The Social Meaning of the First Miracle—It thus becomes apparent that there is a profound meaning in the first miracle which Jesus wrought in Cana of Galfies. The home is the before the church or state. The prosperity of both church and state, and all other institutions, depends upon the home. Pliny, the old Roman writer, declared, 'There would be no state if there were no family." Civilization depends upon the home life. Thus, in this first miracle, Jesus enriched the whole circle of man's social relationships. The lesson of this beautiful
