If they could wive out the baby makes no secret of likes and dis- evidence of his own esta! The young unnerving memories of past failures, likes until with years comes the sad priest was speaking in good Boots, and start fresh, they would make secret that he can semetimes win by and the words of the blessing that he splendid records. The remedy they need is forgetfulness.

> It never bays to keep injustice and unkindness uppermost in our thoughts Suppeme it is true that someone treated us unfairly and wrought us injury. Be sure the harm he did us is very much loss than the harm we do ourself by becoming embittered. The best remedy for unkindness is forgetfulness. As soon as we have forgotten another's unkind act, it has lost its power to hurt us. .

Hometimes we have prescriptions put up at the drug store which cost considerable, and as far as we can see, do not do us any good. But here is a remedy, Infallible for certain ills, and coating only a resolute effort of will Why not try it? Why not put to the test the remedy of forgetfulness?

AN ALPHABET FOR CHINA

tion, the sensitive ponitont will seek and in due course, was ordained a terrors of the Chinese alphabet. Under the old system the student the connector who is patient, loving priest and appointed to a parish; but and moralful. Homeilmes—not always he apparently still retained his Boot- had to commit to memory no less than eleven hundred characters merely to get a "working basis" for writing. There are altogether thirty thousand characters, and each character represents a word, and each according

adjective, or adverb. Now however, the language has been reduced to thirty-nine fundamental sounds, each with its symbol. It is no longer a life study to learn to write correctly, for un intelligent Chinaman can learn to write his language by the new system to a few days, while quite simple and unlettered folk can master. t within three to four weeks. The system has been devised by a Chinaman, and the fact that there is

it.is, of course, a great recommendation to the Chiness. The vast proportion of the huge population of China are, for all practical purposes, illiterate; but with this new phonetic system of writing it will be possible to educate the entire republic within a COWS-Red and white cow, 6 years few years, and then may be expected old, milking well; roan opw. 8 years the real awakening of China, already stirring uneasity in her sleep.

An offer, we believe, more liberal than you'll get anywhere or at any time again, that you should hurry in to morrow and take advantage of because it not only makes it easy to obtain one of these world's best home entertainers but gives you an early and longer time to enjoy it.

You will recognise in the illustration one of the largest and finest types of Gratonolas, being a "floor" model that is complete with compartments for seventy-five records. This handsome instrument is made in both mahogany and fumed oak finish, and you can have your obolog of either. It is over 40 inches high, 18% inches wide, 20% inches deep (front to back). All the mechanical dotails are of best construction. It has three-speed drive motor, plays four records with one winding, tone control leaves, graduated dial speed regulator, new bayonet joint tone arm, Columbia reproducer, plane-hinged 'lid, with solf-adjusting support. All exposed parts heavily nickel-plated. No other phonograph nonid give you more pleasure at any price.

A One-Day Offer Only chase price in small sums weekly afterwards. We sand the complete outfit-Grafonola and
