Mr. and Miss Sault and Mr. Beaufeld, Hespeler, visited friends here over the week-end.

EDEN MILLS

A most enjoyable time was spent Wednesday afternoon in the woods belonging to Mr. Rudd near Eden Mills station of the Toronto Suburban. The occasion was a pic-nic under the auspices of the Eden Mills W. C. T. U. Members of the Guelph Union and friends numbering between 50 and 60 came out on the 1.30 car as guests of the sister society.

Mrs. Marshall, the genial president of Eden Mills society, with some of her loyal helpers, met and welcomed the Guelph friends on their arrival. A large Union Jack floated at the entrance to the pic-nic grounds.

The outstanding feature during the afternoon was the social spirit prevailing among the whole company. Before the programme scheduled for the afternoon, Mrs. Marshall's request for community singing was answered with two loved and well-known songs, "O Canada," and "The Maple Leaf," were sung and following these were short and appropriate speeches by Mrs. Jones, president of Guelph Union, Mrs. Marshall, Eden Mills, and Mrs. R. C. Bennett, county president.

The weather was delightful and the outing was much enjoyed by both the visitors and their hostesses.

GEORGETOWN

Mr. and Mrs. J. Martin and Miss Clara, of Toronto, spent Sunday with Mr. and Mrs. J. N. O'Neill.

Edwin T. Leslie, Flt.-Cadet Cavanagh, Sommerville, John Henry; Schbales, Pioneer, Capt. Andrew Arthurs, Chaplain, Lieut. Lieut. Cyril R. Barker, Ivan T. Green, Tank Brigade, Lt.-Lieut. The Athletic Association and Fire Brigade are arranging for a grand celebration on Dominion Day. There will be a baseball tournament in which four clubs will compete.

The brethren of Milton L. O. L., No. No 2,325, with visitors, Hornby, Burlington, Campbellville, Georgetown, Stewarttown, and Bronte, marched to Knox Church last Sunday evening, headed by the band. There were about 75 brethren in the parade. Rev. W. M. Mackay preached an appropriate and able sermon.

Mr. Gowding, barrister, took charge of the office of Messrs. Morley & Hutchinson, barristers, to retain it for two weeks, while Mr. Hutchinson is away on his wedding trip. Mr. Gowding served in the British navy during the great war and fought at the blocking of the harbor of Zeebrugge, one of the hottest fights and most brilliant feats in the history of the navy.—Champion.

OUSTIC

St. Peter's Church, Oustic, which was decorated with roses, palms and ferns, was the scene of a very pretty wedding on Wednesday, 15th inst. when Miss Marguerite Synnott was united in marriage to Ignatius McCann by Rev. Father Goodrow.

The bride, looking young and beautiful in her robe of white satin, with bridal veil and real orange blossoms, and carrying a bouquet of cream roses, and maiden hair fern and streamers of white satin ribbon, marched up the aisle leaning on the arm of her father, to the strains of the wedding march, played by Miss M. McDermott.

Miss Cicelia Synnott, who was bridesmaid, wore green georgette with white hat and gloves and carried a bouquet of American beauty roses.

The groom was supported by Mr. James Synnott, brother of the bride.

The groom's gift to the bride was a sunburst of pearls; to the bridesmaid an onyx ring set with pearls, and to the best man gold cuff links.

Following the ceremony a wedding dinner was held at the home of the bride's parents with only the immediate relatives present. After hearty congratulations and good wishes had been extended Mr. and Mrs. McCann left on the evening train for Chicago and other points.

The bride's travelling gown was nigger brown taffeta dress, taupe coat and picture hat.

The many beautiful presents testify to the esteem in which the young couple are held. On their return they will reside on the groom's farm, near Oustic.

Why the Ford is the "Universal Car"

DOWN among the orchards of Nova Scotia, the farms of New Brunswick, on Sherbrooke Street, Montreal, Yonge Street in Toronto, Portage Avenue in Winnipeg, on the far flung horizons of Saskatchewan and Alberta, and up through the mountains of British Columbia, down Granville Street in Vancouver, on Government Street in Victoria—it's the same story—half of all the cars you see are Ford Cars—in many sections they are two to one of all the other makes.

And it's the same story in Africa, Australia, Britain, Europe United States—throughout the world—one-half of all the motors on earth are Fords.

Why?

Because the simplicity of the Ford Car adapts it to every driver.

—because the power of the Ford Car carries it wherever the driver wants to go.

—because its durability and rugged strength make it the car for every condition of usage.

—because of its low first cost and low cost of operation and maintenance.

The Ford Car is a good car for you to own.
