Brief Local Items

—The last week of July.

—Good morning! Is it hot enough for you?

—The corn crop gives fine promise this season.

—Guelph is experimenting with Sunday street cars.

—Cooler atmosphere followed the showers on Monday.

—Cheer up! It won't be long before we're shovelling coal again.

—Never mind; it's only one-hundred and forty-nine days till Christmas.

—Oakville's tax rate this year is 42 mills; Burlington goes it better with 49.

—Toronto Exhibition in another four weeks, and then, a little later, Christmas.

—Palmerston must be a high-toned place to live in. The tax rate is 53 mills.

—Dr. Fred Gollop is now settled in his new offices over the Bank of Nova Scotia.

—Better buy your coal. This warm weather won't stay with us during the winter.

—The announcement of the Steele Music Store in another column is interesting.

—Private gardeners are boasting of the size and number of their ripe tomatoes.

—Monday's thunderstorm put harvesting operations at a standstill for a few hours.

—The new shoe store of Kenney Bros. is nearing completion and will be occupied in a few days.

—The Oakville News has reached its fifteenth year, and gives evidence of enterprise and prosperity.

—A garden party under the auspices of Norval Presbyterian Church will be held at Norval on August 4.

—The employees of the Milton Pressed Brick Co. have accepted a cut of five cents per hour in their wages.

—Mitchell has just invested in a new motor hose and chemical truck, of which the town and fire company are very proud.

—Judge Mott, of the Toronto Juvenile Court, observes that 90 per cent. of the juvenile delinquents are of foreign extraction.

—The Sunday street cars are to have a try out. Patrons are requested not to deduct the fare from their church collection.—Guelph Herald.

—Oakville Council has voted the town band $500. For this $250 is for a series of ten open air concerts, and $250 toward band maintenance.

—On Friday evening a rink of Acton lady bowlers visited Georgetown and won in a friendly game with the lady bowlers of that town by a score of 21-11.

—In Bolton the constable has been instructed to lay a charge against any motorist having a cut-off on his car open while running through the municipality.

—Some grown men use profanity in almost every sentence, forgetting there is a law against it. It is ungentlemanly; it is a menace to the morals of children who may be about.

—An enjoyable pic-nic of Toronto young folks of the Matthews, Brown, Black and Coleman families, and a few Acton young people thrown in for good measure, was held at The Bronzes on Saturday afternoon.

—At Walkerton's "Old Home Week" celebration, which opened last Saturday, the town was presented with a handsome set of entrance gates for the cemetery. Let's have an "Old Home Week" for Acton.

—A Kitchener man was fined $200 last week for mutilating books in the Public Library there. He explained that he was making a collection of pictures and any that suited him in the books of the library he removed for his collection.

—The rain storm on Monday demonstrated the fact that the intakes to the surface drains require attention at numerous points in town. Intakes to the sewers on Mill Street, Church Street, Bower Avenue, Frederick Street, Elgin Street and Main Street were found that day to be defective.

—The new double arch cement bridge over the Irvine at Elora is nearing completion. The roadway at the approaches is being graded, and the finishing touches put on the bridge. It is a handsome, substantial structure, and is viewed by scores of visitors every day, and especially on Sundays.—Express.

—This month the Acton Free Press entered upon its forty-seventh volume and the Collingwood Bulletin began its fifty-second year. Both of these papers have given a very valuable service to their communities and the loyal support they have received is good evidence that their efforts are not unappreciated.—Barrie Examiner.

Special Delivery Letters 20 Cents

On and after next Monday, August 1, the fee for the special delivery of letters in Canadian cities, as provided for in section 14 of the Official Postal Guide, will be twenty cents for each letter, in addition to the ordinary postage charges. The charge at present is ten cents. Another postal regulation permits the forwarding of unpaid letters to their destination. The receiver, will however, be required to pay double postage upon receipt of such letters.

With the exception of one boy who unfortunately slightly injured his knee and was unable to participate in the tests, every boy came back with several honor badges and the boys from Georgetown captured the camp prize.—Herald.

The Ontario Quoiting Tournament

This Annual Championship Event to be Held Here Saturday and Monday

The annual championship tournament of the Ontario Quoiting Association will be held on the splendid quoiting grounds of the Acton Athletic Association on Saturday and on Monday, Civic Holiday.

There will be a large gathering of quoit players and the competition will be keen. The Beardmore trophy is perhaps the principal attraction, but quoiting handicaps will be played in two or three series with prizes allotted to each.

This tournament is open to any quoiter, whether a club member or not. Entries will be received on the grounds on Saturday, July 30, until 10.30 a. m., when the draw will be made. Play commences at 11 o'clock.

The Association has seven perfect quoit heads lighted for night playing.

Mr. Joseph Corlett, the Secretary of the Association, and Mr. John Wood, the Secretary of Acton Athletic Association, are doing everything in their power to ensure an event of much interest and a pleasant time for all the players who assemble.

The tournament will be opened at 11 a. m. with words of welcome by H. P. Moore, Police Magistrate.

With a view to providing an opportunity for getting together promptly on Sunday the Secretary has arranged for the quoiters to attend divine service in the Methodist Church at 11 a. m. Mr. Corlett will preach to the quoiters on the subject of right living. The bowlers and tennis players of the Association have been invited to accompany the quoiters to this service.

The endeavor is being made to ensure the utmost success of this tournament. Acton extends a cordial welcome to all the visitors.

Milton Defeated Acton

In a Hotly Contested Base Ball Match Last Saturday

Acton was defeated on Saturday in a Halton-Peel League game, played in Milton by the crack nine representing that town. The score was 10-6. The main cause of the defeat was Kenny the Milton pitcher. This southpaw tied the locals in knots, and with the exception of the fourth inning, when his defence wobbled a little, and Acton scored 4 runs, he was never in trouble.

The fielding of the Milton crew was nothing to write home about, but with Kenny turning the locals back every inning this did not matter.

Milton did not find the offerings of Burns to be very elusive as they rang up 15 safe clouts. Chisholm, Babcock and Parlow doing some heavy slugging.

The Acton team's fielding was fully up to the mark and although they gathered only 8 hits they were bunched and accounted for 6 runs.

Milton has not lost a game in the league this year and the locals gave them a far better game than some of the other teams in the league.

Acton has now played all her league games away from home, and will finish the schedule on the local lot. There is no chance for them to win the championship but they will not lay down. They want revenge for some of the defeats handed to them away from home and the games when they tackle Brampton, Georgetown and Milton on the home ground should be well worth seeing.

[Score by innings—

Acton	0	0	0	4	0	0	2	0	0	—6
Milton	0	0	3	5	0	1	1	0	0	—10

WIDOW'S WIT

Mrs. Bangs—"So that pretty widow is really married so soon again, eh?"

Old Bangs—"Yes."

Mrs. Bangs—"But her late husband's will expressly stipulated that if she took a second husband her legacy was to revert to his most distant relative."

Old Bangs—"That's where she was smart. She hunted up the relative and married him."

DRUMQUIN

The garden party held at the home of Mr. Joseph Howes, 6th line, on Wednesday evening, July 13, in aid of the Bethel Church was a decided success. The programme was furnished by Messrs. Harvey Lloyd, Robert Watson, Miss Jean Simpson, Miss Grace Bonnick, Miss Helen Tock, the Wheeler Orchestra and local talent. Rev. R. W. Brearely, the pastor, occupied the chair in his usual pleasing manner.

The 6th anniversary services of the new Bethel Methodist Church, Drumquin, were held on July 17. Rev. James Malcolm, of Hornby Presbyterian Church, occupied the pulpit with acceptance. The choir of the Oakville Methodist Church sang at the afternoon services, and at the evening service the Bethel choir was assisted by Mr. and Mrs. Geo. A. Kennedy, and Miss Jessie Campbell, of Hornby, and Mr Fred Moore, Jr., of Detroit.

The regular services at Bethel Church will be held at 2.30 and Sabbath School at 2.30 until further notice.

OAKVILLE

Of the 72 candidates who wrote at the entrance examinations sixty were successful.

The Chautauqua programme is being given this week.

A Dominion Government overseer is here and has employed local men, preferably returned soldiers, to repair the west pier at our harbor.

H. W. Page asked the Council to endeavor to secure a bailiff, as it was difficult at times to have legal papers served.

Satisfactory progress is being made with the paving of Thomas Street. By this week-end the pavement should be down from the lake to Colborne Street.

Mr. and Mrs. R. B. Young and family, Miss Margaret and Robert Armstrong, and Miss Munro left last week for a two weeks' camping trip at Georgian Bay.

Jno. R. Byers and family left on Tuesday morning to motor to Wiarton, where they will spend two weeks at Oliphant, a nearby resort.—Star

MILTON

We understand that the Principal of our Public School is asking that his salary be increased to $1,500 per annum.

Milton Civic Holiday will probably be held on Wednesday, August 3, the date set for the firemen's demonstration at Weston.

Mr. J. C. Ball and family have moved to Galt.

Beginning Sunday, July 31, union services of the Methodist and Presbyterian congregations will be held for six weeks. Rev. Wm. Smyth, Methodist minister, will be the preacher.

Bert Jones, who has been seriously ill for the past few weeks from the effects of a sunstroke, is now making good progress towards recovery, we are glad to say.

Nearly, if not all, of the Milton students who passed their Normal School examinations have secured schools for the fall and winter term, and mostly all in Halton.

It is stated that the attendance at the Milton High School for the fall and winter term will be such that a new addition thereto will have to be built immediately in order to accommodate all who wish to attend.—Reformer.

VENTILATION OF FARM BUILDINGS

During the period of high costs of building and labor, the construction of barns has been kept down to the minimum. With the return of normal building costs, which should surely be due soon, many farmers will be planning to erect barns.

In considering the plans of construction, a question that merits more attention than it usually receives is that of ventilation for the stalls. All animals require air to live. Large hot-blooded animals like cattle and horses require a large amount of air. To be compelled to breathe the same air over and over again, as they are in tightly-built unventilated stables, is a serious drain on their vitality and a menace to their health. Such conditions are among the most fruitful sources of tuberculosis in cattle which causes such heavy losses every year. Many of the older stables are unintentionally well ventilated. Straw ceilings, cracks in walls, bad-fitting doors and other openings, allow a certain amount of change of air, which, while perhaps drafty and insufficient, yet prevents the repeated use of the same air. But when the new barn is built, it is made a good, substantial structure, warmly and tightly put together to keep out the cold. This is admirable, but if ventilation is overlooked and the place made airtight, the results are likely to be very disappointing.
