1st and for the At Home on Decem-  
ber 12th. Resolved, in full—Carried.

The matter of engaging legal counsel  
for the legal suit to recover the \$500  
from E. J. Haasard was deferred.  
Mr. N. Jeffrey, barrister, of Guelph,  
was consulted upon, and the Clerk in-  
vited to confer with him on the matter.

The Clerk presented the new plan of  
the town and requested permission to  
take steps to have a number of lots  
in the town properly numbered. The  
lots at the present time are well marked  
in a township block and being in the  
course of the town should rightly be  
put on the same basis as other town  
lots.  
Moved by W. Arnold, seconded by  
Geo. Barber, that the Boardmore &  
Co., account for \$106.75 for crop dam-  
age be paid—Carried.

Moved by W. Arnold, seconded by  
Geo. Barber, that in consideration of  
the fact that the Corporation has been  
granted by Fynn Bros., the Corpora-  
tion grant Fynn Bros. 20,000 gallons  
of water per year free of all charge.  
Clause three of the agreement being  
the Corporation the right to build a  
drain from the sewer on Fynn Bros.  
Property. After considerable  
discussion this motion was finally  
thrown out and nothing decided upon.

Council adjourned at ten a. m.

### Glenwilliams Whiskey Dealers Fined \$2,000.00

Two Persons Convicted of Selling  
to Young Men at \$5.00  
a Bottle

ONE PAYS, THE OTHER GOES  
TO JAIL

Inspector Harvey is doing effective  
work at Glenwilliams these days in  
bringing to book persons who have  
been guilty of disturbing the peace  
and selling liquor to young men. He  
fully tracked in intoxicating liquor.  
Last Friday James Norton, Richard  
Marchbanks and Mark Vary were  
charged before H. F. Moore, Police  
Magistrate, at the town hall, Glen-  
williams, with selling liquor.  
At the opening of the Court the  
Police Magistrate took occasion to  
congratulate Mr. E. V. Barryclough  
for his successful work in bringing  
to book persons who have been guilty  
of disturbing the peace and selling  
liquor to young men. He fully tracked  
in intoxicating liquor. He com-  
plimented the community upon not  
having any such men in their midst.  
Mr. Barryclough and Mr. Harvey were  
Magistrates, and felt sure that with  
their help there would be no more  
of this kind of thing in Glenwilliams  
and vicinity will be satisfactorily ad-  
ministered without any further neces-  
sity.

The three witnesses who were called  
in the charge against Norton swore  
that he purchased liquor at Norton's  
house on several occasions and paid  
\$5.00 a bottle for it, but were not  
positive that he secured it within  
the limits of Glenwilliams and vicin-  
ity. The charge for illegal sell-  
ing prior to three months from the  
date of alleged selling may not legally  
be proved. This case was therefore  
dismissed.

In the charge against Richard  
Marchbanks for selling on November  
25, Norman Logan swore he purchased  
two bottles from Marchbanks at his  
house for which he paid him \$10.00.  
Norton Logan and Joe Allan swore  
that they got part of the whiskey and  
helped to pay for it.

Marchbanks was convicted of robbing Hensok's  
store at Glenwilliams on the night of  
November 25, 1919, and was fined  
the sum of \$100.00 and costs. He is  
the eldest of the three, and his eld-  
er brother, who is also a robbing, has  
never been committed to the robbery.  
The conviction was registered and  
Marchbanks was fined \$100.00 and  
costs, or three months in jail.

W. I. Dick, County Crown Attorney,  
appeared for the prosecution and  
James Haverson, K. C., Toronto, for  
the defence.

Mr. W. T. Spivak, of Brampton, spent  
Monday in town.

Mr. Hurdan, of Toronto, spent sev-  
eral days during the week in town.

Mr. W. J. HATHAM, of Kestler, visited  
his parents and relatives here last  
week.

Mrs. Fred A. Maclean, and children,  
of Waterloo, are visiting at Mr. William  
Shelton's, here, this week.

Mr. John P. Hearn was home from  
the military hospital at Burlington for  
a few days this week.

Mr. and Mrs. Sheldon Moyer, of  
Toronto, were guests at the Methodist  
Parsonage over the week-end.

Mr. A. I. Hematree, of Milton,  
visited Mr. and Mrs. William Murray  
and other friends here last week.

Mr. Lindsay Eyre, of Hensall, visited  
his aunt, Mrs. A. Motwin, while  
attending the Guelph Winter Fair.

Mr. George Rossell was called to  
Knox, Man. last Friday, through the  
illness of his son, there, from  
typhoid fever.

Mrs. P. O'Dwyer and son, Dan, of  
Burlington, visited at Mr. and Mrs.  
McLean's, here, Saturday and Sunday.

Mr. E. J. Coleman, of Milton,  
visited Mr. and Mrs. William Murray  
and other friends here last week.

Mr. A. E. Nicklin returned on Friday  
from a business trip to Saskatchewan  
and Alberta. He was away about three  
months. He found business very dull  
and much of the grain not marketed,  
the elevator being full and saw not  
sufficient for the demand.

### A MORTUARY FOR FAIRVIEW

Dear Sir: What about that pro-  
posed mortuary for Fairview? There  
was a meeting held last year and there  
was a tentative plan that the Council  
of this year would take the matter up.  
I have never heard that the question  
was brought up at any of the Council  
meetings this year.

A mortuary is so much needed in  
this town. It is a disgrace that the  
Council has not taken the matter up.  
I have heard of one in the Union Com-  
munity and things are moving forward  
to build one there. Don't let Acton  
be left behind in this respect.

I would also like to know what  
the proper steps to take to insure that  
the mortuary will be built. None of my  
relatives in Ontario who could look after  
it when I pass away. Many others  
in a similar predicament, and none  
to be left behind in this respect. I  
am an exoner to all who visit Fairview  
Community. Fairview is really a beau-  
tiful place. It needs a mortuary.  
I wish you would see to it that it  
be built. Yours truly,  
JENNIE B. WOOD  
Guelph, December 1, 1920.
