keeps specially for cutting purposes. The gardener abroad must combine not been for the persecution. Just a winter cloud may turn a sad heart artistry with horticultural proficiency, as some men to-day would never have into a merry one. for he would soon lose his job if the tiner's garden bits looked ugly and "thrown together," however well cared for the tubel plants might be. Remarkable skill is shown in achieving good decorative results, and on special occasion, or in rooms which demand iti the gardener manages to make-his flowers match' the general design. It is the gardener-sailor, too, who locks after special flowers which passengers are anxious to have arrive on the other side in good condition. Incidentally, gardeners aboard ship learn a lot about plants which no amount of hand life would touch them, capecially regarding their qualities as sallors. Bay-trees, aspidistras, and many sorts of forms are good travellers, and so are chrysanthemums and

ife on board ship. A LACK OF OBSTACLES

many years on the railways among the Highlands of Scotland, went to the United States in his later years, and settled on a section of homestand land on the plains of the far West. Boon after his urrival there was project for a rallway through the distriot. The Bootchman was applied to as a man of experience in such matters. "Hoot, mon," he said to the spokesman of the delegation, "ye canna" build

rallway across this country." "Why not, Mr. Ferguson?" an air of effectually settling the whole matter. "Why not? Dinna ye see the country's as flat us a floor, and ye has nae place whatever to run your

toonels through?" A GOOD BUGGESTION

The librarian at a certain museum was engaged in cataloguing and arranging some ancient books that had just arrived from Egypt, when he notided a perplexed look on the face of

his assistant.

I class it?"

THE SUNDAY-SCHOOL

FOR BUNDAY, DECEMBER 0

THE OUTREACH OF THE EARLY HURCH - Acta 8: 1 to 15: 35. Golden Text. -Ye uhull be My witteamen both to Jerusalem and in all udaca and Samarkt and unto the utermost purts of the earth (Acls 1: R).

The Text Explained Verse 4 .- They therefore that were cuttored abroad. The persecution at Jordantom in which Saul (Paul) had an influential part caused a general dispersion of the Christian converts They preached the words wherever they went and thus the result was favorable to the establishment of the early church in many lands.

Vorse 6 .- Philip was one of the or-

iginal staff of seven deacons (Acts 6: 5). By the persecution in Jerusalem he was thrust out and want into Bamuria. There he was so successful that he became known ak "Philip the evangelist" (Acts 21: 8). City of Bamaria-This expression refers to the country of Samaria rather than to the capital city, which at that time was culled Behaste. The Hamaritans accepted the Law and expected the Moskinh, but they had built and main-Mezzrz. Leslie and Fearen are among tuined a rival temple on Mount Carithe exhibitors of Shorthorns at the zim. There was an intense and tune and the Jerusalom Jows which touring cars. Provincial Winter Fair at Guelph this made the success of l'hillp's evangel-

latic efforts yet more remarkable. Versa 6 .- The multitudes gave hee -All the people were interested. The work under Philip became a community movement with one

thought and enthusiasm.

Verse 8. There was much joy-The Mr. Oliver Lasby moved from his Joyousness so frequently mentioned place in Crewsons Corners to Acton by the New Testament Writers appears A meeting was held in the Council . Vorse 14 .- They sent unto them Chamber on Friday evening last for Peter and John-Their mission to the the purpose of re-organizing the hoc- Hamaritan converts was one of educakey club. Scotch Lassies Find New Homes Awaiting Them in Canada

Should the "bired girl" or the "maid of all work" of times gone by take a look into the pregent day situation, the nock would be severe and possibly fatal. Bigns of the Umes show conditions to be improved in relation to the "domestic." Wiren the above group of girls from the British Isles arrived at Dorchester House, Montreal, after crossing to Queben by the Canadian Pacitic mutual dislike between the Samari- S. H. Montcalm, to take up domestic service in Canada, the street was literally lined with limousines and amart

> After the formulities of interviewing and the signing of papers, the authorities of Dorchester House might easily say "Yes! We have no maids," as all of the group of excellent Old Country lagates found immediate employment. There were approximately fifty in the consignment and there were well over tifty waiting homes, for them. The Rev. John Chisholm, who is seen in the Blustration, is a prominent factor in bringing to Canada an excellent type of domestic servant and he follows his work up by scoing that the individual girl is placed in a house congenial to her, Those girls are from all parts of the Old Country and are representative of all religious bodies. It is invariably arranged that girls are placed in homes of their own religious denominations,

This Store's **Policy**

To represent goods exactly as to their quality; to sell to those who know and to those who don't know at a uniform fair price; to fulfill all guarantees and cheerfully correct all mis-

takes: to deserve your

confidence, by always

giving you satisfaction.
