We have the best appliances and the only mechanics in the Dotninion who can operate pneumalia toble properly. We can give references from hundreds of our customers in Toronto and other places, where others have to have law aults in order to collect. We have the largest and best stock of Granite is the Dominion, or more than any three dealers in the West. We are legitimate dealers and simpley no agenta and do not annoy or pest quatomers by sending out ignorant ugents soltetsing orders -we employ only mechanics and dary compatition.
