Millinery--Dresses--Blouses--Fabrics

and Accessories All the secrets of the new season's styles are now re-

vealed in interesting spring displays. Dame Fashion says that the very newest colors are antelope, porcelain blue, Chinese green and Oriental red. Don't they sound fascinating? We heard her say, too, that there are many attractive new materials. Some of her smartest blouses for spring are made of the new English broadcloth. In fact she has one delightful surprise after another to show you. Do come to town as soon as you can to see and try on and inspect all the lovely new things.

Fined for Running Mill on Sunday A representative of the Goldie Milling Co., Limited, pleaded guilty at Guelph Police Court on Thursday to a charge laid against that firm of "carrying on the work of its ordinary calling" on Sunday, February 4, contrary to the Act to prevent the profunation of the Lord's Day. The firm's representative pleaded mitigating circumstances, claiming the company were behind in filling orders on a contract. A conviction was registered and the company was fined \$16 and costs. In commenting on the case, Crown Attorney J. M. Kearns stated that under no circumstances was the firm justified in working on the Sabbath Day, and further stated that it was the second time the offence had taken place since the present company had taken over the milis Mr. Kearns glee Intimated that any firm offending in the same way would be prosecuted, and said that the police had been instructed to that effect. Magistrate -Watt remarked that the next time a case of the kind came to his attention the men found at work For Statute Labor performed and paid would be dealt with.
