Oakville Wire-bound Box and Bas ket Plant was Completely Destroyed

An oil stove which exploded in the THREE YEARS AGO THE COM-PANY'S PLANT WAS THEN BURNED OUT

The plant of the Oakville Wirefire was extinguished with a few bound liox and Banket Company, Limpalls of water before any serious ited, was completely destroyed on Bunday morning, by a fire which broke out at about six o'clock and which was still unquenched late in the evening. The lass, which is principally in valuable machinery and stock, is esthoused at upwards of \$225,000, only 40 per cent, of which is covered by naurance. Officials of the concern are at a loss to explain the outbreak, and the strong suspicion exists that It was incendiary in its origin. The bluze occurring just at the open-

ing of the berrying and fruit season, half a million strawberry baskets, intended for the packing of Oakville's famous crop, and, 250,000 cherry, baskets were consumed in smoke. One horse was burned to death in the of C. A. McDermott, which suffered to oner. the extent of having the lea-house, which were on the basket company's fourth. siding, were also a prey to the flames. The flames performed the main body of their work, the destruction of the plant, rapidly. They were first discovered by the engineer of a freight train bound towards Toronto, who notified the station agent, J. R. Atkinson, who, in turn, gave the alarm. the scene, but within 45 minutes the the parts of the structure, which con-
