The Mothers

Of this community are the buyers of mostof the goods required for the home, themselves and the children---and, in large measure, for the men as well.

These women are the closest readers of the local newspaper. A message in THE ACTON FREE PRESS is certain to be read by the very people the home merchant must reach with his "store news."

ADVERTISING is the bond of confidence that ties your store to the homes of the community. The homemakers expect to be invited to your store. Are you willing to be shown that
