THE NEW VILLAGE STORE

The village store has changed a little... The place is all so much and open...

TWENTY YEARS AGO

From the issue of the Free Press of Thursday, May 19, 1904

There was quite a fall of hail on Sunday at noon... The leaves are pretty well out now...

Orders are being filled rapidly for next winter's coal supply already...

The Council Chamber is now graced with a beautiful new clock with a twelve inch dial in oak case and guaranteed to keep standard time.

The Canadian Press Association excursion to the World's Fair at St. Louis left Toronto Saturday morning by special train...

Mr. James B. Anderson, blacksmith, who recently purchased the blacksmithing business of Mr. James McLain, Main Street, went to Eden Mills last Friday night to move his family to Acton...

The Town Hall Committee has been improving the property, which has been put on the Council Chamber, the stage waiting rooms have been carpeted with new carpets...

The baseball season opens on Saturday, and until September 21 next, every week has a game scheduled for each of the six clubs in the Canadian Base Ball League...

The Dominion Fruit Commission has secured some interesting information from wholesale dealers in the leading marketing centres as to the varieties of apples root in demand in different parts of the Dominion...

The immediate cause of the destruction of the army of Herodotus, Josephus, quoting from Herodotus, mentions that a multitude of mice gnawed to pieces in one night both the bow and the armor of the Assyrian army...

The trial of Faith—Just at the time when the good Hezekiah was doing his best to lead his people back to the God of their fathers...

The Victory of Faith—The answer came at once, for the need was immediate. It came through the prophet as the spokesman of God...

For Study and Discussion—What was Hezekiah's attitude toward Judah? What do you think of Hezekiah's receipt of the message? What is the significance of Hezekiah's declaration "and assurance"?

Simple and Sure—Dr. Thomas' Eclectic Oil is so simple in application that a child can understand the instructions. Used as a liniment the only direction is to rub, and when used as a dressing to apply. The directions are so plain and unmistakable that they are readily understood by young or old.

THE SUNDAY SCHOOL LESSON

FOR SUNDAY, MAY 11, 1924

ISAIAH AND THE ASSYRIAN KING

ISAIAH—(Isa. 37: 33-37) GIBBON Text—God in our refuge and strength, A very pleasant help in trouble.

The Text Explained—Verse 14—Hezekiah—One of the most prominent kings of Judah, he came to the throne after his father Ahaz, about B. C. 714. The political situation which faced him had been rendered difficult by the submission of his father to Assyria and the consequent vassalage. At the same time the Egyptians were encouraging the petty kings of Palestine, already cast under the Assyrian yoke, to fight for independence. The Egyptian party invited Hezekiah to the court of Sennacherib (705) at the accession of Sennacherib (705) he joined the coalition against Assyria...

There was a christening at the Mount Royal Hotel, Montreal, Monday, May 12—Jer. 26: 1-7. Tuesday, May 20—Jer. 30: 8-16. Wednesday, May 21—Jer. 7: 1-17. Thursday, May 22—Jer. 9: 1-5. Friday, May 23—Jer. 16: 5-10. Saturday, May 24—Jer. 18: 1-13. Sunday, May 25—Jer. 21: 1-8.

KEEP WITHIN HEARING

It was the young candidate's first campaign and his very first political speech. He was much encouraged by the hearty welcome extended by the local committee and delighted by the elaborate preparations for the meeting.

HE KNEW HER

Post office clerks no doubt possess a larger amount of general information than they are sometimes credited with, but the Irish World tells of one concerning whom the exact opposite was true.

WENT ONE BETTER

Mrs. Lafferty—"Ten stitches did the doctor have to take in me old man after the right last night."

MOISTURE AS FUEL

There is no better way to cut down our fuel bills than by simply motoring the indoor air we breathe. The average person will feel warm at a temperature of 68 degrees with a 25 per cent humidity, but at a temperature of 80 degrees with a 25 per cent humidity, the winter in one large factory the workers were listless and the individual productions were most unsatisfactory.

UNSETTLED

"Can you tell me what sort of weather we may expect next month?" the inquirer asked the editor according to the Cumberland Presbyterian, the editor replied as follows: "Next month will be very much like your subscription."

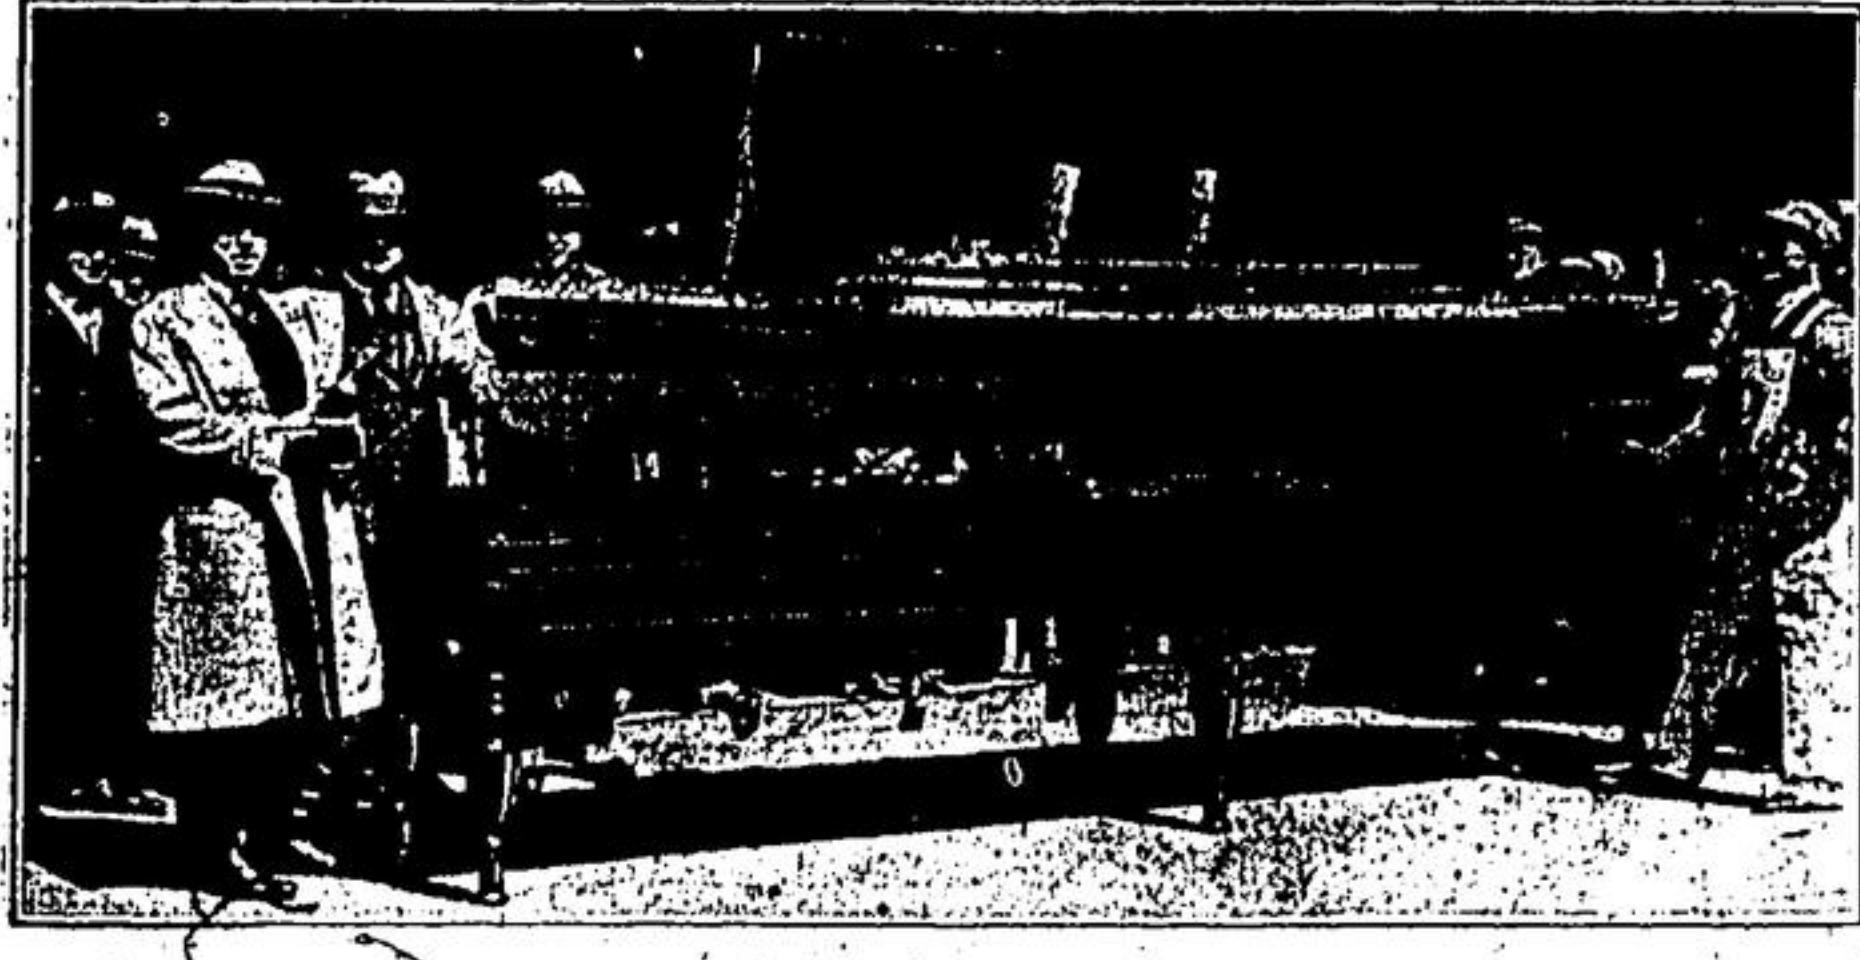

AN OLD ANCHOR

Not long ago the crew of an English trawler engaged in lobster-fishing, near Kinshasa, had great difficulty in bringing to the surface, there was attached to it a very ancient anchor five tons in weight, the shank being over ten feet long and the head of equal proportions. Fastened to the anchor was a small cannon.

HE SPOKE TOO LATE

A Pennsylvania gentleman tells a story which is a good satire on the type of office-seeker who cannot allow a man to be laid decently away in his grave before he is after his place. A man went to the governor of one of the states and asked for the place of janitor of the state-house.

TWENTY THOUSAND DOLLAR BABY CHRISTENED

There was a christening at the Mount Royal Hotel, Montreal, Monday, May 12—Jer. 26: 1-7. Tuesday, May 20—Jer. 30: 8-16. Wednesday, May 21—Jer. 7: 1-17. Thursday, May 22—Jer. 9: 1-5. Friday, May 23—Jer. 16: 5-10. Saturday, May 24—Jer. 18: 1-13. Sunday, May 25—Jer. 21: 1-8.

GET THE WRONG BOY

A certain inspector visiting a provincial school, was much worried by the noise of the scholars in the next room. At last, unable to bear it any longer, he opened the door and burst upon the scholars, saying one boy taller than the others talking a great deal he caught him by the collar, carried him to his own room and planted him in the chair, saying: "Now sit there and be quiet!"

WENT ONE BETTER

Mrs. Lafferty—"Ten stitches did the doctor have to take in me old man after the right last night."

CHEVROLET —meets all the Standards by which a car is judged

By whatever standard you judge a car—whatever qualifications you demand—Chevrolet can meet your closest scrutiny.

Chevrolet economy is an established fact. No other car can be run so inexpensively. Chevrolet is the world's lowest-priced, fully-equipped car.

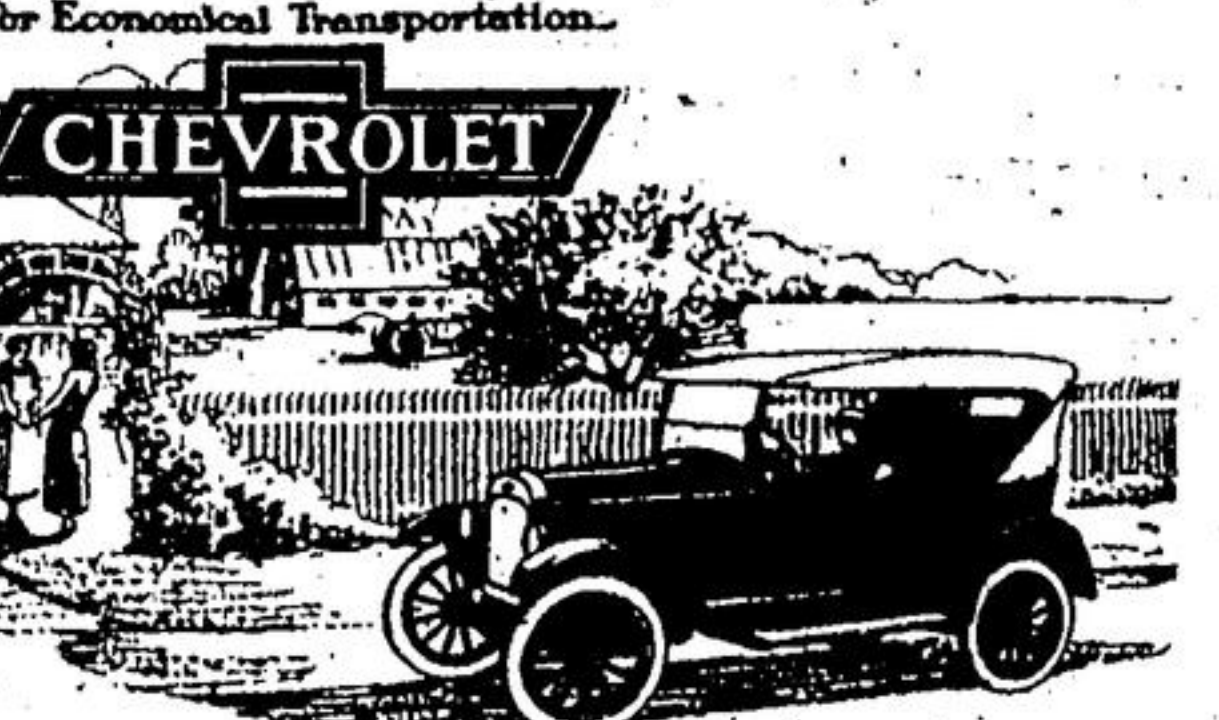

Chevrolet dependability is proven by thousands of owners every day, in all kinds of weather, over all kinds of roads. Chevrolet appearance and construction set new standards among low-priced cars.

Chevrolet Service is the final factor in determining the value of the car. Wherever you travel, throughout the length and breadth of the Dominion, Chevrolet Dealers and Service Stations everywhere, where you can be sure of getting genuine Chevrolet parts and expert service by men who thoroughly understand the car.

Weigh all the evidence carefully—and you will more fully appreciate Chevrolet value. Ask us for a demonstration.
