Summer Meats

If there is one particular time of year that meats require tra good attention it is the summer-time. We have the cilities in our shop for caring for all meats properly, and ery piece of ment we serve you is right. Our large refrigerat the abbattoir, and our excellent cold storage plant at

shop are a guarantee of meats served right all summer.

Cold Meats During the summer months many people do not want to meats and have hot dinners. We always carry an excelstock of the finest of cold, cooked meats, ready to serve.
