I want information. In driving to Guelph the other day, at a place called Brookville, I asw a monuwar, which monument was erected by the township of Nassagaweys. I didn't know in which county it was located, nor the name or address of the Township Clerk, But as my father was a member of the Township Councils of Bougog und Port Perry for nearly 30 years as Councillor or Reave, I know the Clork could answer my questions. I would like to congragulate the Township Council and those whom they represent, on the public and imperial spirit, which induced them to supply such a beautiful memorial of their sons who fell in the tireat War. I would also congratulate them on the mode in which this was accomplished. In-stead of private individuals having to beg donations for mouths, as if soliciting ulms, at one quick, malestle step this was accomplished In your case, by the representatives
