But all the glowing superlatives that can be truthfully written about them, could not bring to mind a full realization of the charm possessed by these various lovely things. They must be seen.

Dr. Keirstead's Able Sermons Last Sunday

The Baptist Anniversary Services Largely Attended

GOOD MUSIC BY CHOIR AND QUARTETTE

The Baptist Church is always assured of large congregations on their anniversary occasions because services are usually withdrawn by the Methodist and Presbyterian Churches, and their congregations fill the entire capacity. Last Sunday the Church Hill Congregational Church also withdrew their services.

Rev. Dr. Keirstead, of McMaster University, Toronto, was the anniversary preacher on this occasion. The Dr. delivered his coming until Sunday morning, and unfortunately the train was an hour late, and he was nearly an hour after the hour of service in reaching the platform.

But this eloquent preacher was not long in getting to the heart of his discourse after his arrival. The text was John 4: 10, "If thou knowest the One who is living water, let him bring thee living water." The story of Jesus and the woman of Samaria at Jacob's well formed an admirable background for the able gospel sermon which followed. Among the numerous and pointed affirmations of Dr. Keirstead were the following: The church is the most wonderful organization in the world. Church life is the greatest in the world's history. The Christian home in this free land with its boundless influence is the greatest in the world's history. The conditions in which we are placed enlarge our duties and responsibilities. Jesus coming to the woman at the well was the Divine answer to the human cry: "I thirst." Christ is the living water. Through Christ God's love is given to us and changes the common dust of life into wonderful privileges. He has given us our home, our business, all we have, so that the dust of life may be made into gold.

The text for the evening discourse was Matthew 10: 8, "All things work together for good to them that love God." Christ is all, he will, in the opening sentence, so we who are in Christ are all. Christ is the living water. Love is good in proportion to that upon which it is centered. Love gives the power to spiritual life. Love is the law of God's love in the soul expels sin and allows God's law to operate unhindered. Love gives the power to spiritual life. Through Christ God's love is given to us and changes the common dust of life into wonderful privileges. He has given us our home, our business, all we have, so that the dust of life may be made into gold.

On Saturday morning of last week Mr. T. M. Moyer, a well-known and highly respected resident of the town, passed away aged 80 years. He had been in failing health for some time.

An ovation supper and illustrated lecture, under the auspices of the Halton Branch of the Appleby Methodist Church, will be held in the school room on Tuesday evening, March 28. Mr. Dr. Keirstead, of Toronto, will give the lecture on his trip to China and Japan.—Gazette.

OBITUARY

MISS ANGLUS MCGEECHIE

In her seventy-seventh year Mrs. Anglus McGeechie passed away on Saturday at the home of her daughter, Mrs. Hiram Fisher, lot 8, fifth line, Upper Mrs. McGeechie's maiden name was Ellen McDonald. Her husband predeceased her several years ago. She lived in the utmost of the community, and this was amply manifested by the large attendance of friends and neighbors at the funeral on Tuesday afternoon. Interment was made at the cemetery at Cambridge. Mrs. L. C. McGeechie, and Mrs. Alderson, friends sympathetic with her in her sad bereavement.

JAMES WILSON

The sad news of the sudden death of James T. Wilson, of Hamilton, reached Acton friends Tuesday afternoon. Mr. Wilson was stricken with pneumonia last week. Mrs. Wilson is also in the Hospital at Hamilton suffering from the same ailment. Mr. and Mrs. Wilson came to Acton a good many years ago and resided here until their removal to Hamilton fourteen or sixteen years ago. They had quite a family of sons and daughters. Mr. Wilson was a member of the Ontario Leather Tanners of W. H. Storey & Son, when the W. H. Storey & Son firm was in existence. He was a good position in Hamilton and removed to that city. He was a man who enjoyed the society of many friends here. Last summer he spent his holidays here and met many former friends. During his residence here Mr. Wilson was a member of the Methodist Church. The funeral will be held here this afternoon. After a service in the Methodist Church at two o'clock interment will be made at Fairview Cemetery. Much sympathy will be felt for Mrs. Wilson and the family in their sad bereavement. Messrs. William Plank, Thomas Elliott and Robert Brown, Acton, are brothers-in-law.

JAMES DOBIE

The death occurred very suddenly last Friday morning of James Dobie, of the fourth line, Esplanade, while sitting in his chair at his home. Mr. Dobie had reached the ripe age of 91 years, and had been rather poorly for some time. His death was, however, unexpected. Mr. Dobie was a well-known character in this community for two generations. He was the son of the late Andrew Dobie who was born in
