The Mall & Empire amounces to-day a most interesting and amusing game. All can participate in this great fun game-from a school boy or girl to Ded, Mother, and even Grandpa and Grandma. It holds no proference to ago. It is a test of your skill to ferroting out "S-Words" in the Purple Pieture. It's a fire dandy punds game. We know you will enjoy it, for everyone loves a purile, and we westure to say you'll never have more fun.

It costs nothing to take part. The "6-Word" Pumie Game is a campaign to increase the popularity of The Mail & Empire. It is not a subscription contest, and you do not have to send in a single subscription to win a prize. If your answer is awarded first prize by the judges, you will win \$25.00; but if you would like to win more than \$35.00, we are going to make the following special offer, whereby you can win bigger cash

--YOU CAN WIN \$1,000.00--Here's how: If the judges award your answer, First Prise, and you have sent in one yearly subscription to The Mail & Empire at \$5.00 s year, you will receive \$500 instead of \$25; Second Prise, \$250;

Third Prise, \$150; (See second columns of figures in prise list.) OBSERVE THESE RULES of Toronto or Hamilton, and who is not in the employ of The Mail and Empire or a member of an employe's family, may submit an answer It costs nothing to by.

E. ALL ANSWERS MUST HE MALLED BY COLUMN STH. 1884.

2. All liets of names should be written on one ade of the paper only, and numbered semecutively you desire to write anything else, use a separate sheet.

4. Only such words as appear in the English Distionary will be counted. Do not use obsolets words. Where the plural is used, the singular cannot be sounted and vice verse.

5. Words of the same spalling can be used only case, even though used to designate different objects or articles, or parts of objects or articles an object or articles an object or articles an object or articles an object or articles and be named only once.

6. Do not use hyphenated or compound words, or any words formed by the combination of two or more complete words where each word in itself is an object.

7. The answer having the abarest correct list of names of visible objects and articles shown in the ploture (that begin with the letter "B" will be awarded First Prize, etc. Neatness, style or hand-writing have no bearing upon deciding the winners.

2. Any number of people may oc-operate in answering the Furnic, but only one prize will be awarded to any one household; nor will prizes be awarded to mere than one of any group where two or more have been working together.

2. In the event of a tie for any prize offered, the full amount of such prize will be awarded to each tied participant.

18. Subscriptions (both new or recewal), payable in advance at \$5.00 a year by mail will be accepted. However, in qualifying for the \$1,000 lionus Eaward, at least one new subscription most be sent in. be sent in.

11. A new subscriber is any one who has het been receiving The Mail and Empire by mail since September 12th.

12. All answers will receive the same consideration 12. All answers will receive the same consideration remardless of whether or not a subscription, to The Mail and Empire is sent in.

13. All new subscriptions will be carefully verified by the Funcie Manager. Candidates marking eid subscriptions as new will positively forfult the credit of such subscription as qualifying for the Maximum Beaus Rewards.

14. Three preminent Toronto citizens, having no connection with The Mail and Empire, will be selected to not as judges to decide the winners, and participants agree to account the decision of the participants agree to accept the decision of the judges as final and conclusive.

It. The judges will meet on October 15th, and amouncement of the Prize Winners and correct list of words will be published to words.

Or, if you are awarded First Prize and you have sent in two yearly subscriptions (either one new and one renewal or two new subscriptions) to The Mail & Empire at \$5.00 a year cach, you will receive \$1,000 instead of \$35; Second Prize, \$500; Third Prize, \$500. (See third column of figures in prime list.) It takes but two subscriptions to qualify for the big \$1,000 roward. Absolutely two subscriptions to the maximum, one of which is to be a new subscriber. You can do this with little effort. Your own subscription will count as one and we can take subscriptions to start at any future date. In send-

ing in your subscription give full instructions on a separate sheet from that on which you send you
