**Church Union Progressing**  
 Negotiations Advanced a Stage by Joint Committee Last Week

The important topic of church union in one which is of great interest to the members of the Congregational, Methodist and Presbyterian Churches of Canada.

The progress of the denominational and joint committees in Toronto last week were characterized with vital interest.

Due to the unanimous pronouncements of the supreme courts of the Congregational and Methodist Churches, the position of these representatives was necessarily different from that of the Presbyterian Church, owing to the adverse position taken by a minority of the committee at the last session of the General Assembly.

The meeting of the joint committee was, however, most harmonious. A resolution was passed which means a vital step in the ultimate consummation of the union of these churches, in the following terms:

"That a standing committee on law and religion be appointed in each of the negotiating churches and have prepared and submitted copies of all proposed bills to be submitted to the parliament of Canada and to such other legislative bodies as may be necessary in the premises, to a further meeting of this committee and thereafter to the supreme courts of the negotiating churches; the said committee to have power to secure the necessary legal assistance."

The members of the committee are: Congregational, Rev. J. A. M. Aiken, Winnipeg; Methodist, Rev. Dr. D. D. Clouston, Toronto; Presbyterian, Justice Chouly, Lunenburg, N. S.; Anglican, Rev. Dr. C. C. Fox, Toronto; Rev. Dr. D. L. Drummond, Hamilton; Principal Dr. Fraser, Montreal; Principal C. McKinnon, Halifax; Prof. R. H. Hald, Winnipeg; Congregational—Rev. Dr. W. T. Gunn, Toronto; Rev. George Atherton, Montreal, and J. T. Field, Toronto.

A resolution on departmental cooperation opens the way for a fitting and social service activities of the three bodies pending actual union.

Reports were presented showing that already some 500 churches in the Northwest and a total of over 1,500 churches are throughout Canada, belonging to the three negotiating committees, have already become united or coming together, with a view to ceasing overlapping and to be ready for the general union when it is consummated.

The extent and importance of the church union movement now being advanced is indicated by recently issued statistics which show that the Presbyterian and Methodist Churches in Canada own property worth about \$70,000,000, and for the past year their savings for all purposes totalled about \$20,000,000.

The Presbyterian figures quoted below are for the year ended December 31, 1920, and the Methodist's for the year ending April 30, 1921:
