If we give a merchant our custom, we have a right to expect him to advertise----to tell us weekly in the columns of THE ACTON FREE PRESS what he has for us. Advertising is shop news, designed to inform us, save our time, and bring to our attention desirable merchandise.

Every retailer who is alive to the interests of his customers has a message---often many messages---for his customers concerning new goods, special offerings, and things that we ought to know about. Customers and non-customers will be attentive and responsive to these messages, if they are delivered every week in the form of advertisements in THE ACTON FREE PRESS. The way to get more business is to ask for it.
