# Never Were The New Goods More Fascinating Than Now

Never before have we been quite so proud of this big store and its merchandise, and yet fine as are the new things, excellent as are the staple things, we are proudest of all to be able to present the new Pall creations at prices that will be so gratifying to our customers.

And now stocks attain the season's fullness of variety, with freshness and originality of style that makes the wearing or using of new things so enjoyable.

Your visit to Guelph, to MACDONALD'S, this week, will be like an afternoon stroll into the new season. Come and welcome, whether you are ready to make purchases or not. Each hour you spend here will help you toward the important decisions which should never be made in haste.

New Coats, Frocks, Furs, Millinery, Dress Fabrics and Dress Accessories

Values and varieties at their vest best right now. No better time for choosing. And the advantage of a full season's wear for those who make selections immediately.

Men's New Coats and Suits--- New Clothing for Boys---New Floor-Coverings, Draperies and Wallpapers For the Home".

All Departments ready with new things that people need to wear or use at their homes."

The drivers of both vehicles are congratulating themselves that no more serious results attended this unavoidable mix-up.

Laft Husband and Children One day last week a man of rather manvory reputation, who has resided here for a short time, is alleged to have persuaded the wife and mother of another home in town to desert ber husband and two children, three and seven years of age, and cast in her fortunes with him. They left town together. It is reported that the scamp has a wife in another town. During his stay here he is said to have been associated with a gang of bootleggers who have been operating in this disgenerously with his wages and used his best endeavor to keep the home together, comfortable and happy.
